11. **Detailed Report of the Programme:** - Students are talented enough in terms of getting placements in many recruitments drives but lack knowledge in critical information about job offer, role and the company. Hence, the main objective of the programme was to make the students understand the nitty-gritties in the offer letter. The resource person explained basic details that one would commonly find in the offer letter such as CTC, fixed allowance, variable allowance. In addition, he spoke of the additional skills one requires to get recruited and perform well at their respective jobs. He said basic computer knowledge with MS Excel is a must. He also explained about payroll calculation, employee attendance entry, loss of pay calculation and tax calculations through excel. The speaker also educated them about the minimum tenure one should be in a corporate to get experience and job hopping to be avoided,
12. **Outcome of the programme/event:** - The event provided students with an opportunity to split-up of CTC calculations along with payroll, attendance and employees' tax calculation. The question-and-answer session also gave the students an insight on the kind of jobs one needs to go for to develop ones career, how to keep friendly relations with manager and team and achieve targets, why one should avoid taking leave, whether getting into a job after under-graduation is better or going for post-graduation and dos & don'ts in an interview.

11. **Detailed report of the event:**

On 25th July,2022 LucAFama, the students' forum of the Department of Accounting and Finance organized a career guidance program for the final year students. The speaker inspired all the young minds with 'Ikigai', the Japanese concept of finding purpose in life. He emphasized 4 different aspects (passion, profession, mission and vocation) to be kept in mind while choosing a career path. Further he highlighted the various career avenues available for B.com graduates such as Post graduation, Government examinations and other job-oriented certifications. A special mention was given to the M.B.A aspirants about the various entrance exam to be cleared, factors to consider while choosing a reputed institution, etc. He concluded the session by insisting on the importance of building a strong network and skill up gradation.

12. **Outcome of the program:** The students got an overview on planning and designing their career rather than simply getting a job. They also understood the importance of network building for having a sustained career growth.

11. **Detailed Report of the Programme:**

On 13th January 2023, the Department of Accounting and Finance organized a networking session on “Entrepreneurship is not business. It’s life!” The aim of this session is to help the students to gain knowledge about business sector, to get entrepreneurial tips and expertise advice from successful people of the industry. The resource person motivated and encouraged the students to take up business as their career without hesitation. Further he quoted, ‘Higher risk, Higher profit’ and advised the students to develop entrepreneurial skills without fear. He enunciated that Dravidians are a community with deep business and cultural ties. He stressed that business and trade practices has been followed by tamilians for centuries. He also took great pride in the fact that around 147 tamilians are holding positions of power all over the world.

12. **Outcome of the programme:** After his lecture the students were given time to interact with him. Students felt that the session was informative and interactive.

Detailed report of the programme:

Department of B. Com (Bank Management) organised a Value added certification course on career opportunity in BFSI sector infact pro on 1/2/2023. The Event was named, Value added certification course on banking and finance It was conducted to make students understand and plan for future scope in BFSI sector pursuits.

I thank our Secretary Sri. Ashok Kumar Mundhra and our Principal Dr. S. Santhosh Baboo for giving us the opportunity.

The event began with a Tamil Thai Valthu which was followed by the college prayer. The event was started by prof. Saratha Bhavani by welcoming the chief guest and trainers from Infact Pro academy. It was followed by honouring the guest with a bouquet by our principal and head of the department Dr.R.sangeetha. After welcoming the guest trainers and the students our principal Captain Dr.S.Santhosh Baboo addressed the trainers and the chief guest. He also interacted with the students on the importance of the Infact Pro classes that were taken for them. He then made the students understand the importance of this knowledge on their future career objectives.

The trainers and the teachers then honoured the students who had done exceptionally well in their course with a shield and honoured them with a certificate.

The session was then handed over to the trainers from the Infact Pro academy. The session was started by Mr. Gowri Shanker, a trainer at the Infact Pro academy. Who then educated students on various aspects of the banking sector and taught them about various incidents and various situations that a banker might face in his career. These case studies and situations were related to real-life problems and various other situations.

The session was then taken over by V. Jayaraman, who was a bank manager at the union Bank of India and have a immense work experience regarding various situations of banking life. He discussed various aspects of the new union budgeting policy and what are the various sectors that it might have its effect on. He also discussed the various aspects that he had seen as being a manager at the bank during his working years. On the basis of his experience he taught the students the various rules and regulations and ways to deal with various banking exams.

Dr. Balaji Iyer, Managing Director of Infact Pro OPC trainers private limited shared his view on the strategy used in the course to enlighten the students in the field of banking and finance and shared his experience in the Banking industry and how to get into the BFSI sector and achieve the success.

The students were able to get very good insights from the event conducted for them and felt very knowledgeable after the session. The house was then opened for questions were both the trainers and then students interacted with each other to clear their insight on the topics discussed.

The event was then concluded by thanking the guest, trainers and students by Dr.N.Thilagavathy Assistant professor . She thanked the guests and trainers for the time and experience that they had given to teach the students and give them insights about detailed banking structure.

Outcome of the programme/Event:

10. Detailed Report of the Programme:

Advancement and evolution are the hallmarks of any aspiring journey and the students of BBA Department were provided one such opportunity under CRESCENDO series of scaling the career of undergrads. Mr Vignesh Srinivasan of MOCKAT was the esteemed chief speaker for the noon and thus he spoke at length about the importance of masters in business administration from a reputed and top b school. The students were about 300 strong from 2nd year of the department, and the event was duly organised by the BBA Students forum. It was ultimately an interactive and illuminating session which had served students to motivate and fuel their desire towards making sincere attempts at preparation and planning for CAT Examinations and also the student doubts were duly cleared, nipping the confusion at its bud. It was a productive and educational afternoon which concluded with a positive feedback from the students.

BRIEF REPORT:

The Department of Business Administration (BBA) organised an awareness programme on Overseas education for the final year students on September 16th, 2022. Students were educated about the value of studying abroad by Mr. H. Abdul Navas, Senior Business Development Manager, KC Overseas Education, Chennai.

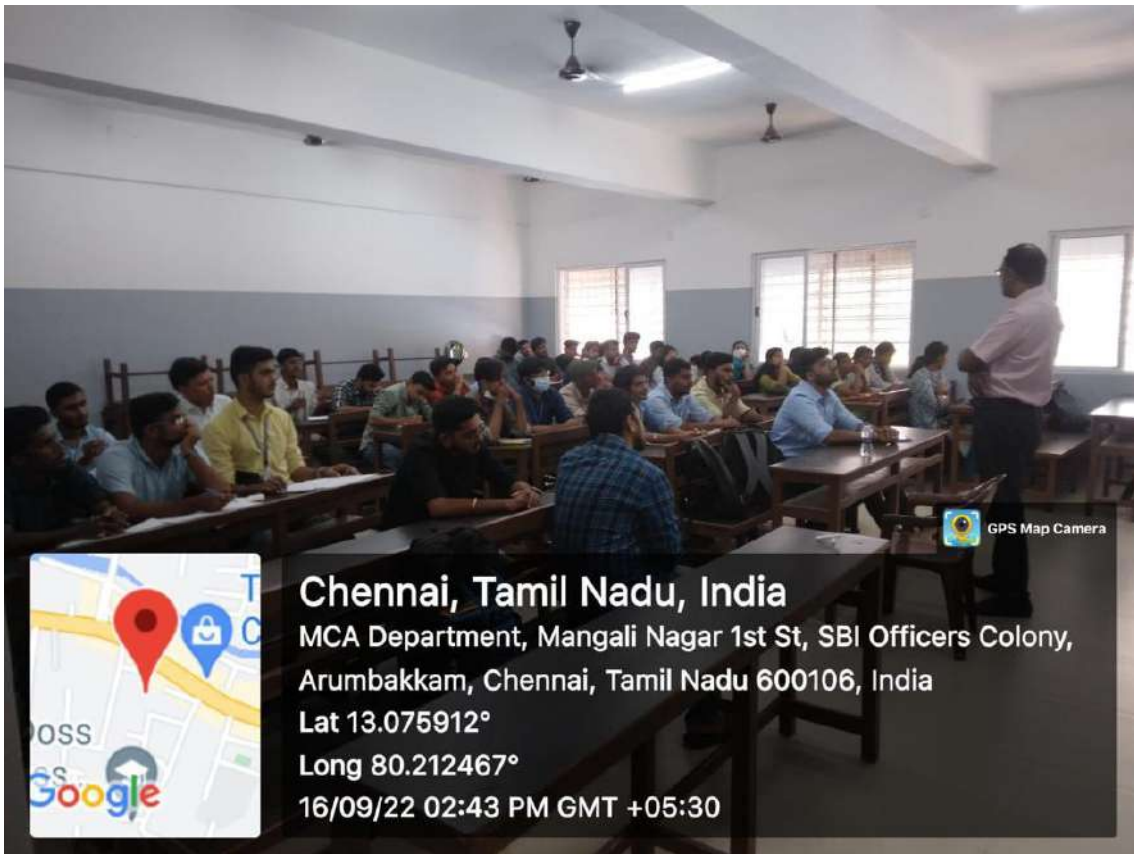

Mr. Abdul Navas emphasised that an international education experience might be more applicable than ever to a post-college profession in the increasingly global economy. By influencing their career decisions and preparing them for the various obstacles they will confront in the contemporary, fast evolving global economy, such an event has the power to change students' lives.

The discussion with the resource person about how to approach institutions, GRE, TOEFL, and IELTS scores, scholarships, and job options were very beneficial to the business administration students. The discussion clarified the students' misunderstanding over their desire to pursue further education abroad. There are many academic advantages for job progress, personal growth, obtaining useful life skills, enhancing leadership abilities, and widening one's worldview.

Outcome of the Program:

The outcome of the program was to create awareness and encourage students who aspire to continue higher education in abroad after their graduation. The special knowledge and experience of the resource person was well utilised by students through their interactions with Q & A. The program will throw a light of hope in planning their career.

REPORT

The event started during 2 pm in the classrooms of all II & III Year Classes where all the 3 speakers gave their insights on the MBA in form of a Career Guidance session, they made the session very interactive and also a fun one by also sharing some of their personal experience. Same way the Speakers Motivated and gave a clear view on what to do after BBA in a understanding manner for all the second and third year students

OUTCOME OF THE EVENT

It Helped the Second and Third Year Students to get a wide knowledge about the opportunities available in pursuing MBA in India and Abroad. The students are clearer in understanding the preparation that has to be done for taking up the Competitive exams for pursuing MBA.

Speaker Profile 1

Rajesh–2IIM

Rajesh Balasubramanian is an Electrical Engineer from IIT, Madras, Class of 2001 and completed his PGDM from IIM Bangalore in 2003. He runs 2IIM's CAT program and has built most of the content for the 2IIM CAT Online Course.

He scored 100th percentile in CAT 2011, CAT 2012, CAT 2014 and CAT 2017. Rajesh scored 99.77 in CAT 2018, 99.99th percentile in CAT 2019, 99.98th percentile in CAT 2020, and 99.79th percentile in CAT 2021.

Rajesh also runs PiVerb - an Ed-Tech company that focuses on teaching math intuitively to students from class V to class X.

Prior to his stint in Education, Rajesh spent a few years as an investment banker, a fact that he is distinctly not proud of.

Speaker profile 2

SwethaChodavarpu, MBA

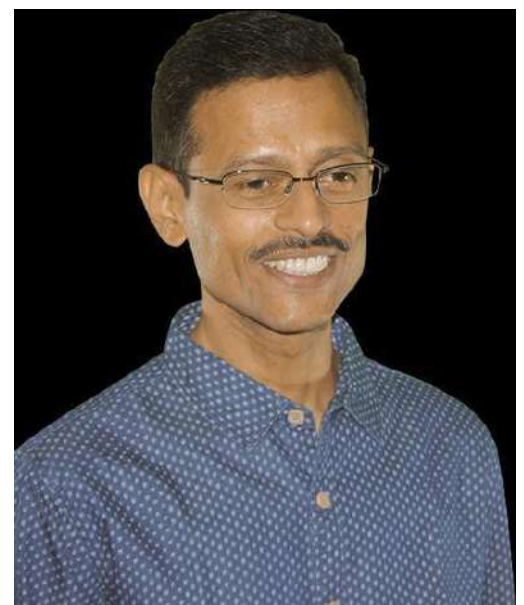

SwethaChodavarpu, MBA, IIT Madras, is a startup enthusiast who currently handles the sales and marketing functionalities at 2IIM. She is passionate about Ed-Tech having also worked at an ed-tech startup in Egypt. She aims to holistically contribute to the betterment of education in India one student at a time.

K S Baskar – CEG, IIM C | Q51 in GMAT

Baskar founded 2IIM and continues to head the parent company. He is a Mechanical Engineer from College of Engineering, Guindy, Class of 1991 and completed his PGDM from IIM Calcutta in 1994. Baskar runs Wizako, Market leader for online coaching for GMAT and GRE in India

Baskar has been a trainer for 25 years and has mentored more than 25000 students. Several of his students are graduates from IIM A, B, C, Harvard, Wharton and Stanford.

Detailed report of the program:

Overview of the program:

The PG Department of Biotechnology DDGDVC organized an Alumni Talk on “Career Prospects After Graduation” on 18.03.2023. The session was organized for the III B.Sc students of the department in their classroom. The session was led by an alumnus of the department, Mr. Karthikeyan R, final year post-graduate student at Bharathidasan University, Tiruchirappali and Project student at ICMR-NIRT (National Institute for Research in Tuberculosis).

The talk was aimed to help the students understand how they can choose the right path post completing their undergraduate degree. The speaker highlighted the options available for the students and stressed on the need to have a clear idea of career option before going for higher studies, job or research.

He also spoke about the various research universities, entrance exams, competitive exams, etc. while discussed their queries regarding the same. The session was interactive, and students were able to understand the importance of internships, practical knowledge and added qualifications for their career growth. The session ended with the submission of online feedback by the participants.

Outcome of the program:

- Students got to know about the various universities, mode of entrance tests, etc.
- They learnt the importance of practical use of education.
- They were also able to relate their vision with the purpose of choosing a particular option after under graduation.

students with his ideas on placement and career in the field. His insights enlightened the crowd on various recruitments required in the field of biotechnology.

In the session 2, titled, Arenas of Research and Entrepreneurship in Biotechnology, Dr. D'nel Joe, discussed the opportunities of research and innovation in the field with his experience.

In the session 3, Face it with Confidence – Interview skills, Mr. Joshua explained the grooming essentials, preparing for the interview, questions that can be expected and the appropriate answers to be answered during the interview. There was an interactive session and a simple mock interview in which few students were asked questions like an interview.

In the session 4, Mr. Subramani G, spoke about R & D for Health and Hygiene. The speaker gave insights into the product development, techniques that can be developed for analyzing a compound or component and the business opportunities in health and hygiene sector.

Outcome of the event:

- The event gave insights into the opportunities of biotechnology.
- The students learned the importance of the preparations to be done for the job and understood the key factors for interview and the do's and don'ts of the interview.
- The students gained knowledge on the research needed for health and hygiene.

11. Detailed Report of the Programme:

On 28th January 2023, Botany department associated with “The Enviro club” conducted a webinar on the Application of Biotechnology in Medicine”. Dr. Bhavani ILG. Assistant Professor, (Retd.) of the Department of Plant Biology and Biotechnology acted as the resource person. The program started at 10 am through a webinar meeting with a welcome address. More than 50 students of our department participated in the National webinar, solely focused on the biotechnological importance of microbes which was followed by steps in rDNA. The applications in medicine consists of diagnostic, treatment of antibiotics, drugs, hormones, insulin, interferon, monoclonal antibodies, drug delivery, gene therapy, and gene editing. She explained about gene editing, editing the genome by removing or altering the DNA sequence of the defective gene done by the “CRISPR” cas 9 technique. Various techniques like agarose gel, Northern, Southern and Western blotting, probs, etc were also explained. The speaker also mentioned about the types of vaccines like killed, live, subunits, recombinant vaccines, and edible vaccines. The program ended at 1:30 pm with the question and answer and the feedback session.

12. Outcome of the programme/event

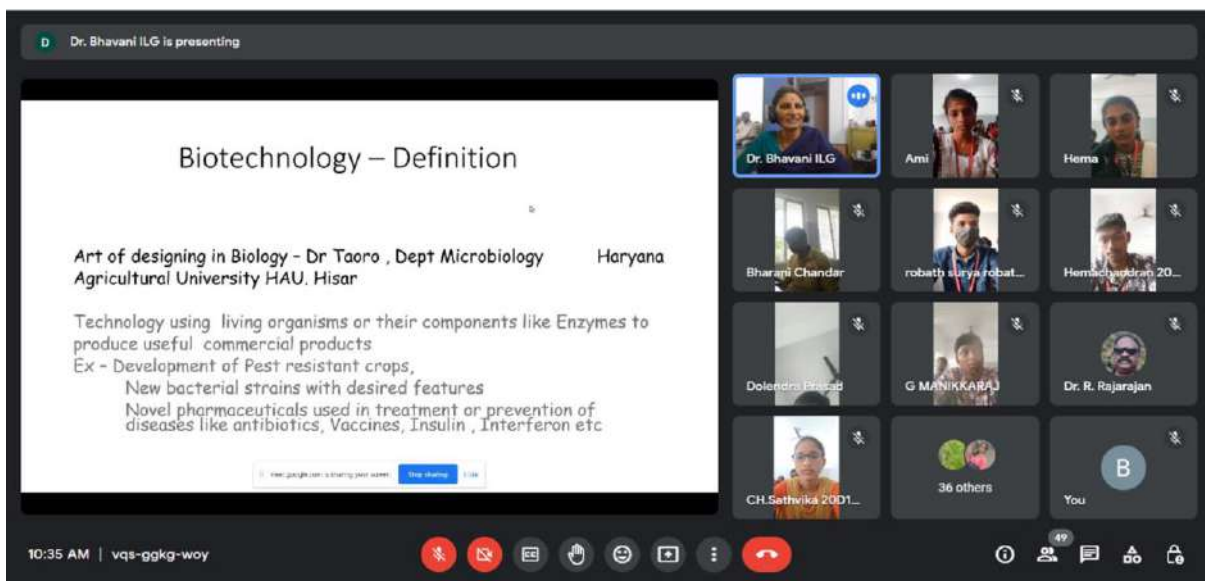

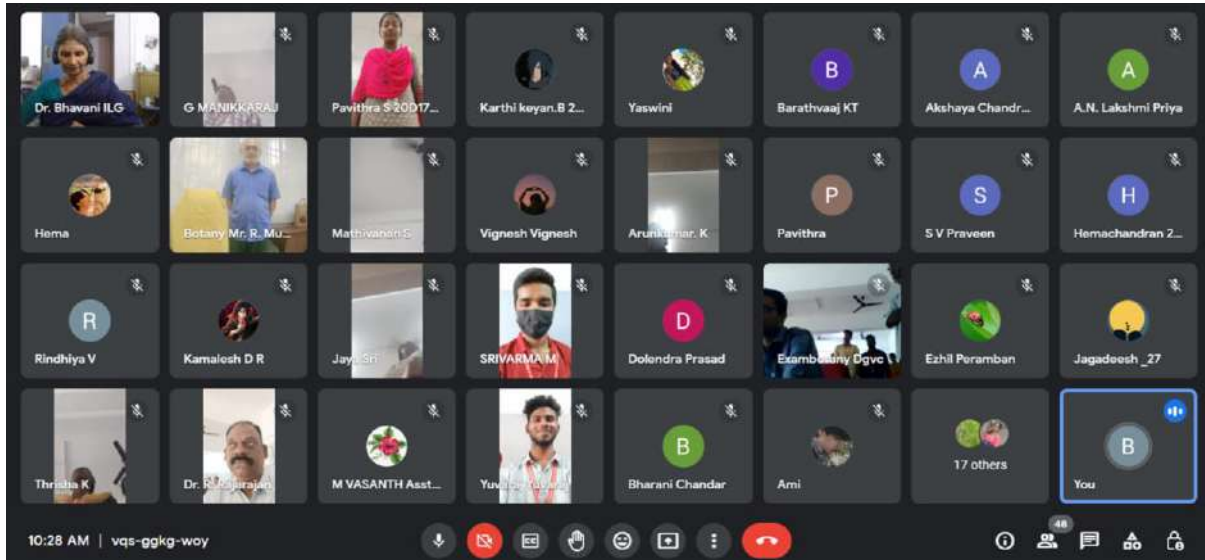

Students were enriched with various aspects of Biotechnology. Students were also made aware about the job opportunities in the field of Biotechnology.

11. Detailed Report of the Programme:

On 8th February 2023, our department associated with the Enviro club conducted a seminar on, “Is Botany relevant now?” by Dr.Narasimhan, Taxonomist. He joined us as a resource person. The program started at 10 am with a welcome address. More than 100 students from our department had taken part along with the faculty members. The seminar solely focussed on the myths behind botanists and the problems faced by the botanists in society. It also contributes to the eradication of stereotyped activities from society. The speaker urged the need for changes in academics and the cosmetic nature of the syllabus. He also addressed the plant blindness revolving around the botanists. He also stated the commands of botany, “Update, Integrate, Collaborate”. The program ended at 1.30 pm with a question and answer and a feedback session.

12. Outcome of the programme/event

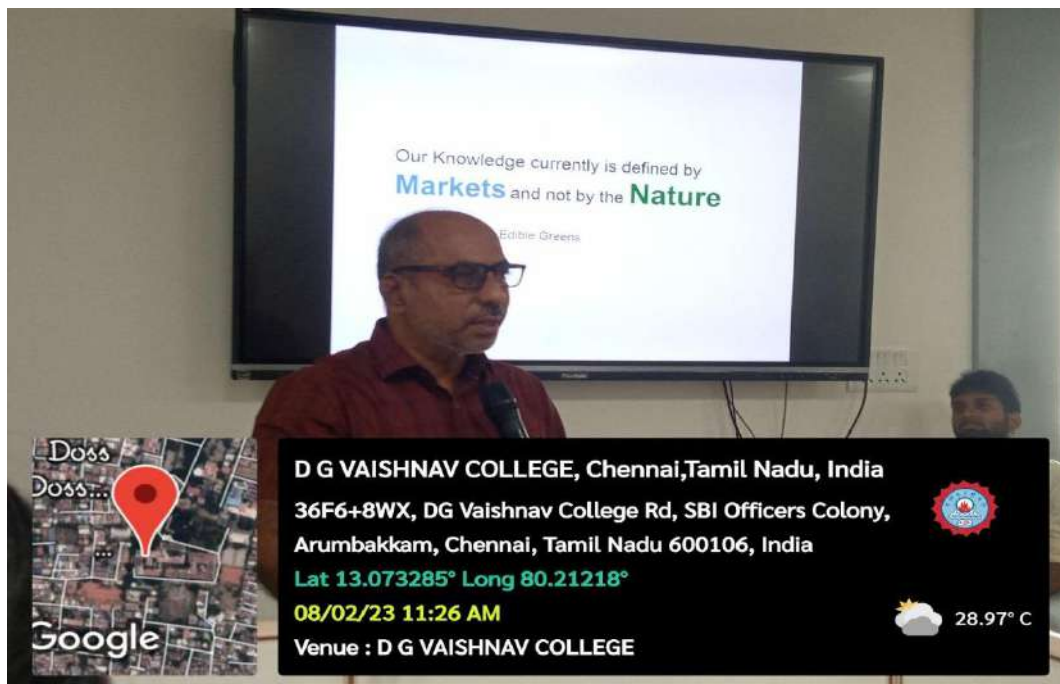

Importance of botany was stressed throughout the talk, and without this subject other subjects would lose their importance.

ON 31st January, 2023 @ 11.30 AM
VENUE: Seminar Hall 1 & 2 – Main Building

CHIEF GUESTS

Mr. Richardson Lawrance,
Batch: 2018 – 2020
Doctoral Research Fellow- Department of
Materials Science and Engineering,
National Yang Ming Chiao Tung University,
Hsinchu city, Taiwan.

Dr. V. Subha,
Batch: 2000 - 2002
Assistant Professor in Chemistry,
Department of Science and Humanities,
R.M.D Engineering College.

INVOCATION

WELCOME ADDRESS: **Dr. K. PREMALATHA,**
Associate Professor & Head,
Department of Chemistry.

PRESIDENTIAL ADDRESS : **Dr. S. SANTHOSH BABOO,**
Principal.

INTRODUCTION OF THE CHIEF GUEST : **Dr. V. SHYAMALA DEVI,**
Assistant Professor,
Department of Chemistry.

LECTURE SERIES 3 :

Session 1
'NEAR INFRA RED FLUOROPHORES
FOR BIO-MEDICAL IMAGING AND
SENSING.'
'WHAT CAN I DO WITH A
CHEMISTRY DEGREE?'

MR. RICHARDSON LAWRENCE,
Doctoral Research Fellow- Department of
Materials Science and Engineering,
National Yang Ming Chiao Tung University,
Hsinchu city, Taiwan.

Session 2
'THE CHE(MYSTERY) BEHIND
SHAMPOOS'

Dr. V. SUBHA,
Assistant Professor in Chemistry,
Department of Science and Humanities,
R.M.D Engineering College.

VOTE OF THANKS : **Ms. B. LAVANYA,**
II M.Sc., Chemistry,
Student Secretary,
DGVC Chemical Society.

Topic	1.“Near Infra Red Fluorophores for Bio-medical Imaging and Sensing” & “What can I do with a Chemistry Degree?” 2.”The Che(mystery) behind Shampoos”

Report:

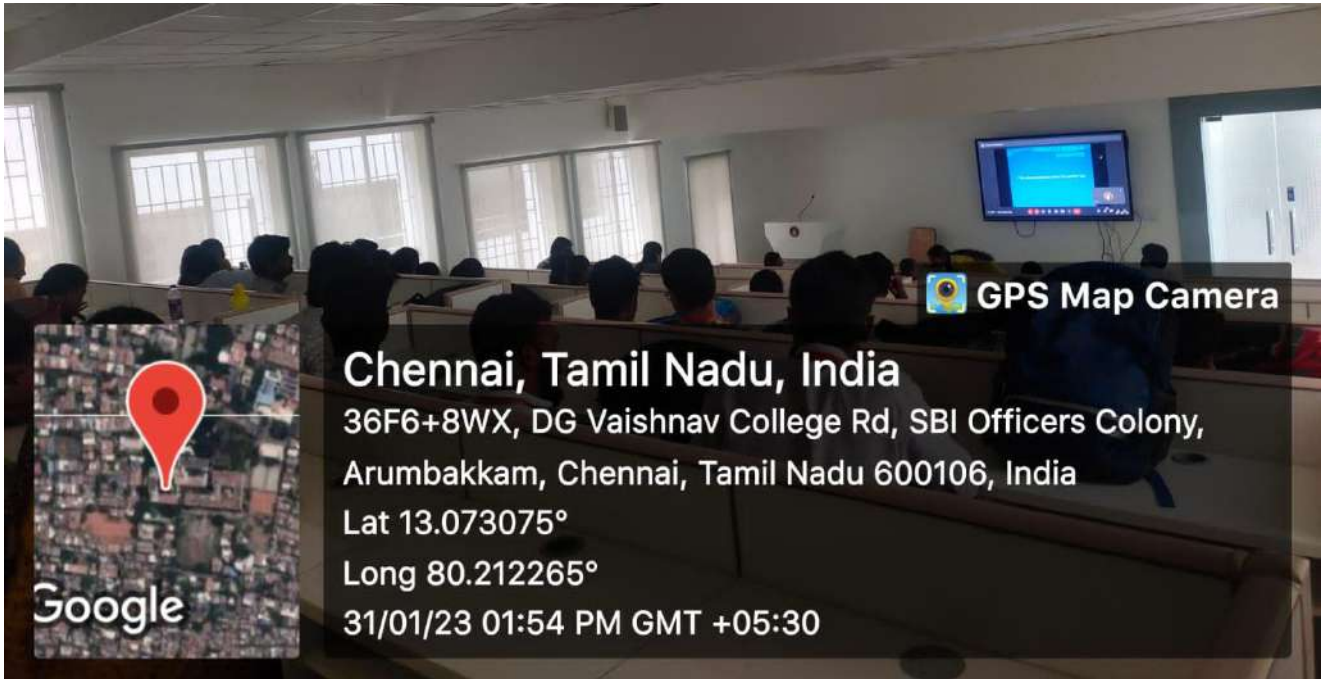

The inaugural session of the event, 'Inspiring Alumni' was conducted virtually on 31st January, 2023 at 11.30 AM through the google meet link in seminar hall 1 and 2 – Main building. The program commenced with the invocation followed by the welcome address delivered by Dr. K Premalatha, Associate Professor & Head of the Department. The Introduction of the Chief Guest was given by Dr. V Shyamala Devi, Assistant Professor, Department of Chemistry. The students (UG & PG) were addressed by our alumnus and the Chief Guest, Mr. Richardson Lawrance, Doctoral Research fellow, Dept of Materials Science and Engineering, National yang Ming chiao University, Hsinchu city, Taiwan in Session1. The session was started with the topic 'Near Infra Red Fluorophores for Bio-medical Imaging and Sensing' and continued in detail about his research work in an interesting way and ended the session with the topic 'What can I do with a Chemistry Degree?'. In session 2, our alumnus and Chief guest, Dr. V. Subha, Asst.Professor in chemistry, Dept of Science and Humanities, R.M.D Engineering College, shared enormous information about Shampoo under the topic 'The Che(mystery) behind Shampoos' and guided us to maintain a healthy hair. The vote of thanks for the session was proposed by Ms. B Lavanya, IInd M.Sc., Chemistry, Student Secretary of DGVC Chemical Society.

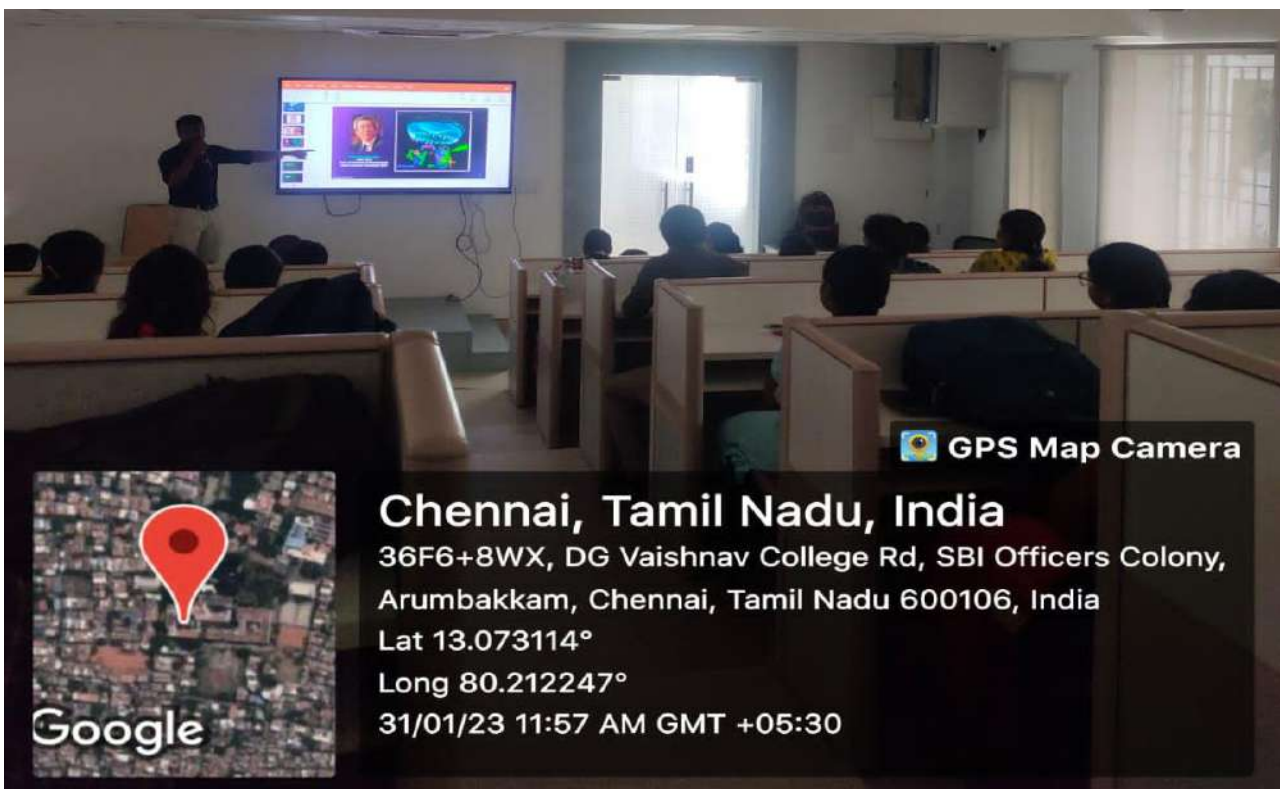

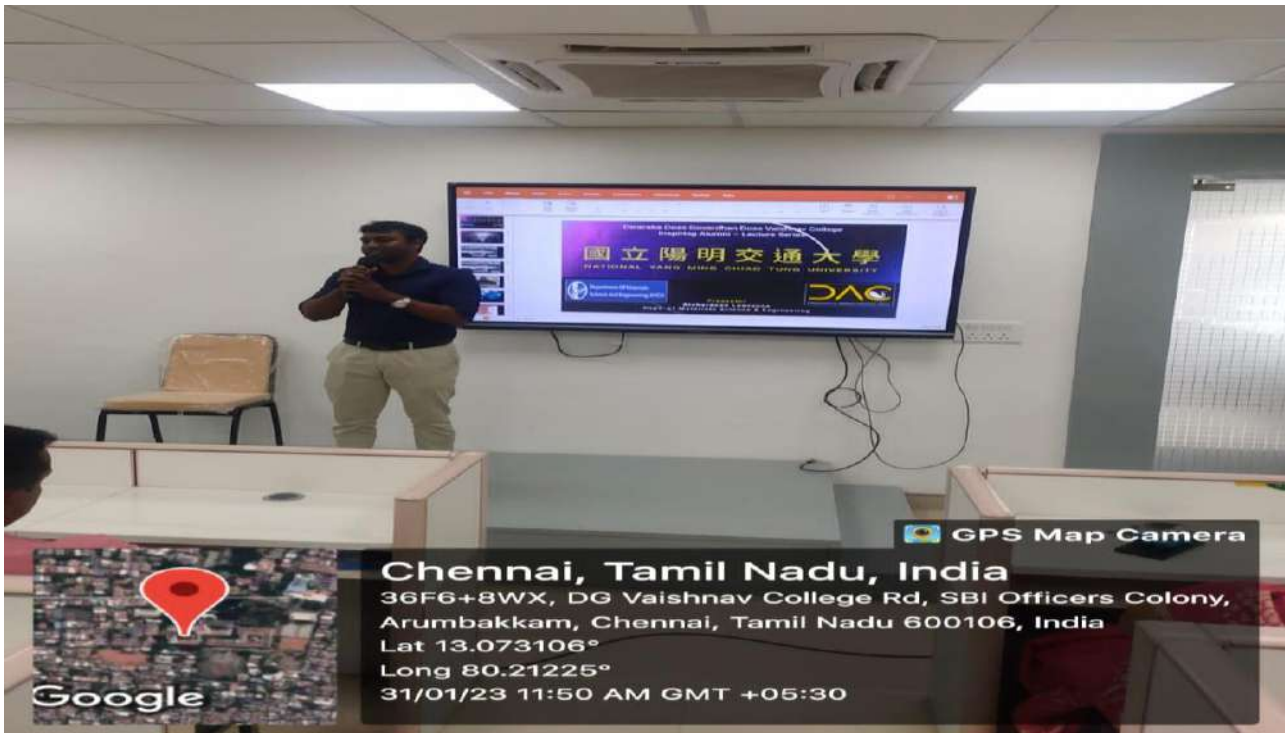

Outcome of the program:

- The event aided the students to gain exposure and knowledge about a different field of chemistry and its Bio-medical applications.
- The event provided a platform for the students to interact with an eminent alumnus of our college.
- The knowledge gained through this event will definitely help the students to view the day-to-day used products from a chemist perspective.
- This event has created awareness and inculcated interest among the students towards research.

Detailed Report of the Program:

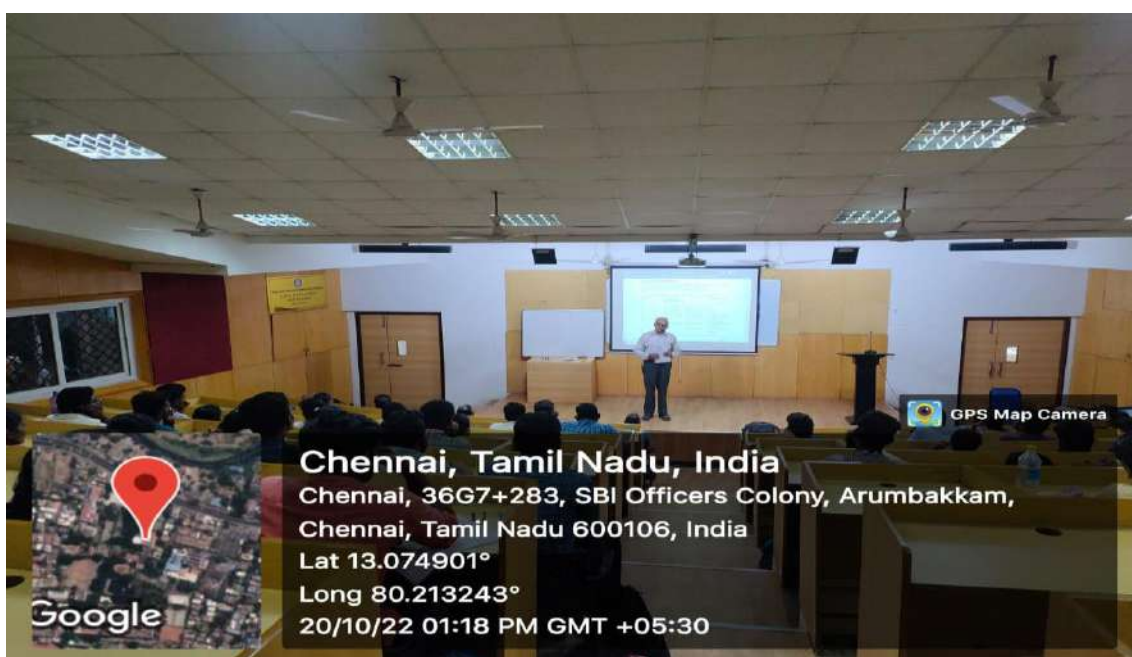

The Inauguration of the **National Level CSIR-JRF/NET Workshop on Chemical Sciences** was conducted on 19th October 2022 at 9.00 AM in Gyan Darshan. The program commenced with the invocation followed by the welcome address delivered by Dr.K.Premalatha, Associate Professor & Head of the Department. The Presidential address was given by our Principal, Dr.S.Santhosh Baboo. The Introduction of the Chief Guest was given by Dr.V.Shyamala Devi, Assistant Professor, Department of Chemistry followed by the inaugural address by the Chief guest, Dr. K.S.Viswanathan, Retired Professor, Department of Chemistry, IISER Mohali, Visiting Professor, Krea University. The DAY 1- SESSION 1 on the topic **GROUP THEORY** was taken over by **Dr.K.S.Viswanathan** who explained the complex concepts of group theory in a more simpler manner. Dr.R.Vasanthi, Assistant Professor, Secretary of DGVC Chemical Society, thanked the Speaker of the session. The Introduction of the speaker of the next session was given by Mr.V.Rajagopalan, Assistant Professor, Department of Chemistry. The SESSION 2 was taken over by **Dr.S.R.Bheeter** on the topic **ELECTRONIC SPECTROSCOPY OF COMPLEXES** in a problem solving approach and he continued on DAY 2 - SESSION 3 on the topic **NMR SPECTROSCOPY OF INORGANIC COMPOUNDS** and had a discussion on the previous year questions. The vote of thanks for the session was delivered by Mr.V.Rajagopalan, Assistant Professor, Department of Chemistry. The speaker of the next session was introduced by Dr.L.Sowbagya Lakshmi Prabha, Assistant Professor, Department of Chemistry. The SESSION 4 was taken over by **Mr.S.Srivathsan** on the topic **METAL CLUSTERS** which covered various concepts like wade's rule and isolobal analogy. The speaker of the session was thanked by Ms.Vedavalli R, student of II M.Sc., Chemistry. The DAY 3 - SESSION 5 was handled by **Dr.K.S.Viswanathan** on the topic **BASICS OF SPECTROSCOPY**, followed by the vote of thanks for the session delivered by Dr.M.Vanjinathan, Assistant Professor, Department of Chemistry. The introduction of the speaker of the next session was given by Dr.L.Sowbagya Lakshmi Prabha, Assistant Professor, Department of Chemistry. The SESSION 6 was taken over by **Dr.S.Swarnalakshmi** on the topic **ORGANIC SPECTROSCOPY PROBLEMS** under which she discussed several problems involving conjoint spectroscopy. The Valedictory session was commenced with the invocation followed by the welcome address delivered by Dr.K.Premalatha, Associate Professor & Head of the Department. The Report of the workshop was given by Dr.R.Kumaran, Assistant Professor, Department of Chemistry. The Valedictory

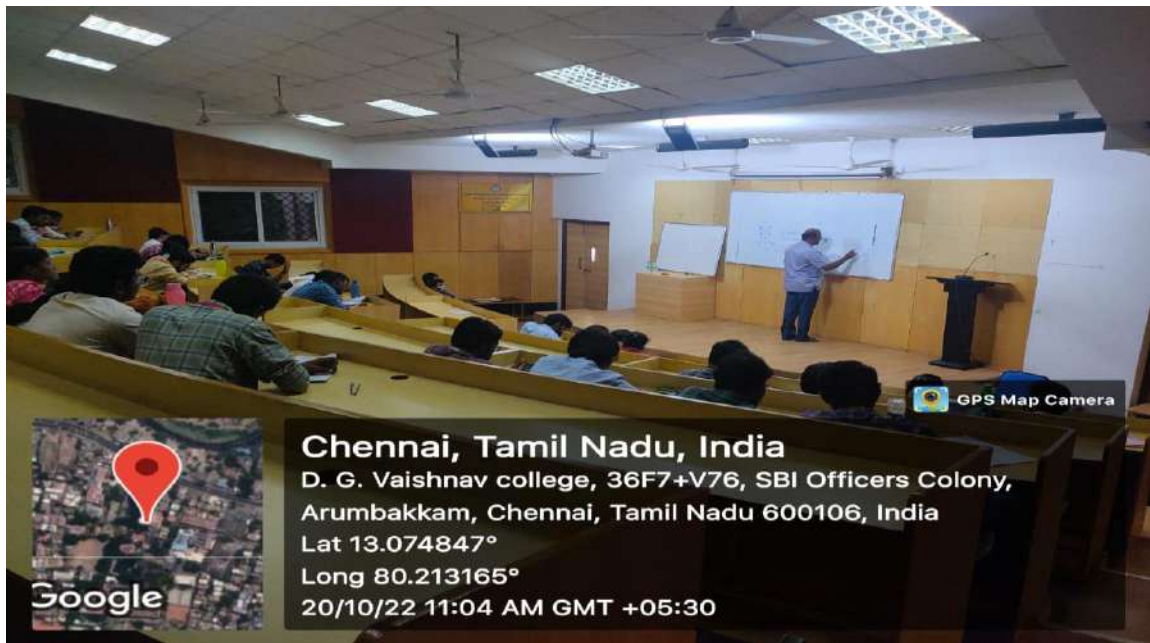

address was delivered by Dr.S.Swarnalakshmi, Retired professor, Guru Nanak College. Then the participants shared their feedback on the workshop. The vote of thanks for the session was proposed by Ms. B Lavanya, II M.Sc., Chemistry, Student Secretary of DGVC Chemical Society.

Outcome of the program:

- The workshop aided the students in understanding and learning different ways of approaching and solving problems with the concepts involved.
- The knowledge gained through this workshop will definitely help the students to crack the CSIR-JRF/NET Examination.
- This workshop has created awareness and inculcated interest among the students towards research.

REPORT

The session on Career guidance was organised by the Department of Commerce (Shift-I) in order to create awareness among the participants that Under graduation in Commerce is a promising field with huge range of opportunities. One of the advantage about career in commerce is that, regardless of size and scale, all organizations are required to keep track of their finances, transactions and budgets, as well as maintain and issue accounts, all of which require accountants. In the current scenario the students have lot of options to choose from- consisting of Entrepreneurship, Professional Courses, Banking, Insurance, Finance and so on. According to the speaker, in order to address the need of talented managers in the industry, taking up a MBA will make wonders in career. With the increasing demand from the industry, there is a huge transformation in the way an individual is trained for the corporate environment. He also sited that there are plenty of premier institutions, offering MBA with very attractive pay. The speaker also threw light on dates, deadlines and entrance examinations that a candidate should appear for getting admissions in premier institutions.

REPORT:

The Post Graduate Department of Commerce is offering a knowledge on BLOCK CHAIN OPPORTUNITIES FOR FINANCE PROFESSIONALS for the students of III-B.Com & I-M.Com. The program started with Tamil Thai Vazhthu and college prayer followed by vedha gosham. After the welcome speech and felicitation there was a speech by the Head of the Department on addressing the gathering.

Then our principal CAPTAIN Dr.S.Santhosh Baboo sir, shared his thoughts and the benefits on the BLOCK CHAIN.

Then Youvaraj sir told about what is block chain, how to track and trade on block chain, why we need block chain, what is hashing & techniques, mysteries and merits of block chain, what is coin base, etc.,.

A block chain is a type of distributed database or ledger. One of today's top tech trends, which means the power to update a block chain is distributed between the nodes, or participants, of a public or private computer network. This is known as distributed ledger.

Block chain is a shared, immutable ledger that facilitates the process of recording transactions and tracking assets in business network. The goals of block chain is to allow digital informations to be recorded and distributed, but not edited. In this way, a block chain is the foundation for immutable ledger, or records of transactions that cannot not be altered, deleted, or destroyed.

Benefits of Block Chain:

- * Enhanced security. Your data is sensitive and crucial, and blockchain can significantly change how your critical information is viewed
- * Greater transparency
- * Instant traceability
- * Increased efficiency and speed
- * Automation

11. Detailed Report of the Event

“PROFESSIONAL CAREER TRAINING PROGRAM (PG)”

The UG & PG Department of Computer Science conducted a “**Professional Career Training Program**” for PG students on 25/04/2023, 27/03/2023 and 28/03/2023. The Program was divided into Technical and Non – Technical sessions.

The **Technical session** was conducted on **25th of March 2023** through Gmeet between 9:30 AM to 1:30 PM. Ms. P.Suganya, Head, Department of Computer Science (UG & PG), welcomed resource persons and the participants. The Resource Person gave brief explanation about the concepts of Advanced java – EJB, Hibernate, Spring and Java Mail and hands on training was also given for the welfare of the students.

The **Non – Technical session** was conducted on **27th and 28th March 2023** through offline mode at M.Sc. CS Lab, Second Floor, Krishna Block between 9:30 AM to 1:30 PM. Ms. S. Reenu Priya welcomed the resource person. The Resource person for the non technical session gave a clear and good training on the aptitudes that are necessary for the placements for students. The session gave the students a clear idea of the concepts asked in the aptitude exams and many time saving short cut methods were taught in the session.

12. Outcome of the Programme/Event

The Feedback of the Training Program was obtained from the participants. The Session went on successfully with more participants and with good comments as feedback. The responses of the participants were so good. The main goal to conduct this Training Program is to enhance the knowledge about EJB, hibernate, Spring and Java Mail so that students are capable to deploy a project using the concepts on their own and also the non – technical session was to make the students get a clear knowledge on the type of questions asked and how to solve them so that they can clear the aptitude round in their placements.

Report for the Programme:

A seminar on “How to crack Interviews” was held on 6th of march, 2023 by the department of Corporate Secretaryship (Shift II), Dwaraka Doss Goverdhan Doss Vaishnav college, Arumbakkam, Chennai.

He added that it was also a good idea to disclose our strengths and weaknesses to the interviewer as it will evidently tell them the interviewee knows themselves. He went on to talk about hobbies, which is something people do in their leisure time for relaxation purpose where as interests is something people spend time and money for skill development purpose. He made sure that the audience understands this as many people confuse between the above mentioned terms. He also added that it is mandatory to attend interviews in an open minded state.

He insisted not to have any look of disapproval if the interview takes a bad turn, and take the rejection as an experience. He also explained how crucial it so be well dressed and punctual, adding the phrase “First impression is the best impression”. He ended his resourceful session with a quote, “There are two things people get to choose in their life, one is their life partner and the other is their career

Outcome for the Programme:

The session overall was interesting, informative and valuable. All thanks to his attractive and wonderful speech, the audience was lively and interactive. The tips proposed by him will be definitely useful in cracking interviews and boosting confidence in the audience.

Report for the Programme:

A Career Guidance Program on “**Igniting the Young minds for their bright future and Certificate distribution of value added courses**” was held on 11th of March 2023 by the Department of Corporate Secretaryship (Shift II), Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai.

A successful event was conducted on 11th march 2023 at 11:00am in Dwaraka auditorium, having prof. G.Gnanasambandam Professor, Actor, Tamil scholar, Pattimandram host. The vision of the event is to felicitate the students for their value added (certificate) course. The outcome of this course is to expertise the students on the grounds of Banking and Finance. The dignitaries inaugurated the Career Guidance Program by lighting the lamp. Dr.Balaji Iyer, Founder, INFAC PRO TRAINERS (OPC) pvt.ltd, addressed the audience. Also, stated this course will be a knowledgeable one to crack the interviews and also will help to enlightened on BFSI sector.

Our chief guest multifaceted person, Dr.G.Gnanasambandam rendered his speech emphasizing on developing the culture. As it is to be inculcated instead of learning. He mentioned that culture is directly connected with career development through interesting incidents from renowned personalities. His flavour of Tamil pattimandram speech obviously attracted the audience. He nailed regarding his 30 years struggle to acquire this position. He stated that wisdom is the power to overcome all the hurdles in life. Likewise, he added to keep on pace with AI as it may be the ruling power in the future. Furthermore, he concluded his memorable speech by advising us to be genuine and hardworking to get succeed in the career.

Outcome for the Programme:

After his speech the certificate were given to the students for the excellence. The famous news channels came to our event to interview Dr.Gnanyasambandham sir. Overall from the program we learned how to cope up with the tech era and how to skill up our self. The program was very interesting we learned a lot of inspiring and knowledgeable things from the speakers.

REPORT

The Department of Corporate Secretaryship (Shift II) and Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai, in association with Infact Pro Trainers Pvt Ltd Chennai organized a seminar on February 03, 2023, entitled “Career Guidance for Youngsters in shaping their minds”. The seminar was addressed by Mr. M. SETHA SAI, Honorary Consul General, Republic of Seychelles.

Distinguished Principal Dr. S. Santhosh Baboo, Secretary Shri. Ashok Kumar Mundra, Dr. V. Balaji Iyer, and Dr. A. Karthik, Head-in-Charge department of Corporate Secretaryship

shift II, acknowledged the student participants. Faculty members and students coordinators assisted with the event and contributed to its grand success.

Also noteworthy are the sincere efforts made by the corporate secretaryship shift-II department to sign an agreement/MOU with Infact Pro Trainers Pvt Ltd. The department organised the value-added certificate course "Accounting Process & Latest Accounting Technology" batch 2020, which was successfully completed. Upon successfully completing their course, students were given certificates. Furthermore, the department opened up its value-added certificate programmes to first- and second-year students. Certificate in Banking and Finance and Certificate in Financial Markets are the courses. By encouraging students to seek higher education, developing their entrepreneurial abilities, and enhancing their employment chances, value added programmes are created and delivered by professionals in the field.

His Excellency Mr. SETHA SAI, the special guest for the event, shared a constructive conversation with the students about the value of life. He also briefed them on the topics of strong, think, positive, love, empathy, happiness, and life cycle. He also discussed on ecological issues and organic farming which had an effect on the students and ignited a spark in their minds.. His presentation enabled the students grasp the fundamental responsibilities of life and career.

Overall, the session was interesting, and it was obvious that the Seminar tried to engage the students as well as provided guidance for their future endeavours.

REPORT OF THE EVENT:

The Literary Debating Society of the department of English (Shift II), conducted a skill training programme titled 'How to Crack Interviews' on 17.10.22 at 11.30 am in Vallabhacharya Auditorium. The seminar was attended by 193 students and 26 faculty members, with much enthusiasm and ardour. Mr. P. Raja Venkatesh, soft skills trainer, NPTEL, IIT Madras, was the resource person. The programme was organised to aid the students in enhancing and incorporating the necessary skillsets to approach different types of interviews. Mr. Venkatesh commenced the session by reminiscing on a few inspiring experiences that transpired during his mock interview sessions. The anecdotes emphasised on the fact that breaking one's comfort zone is the first course of action towards achieving one's goal. Mr. Venkatesh pointed out that the insights and mettle gained through experiences and exposure to new environments can surpass any lack of expertise. He held a more practical approach as he stressed on the need to be proficient in academics and develop one's skills, as moving out of one's comfort zone alone cannot fetch a job. Mr. Venkatesh made a video demonstration to highlight the importance of consistency in order to thrive in the job market.

Mr. Venkatesh reiterated on the significance of networking as a proactive approach to land oneself in a job interview. He alluded to the famous saying "If you measure it, you will achieve it" to explain how one can break down a huge goal and achieve it in parts. He stressed on the importance of attending an effective guest lecture and the necessity to maintain a record of the information gathered. He urged the students to set an action plan and connect with the resource person on platforms like LinkedIn, to increase the chances of gaining contacts relevant to one's area of interest. Through this, he touched upon the various opportunities that await in the realm of social media networking. He then put forth the basic interview checklist necessary to prepare oneself, prior to an interview. He enlightened on the significance of conducting a thorough research on the company, interview processes and having a well drafted resume that speaks for oneself. Mr. Venkatesh transformed the session into a lively and dynamic discussion, as he asked the students to come up with a self-analysis that would benefit them as they pursue their dream job. He also guided them to analyse themselves better with the help of the SWOT (Strength, Weakness, Opportunities, and threats) analysis pattern. Rather than approaching the session from a monotonous and theoretical perspective, Mr. Venkatesh made the session highly beneficial to the students by providing them various job requirements ranging from IIT to IBM, and motivating them to apply to their relevant fields. Mr. Venkatesh urged the students to mail the report of the programme along with their interview checklists, as a means to motivate and prepare them for the future prospects across various employment sectors.

OUTCOME:

The students were highly benefitted by the programme, as it enriched them with the necessary skills and competency required to crack any challenging interview. The session proved to be insightful as it enlightened the students on using one's networking skills to find more relevant opportunities. The students were able to list out their priorities and differentiate between long-term and short-term goals. The session introduced the students to a wide range of possibilities in the employment sector, the strategies and skills necessary to conduct themselves in an interview and the practical measures to secure a position in their dream career.

Institution's Innovation Council's Start-up cell conducted a workshop on "Accelerators/Incubation- Opportunities for Students &Faculties-Early-Stage Entrepreneurs" at the Main block Seminar hall. Mr. Balajee, Assistant Director (Economic Investigation) of MSME Developmental Institution, Chennai was the Resource person of the event.

The session started at 11.30am with Mr.Balajee, with the question of "who wants to become an entrepreneur". He explained the 4 major industries: Food, Textile, Education and Health, which were the basic needs of the people that run the Indian economy. Then he explained the steps that have to be taken to kick-start a Startup company. It begins with a Business plan, Locality feasibility, Understanding the customers, Political influence and Regulations. These are the parameters to the checklist for assessment before the startup.

Mr. Balajee explained that the sources for the capital amount can be bank loan or government schemes. He said about the paper works needed for presenting the business plan in the bank for the loan. Then he explained various government schemes that provide some percentage of the eligible people who want to start a business enterprise.

Report:

A Seminar on “**Bootstrap: Startup for Attending Interviews**” was organized by the PG Department of Computer Applications (B.C.A & MSc.IT) on 27th July 2022 at 09:30 A.M, Shri Vallabhacharya Mini Auditorium. Mr..Prakash Rajasekar, Senior Manager , HCL Technologies being the resource person. The Principal, Dr.S.Santhosh Baboo has given the presidential address.

Dr.K.Angayarkkani, Head of the Department, addressed the gathering.

Insights of the Seminar

- The resource person delivered the invited talk on how to prepare for an interview and elaborated the expectations of the interviewer in the recruitment process.
- The resource person focused on the pre-interview process during which he explained about the pre-requisites needed for the interview.
- The resource person guided around the areas which is now in demand and resources to prepare for those fields.
- The resource person also stressed on the non-verbal cues and etiquettes that should be followed at the time of interview.
- Finally, the resource person concluded on how to achieve their goal and get placed successfully in their dream company.

After the successful completion of the core session, it was followed by the doubt clear session, where the resource person cleared all the queries raised by the students.

Students of our department gave the feedback for the session and proposed the vote of thanks.

Outcomes and objectives achieved

The entire session was very interesting for participants. As an outcome of this event the students will be able to deal with the challenges in acquiring their dream career.

Report:

The PG Department of Information Technology & B.C.A organized **Two Days Skill Development on “Council of Europe Framework (CEFR) and Aptitude”** for II and III year BCA students at Seminar Hall, Krishna Block on 19th & 20th January 2023 from 09:00 A.M to 01.30 P.M. The Skill Development Trainers were from Vee Dia, Veebros Global Publications private Limited, Chennai. They trained our students to develop their English by reading, writing, learning, listening & aptitude, Dr. S. Anitha, Assistant Professor delivered the welcome address, Dr. K. Angayarkkani, Head i/c of the Department, gave a gist about the skill development programme. Captain Dr. S. Santhosh Baboo, Principal, delivered the presidential address.

Insights of the Skill Development Programme

- On 9th & 10th January 2023, a prelim was conducted to test their level of communication.

Day 1

- How to set a goal?
- Steps to be followed to accomplish the goal?
- How to groom oneself?
- Introduction to the basics of spoken English.
- Improving one's own communication skills.

Day 2

- Preparing for aptitude test.
- Enhancing the Logical and Analytical reasoning skills of the students.
- Enriching the overall personality of the student.

After the successful completion of the core session then followed by the Questionnaire session, where the trainers cleared all the queries raised by the students. Students of our department gave the feedback for the session.

Outcomes and objectives achieved

The entire session was very interesting and informative to the students. As an outcome of this event, the students enhanced their communication skills and aptitude level thereby enabling them to face the interview with confidence.

11. Detailed report on the event:

The P.G Department of English inaugurated **ABL: Activity Based Learning- Enriching Competencies of English for students of BA and MA English**. The main objective of the ABL club is to enrich students in English Grammar, vocabulary and English skills. The event began with a motivational talk from Prof. Praveen Prabhu, Head I/C Department of BA and MA English. An interactive and fun ABL session was conducted on Interjections and its importance in everyday language. The session consisted of various activities using ICT tools including one warm-up activity followed by 'guess the emoticons', crossword puzzles, comic strips and other fun sessions for enhancing their learning in interjections. Similar ABL sessions will be conducted every month.

12. Outcomes of the workshop :

Students gained an understanding of the practical importance of English Competencies, the usage of interjections through fun learning and interactive sessions.

- There are two categories in industrial domain: Product Based and Service Based that work together with full stack development, UI/UX, Data Analysis, ML , blockchain, artificial intelligence, augmented reality, virtual reality and visualization technologies.
- The basic qualities that IT industry expects from a person to fit in any role are programming logic, data structures, comprehension, articulation & presentation and listening.
- He asked the students to enroll in certificate courses and hence got recognition, which is an important key to find the right domain to excel. He added that the certificate courses really add weightage to their resume.

Outcome of the event:

The students have gained a clear idea on how to build their career in trending domain according to the area of interest and how to fit themselves into the chosen domain for their sustainable career growth.

Detailed report of the program:

The PG & Research Department of Microbiology organized an event on “Webinar on Career Guidance – 2023”. The event started with the welcome note by Dr. P. Vidya, Head of the Department, Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai. The primary objective of the webinar is to provide information on the latest career trends and opportunities available in Microbiology fields. Mr. M. Gopi, Executive, Aurobindo Pharma Health Care Limited discussed the importance of microbiology in the industrial sector, particularly in the areas of food safety and pharmaceuticals. He emphasized the need for microbiologists to have a strong understanding of the regulatory guidelines and quality control measures in these industries. He also discussed the various career paths available in microbiology in the industrial sector, including research and development, product development, and quality assurance. He stressed the importance of gaining practical experience in the industry, either through internships or entry-level positions. He also encouraged them to develop soft skills such as communication, teamwork, and problem-solving, which are essential for success in the industry.

Outcome of the program: Overall, the webinar was informative and useful for students interested in pursuing a career in microbiology in the industrial sector. His insights and advice

Detailed report of the program:

The PG and Research Department of Microbiology organized a Career guidance program on “Self-development for successful career” on 17th March 2023. The program started with a welcome note by Dr. P. Vidya, Head of the Department, Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai. The highlight of the program was to educate students on improvising their skills and focus on their personality development to attend interviews. The first technical session was led by the resource person, Dr. K. Rao Prashanth Jyoty, Assistant Professor, BBA Department, Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai. He taught the students on how to prepare themselves for an interview - the dos and don'ts, the attire to wear, to build their communication skills and preparation for the interviews held in future. He explained the current interview procedures and now encouraged to learn more and build their skills for their profile. He concluded his speech by enlightening the students on how to avoid stress and shared some stress management tips. The students were interactive in the session by

FACULTY COORDINATOR: Ms. Divya

NO. OF PARTICIPANTS: Day 1 - 47 & Day 2 - 46

REPORT:

A workshop on basic counselling skills was organized by the department of psychology for the final year students of the psychology department on 07.11.2022 and 08.11.2022 in the psychology lab. The workshop was conducted by counselling psychologist Ms. Akanksha Tated Jain.

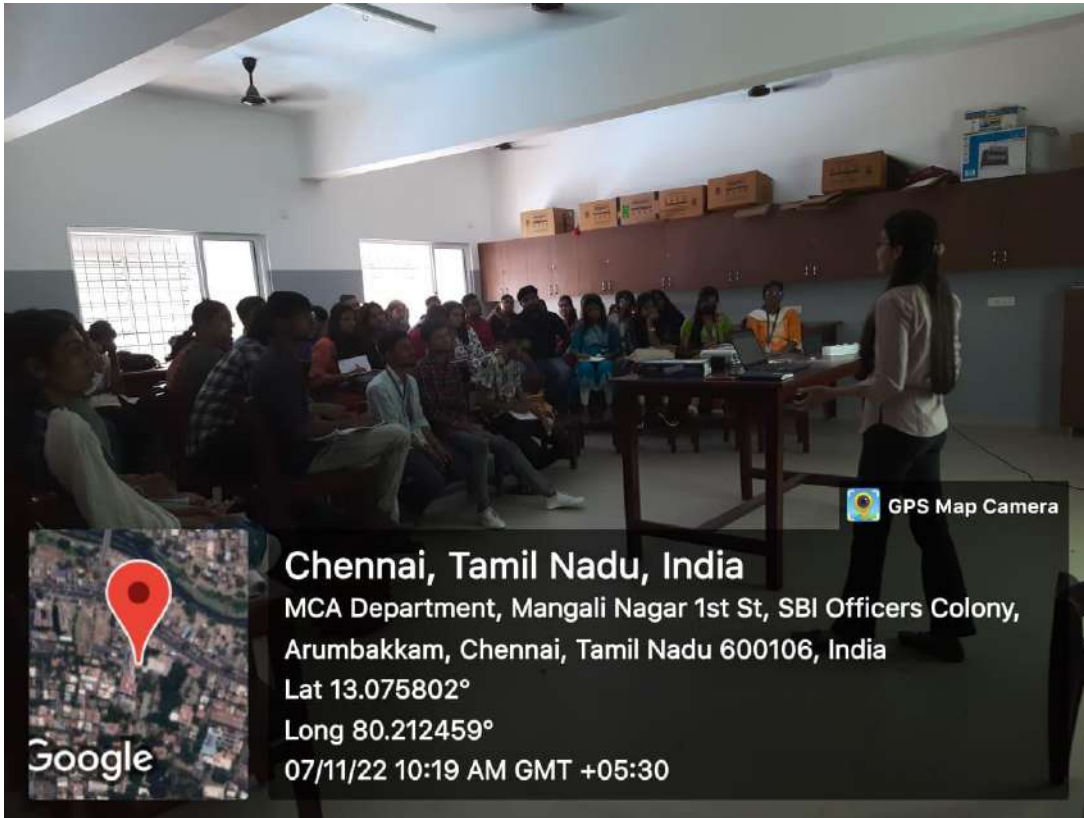

On the first day of the workshop, the resource person covered topics such as psychodynamic aspects of counselling, holding and containment, transference and countertransference, the rules to follow while setting up a practice for counselling and the verbal and non verbal cues to use during a counselling session. The students were given tasks to come forward in front of the room in groups of 3 - the talker, the listener and the observer, and the listener was asked to use all the appropriate verbal and non verbal cues while actively listening to the talker venting out.

On the second day, the resource person covered concepts such as how to end therapy on time, counselling as an ethical practice, ethical principles in counselling, virtues expressed as personal qualities in a therapist, ethical decision making, a step-by-step approach for dealing with counselling dilemma and the best course of action. At the end of day 2, the students were put in groups and each group was given a hypothetical situation related to counselling and they had to come up with the best course of action to deal with the situation.

The workshop enabled the students to be more interactive and productive. Activities were designed in a manner that it activated the creative side of every student. The resource person used a very practical approach to make the students grasp the concepts more effectively.

OUTCOME OF THE PROGRAM:

- To provide the students with the knowledge of the basic counselling skills.
- To enable the students to learn about various issues faced in counselling and how to tackle them.
- To familiarize students with the ethical principles followed in counselling.
- To enhance the knowledge of the students on the rules and regulations that are to be followed in counselling.
- To provide the students with the knowledge of choosing the best course of action for counselling clients.
- To engage the students in different interactive activities in which they were given hypothetical problems and they had to come up with solutions as a counsellor.

DETAILED REPORT

The Employability Skills Workshop was a one-day program on 17th February 2023. The Resource persons for this session were Mr. Newton Abraham, APT Training Resources, and Mr. Aravindh. This session started with the Master of Ceremony Ms. Sanjanaa Gopinath of 2nd Year MSW, followed by a Welcome Address by Ms. Shanthini. R of 2nd Year MSW and the Guest Profile Reading by Mr. Allwin. S of 2nd Year MSW.

The Resource person Mr. Newton Abraham started the session by questioning the students, What is the purpose of the program? and the students came up with different answers such as developing skills, Life skills, To learn something new, placement training, etc. Then he asked the students about their expectations of the job and salary package they expect and everyone came up with different answers. Then he asked the students to write what qualities they would look for in recruiting a car driver for themselves and all the students shared their expectations. He also asked the students to write what would a recruiter expect from them while hiring for a five lakh CTC job and he told them to give the paper to the near one and check which quality they possess.

Then he started his session with current trending topics such as moonlight, and layoff. Nowadays, why do IT companies terminate 1000 employees every 2-3 months? Layoff in IT companies and the reason behind it, The need for work, and what would be the situation if one is not willing to upgrade his/her knowledge according to the current trend. And he listed out the reason for the unemployment and they are as follow,

1. High population and high competition
2. Change of mentality
3. Lack of confidence and consistency
4. Not in expectation level for the job.

Then he shared a story to explain the scenario that life runs fast and everyone has to face the critical part of life at one stage so one has to be prepared at the earliest to gain confidence to handle the situation. Then he gave a small glimpse into the different stages of the interview such as RESUME SCREENING, APTITUDE, GROUP DISCUSSION, and FACE TO FACE INTERVIEW, Which most recruiters use as a process to hire the best candidate and

sort out the rest. Then he asked the students to do a self-analysis for themselves to know about themselves in detail.

The resource person gave a four-step process to be followed to improve communication skills.

- i. Write one page every day on your area of interest or passion.
- ii. Speak for two minutes on the topic and make a record of it and then make necessary corrections listening to the audio
- iii. Listen to something in your area of interest
- iv. Read out loud

The next topic provided guidance on preparing a resume. The resume should be crisp and short giving the best impression at first look and approximately an HR spend less than one minute seeing a resume. Then he gave guidelines on what are the questions to be answered in a resume to make a resume a complete one.

The resume should answer the following four questions:

1. Who are you?
2. What you have been doing(history)?
3. What do you want now?
4. What do you have?

The resume should contain only necessary details such as

- Name
- Mail. ID
- Photo
- Career Objectives (try framing your own objectives)
- Educational details (in chronological order)
- Skills
- Credentials
- Projects/Internships etc.

Guidelines were provided to write the Project section and they are as follows:

1. Title of the project

2. You need to tell the aim of the study
3. Get into the technical elements of the study
4. What did you do in the project

In the achievements section, certificates, seminars, and webinars can be added. In the resume instead of hobbies area of interest should be added. The area of interest must be in a sentence and related to the job description according to the company recruitment. No need for a declaration and reference. If multiple languages are known then one can add a language session else not mandatory three technical and Non-technical skills can be included in the resume. Objectives have to be changed according to the companies' Job descriptions. A resume should not run beyond one page and too much color need to be avoided.

Then the research person entered the aptitude section. Aptitude section questions will come from four topics.

1. Quantitative
2. Logical reasoning
3. Verbal
4. Technical

He told that verbal tests are conducted to check your English language.

He gave 20-words and asked the students to write the synonyms of the words starting with P for example

1. PICTURE – PHOTO
2. GOOD LOOKING – PRETTY

After the lunch break, once after recalling the previous session Ice breaking session started. And then he entered into the group discussion topic. The skills needed for the group discussion were communication skills, negotiation skills, and team skills. These skills were told by the students.

But the resource person pointed out some skills to be expected in the group discussion by the HR managers they are as follows.

- Communication.
- Your confidence.
- Initiative.

- Concluder.
- Observation Skills.
- Being a team player.
- Time efficient.

Then he discussed DO and DONT in the group discussion. The candidate should speak on relevant topics with relevant statistics, participate with the team, and maintain eye contact with all other candidates, a person opposes the response politely, oppose should be done only when u have relevant facts, do not speak repeatedly, you have to validate other points too, do not disrespect your team members, give space for your team members. The resource person concluded his session and the next hour was handed over to Mr. Aravind.

Mr. Aravind carried forward the session for the next one hour by providing techniques to solve certain speed maths sums and shared some questions being asked in the Ramco Cements interview and helped in solving the sums.

OUTCOME OF THE PROGRAM:

The workshop on employability skills was a very useful workshop for the students who are on the placement process and who are on the journey to face the placement process. The students got an insight into what the company expects from the new hires and how they should prepare themselves professionally for the placement drive.

The Resource person gave an overview of what is expected from the company's side and how a new hire should upgrade his/herself to face the competition. And then few guidelines were provided for the improvement of communication skills, how to work on creating a professional resume and the do's and don'ts of a Group discussion. Mr. Aravind in the next section provided some techniques to solve speed maths which would be helpful in clearing the aptitude section in an interview. Overall the workshop was a guiding path for the students in preparing themselves for the placement and future career steps.
