e-Governance Policy

Dwaraka Doss Goverdhan Doss Vaishnav College [DGVC] has been marching towards its vision of being a world class institution and is a preferred partner to both the industry and Community. The Institution has carved a niche position as a point of reference as well as a trend setter. Automation is indicative of the systematic procedures which are in place within the institution. On these lines, DGVC is committed to implement E-governance in its administration by:

1. Integrating the activities of the various departments and support operations which are currently having computerised database management and documentation systems.
2. Comprehensive implementation and swifter dissemination of information through departments / sections of the College viz. Academics, Administration, Finance & Accounts, Admissions, Examinations, Student Support and ultimately moving towards paperless office
3. Strengthening the internal Quality Assurance Cell (IQAC) and creating a centralised data management system to augment the Accreditation process and Rankings such as NAAC, NIRF, NBA and ISO.

OBJECTIVES:

- E-Governance strengthens the very fabric of democracy by ensuring greater student, staff and parent's participation at all levels of governance in the institution.
- It empowers students and parents to be updated on information relating to the college, courses, departmental initiatives and get involved in the process of decision making.
- Successful implementation of e-Governance practices to enable better delivery of services to students, improved interactions with other institutions nationally and globally, better management and coordination of all the operations of the institution, greater convenience, revenue growth and cost reduction.
- To foster transparency in governance and administration.
