## **REPORT**

The department of corporate Secretaryship shift -1 conducted a workshop on the topic “INTELLECTUAL PROPERTY RIGHTS “on Tuesday 3<sup>rd</sup> January 2023. The lecture was addressed by CMA. SrinivasaPrasad TCA. The speaker then took over the session and started off by diving right into the topic. He started the session by giving meaning of intellectual property which is as follows Intellectual property rights are the rights given to persons over the creations of their minds. They usually give the creator an exclusive right over the use of his/her creation for a certain period of time.

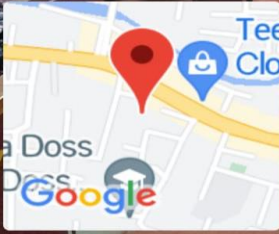

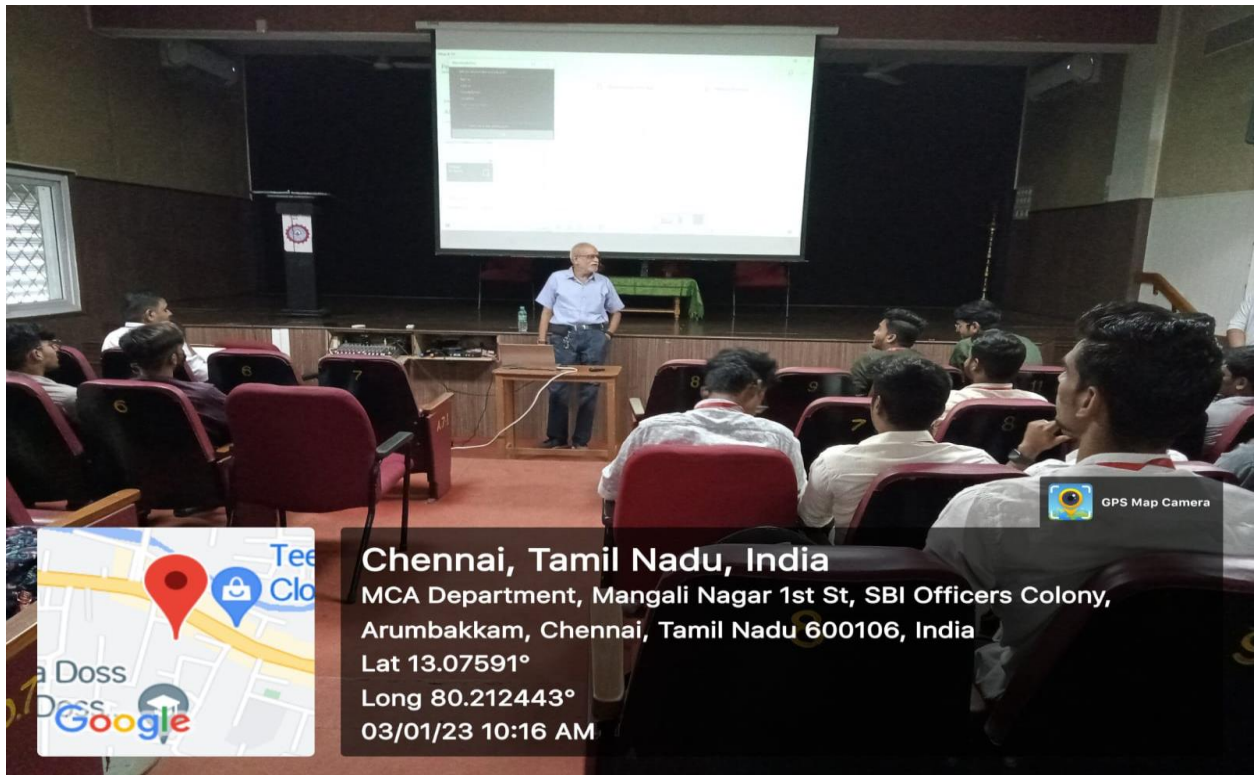

The Resource person mainly discussed on Importance and objectives of Intellectual Property Rights and also discussed on Copy Rights, Patents. Industrial Design, Trade Mark, Trade Secret, Protection of New Plant Varieties etc. Their lectures and presentation prepared by the resource person were very much attractive for participants.

After the intellectual property tool, he briefly explained the types of intellectual property rights and its benefits to colleges. He then explained the contribution of intellectual property rights to the ARIIA classification by considering the advantages of patent application over publication. According to 2020 report India was at 40<sup>th</sup> position among 53 economies.

The resource person said that insufficient awareness of intellectual property and lack of protection of intellectual property are the main limitations that appear in our system. He emphasized the importance and benefits of copyright and patents to intellectuals, researchers, students and institutions. He encouraged everyone to be creators and innovators and own their intellectual property rights.

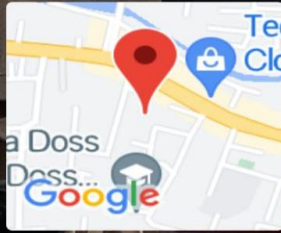

## **OUTCOME OF THE EVENT**

By this lecture the students had a better knowledge on intellectual property rights. The students found that the talk very informative. The objective of the webinar is to be aware of Intellectual Property Rights for the students. The audience members were rendered speechless with the knowledge provided to them, while the seminar proved to be helpful for the students. They had meaningful interaction with the resource person and were benefitted as well.

**Report:**

The resource person started the session by discussing the common functioning and explaining about patents, designs and copyrights. The speaker provided the students with an overview of the importance of obtaining and availing the benefits of patents and copyrights for recent inventions. Patents were depicted as a tool to protect an invention by a personnel. The speaker emphasised on the fact of protection and preservation of one's knowledge and that it can be obtained by Intellectual Property Rights. He highlighted on the importance of monopoly rights which can be obtained for unique creation of one's mind. The resource person concluded by saying that knowledge is also considered as a property and instigated the students to use and apply wisely in day-to-day operations.

**Outcome of the Program:**

- To provide the students with an awareness about the vital steps and procedures involved in the formulation of a patent.
- To enable the students to understand the creation of an invention as a strategic management framework.
- To enhance the knowledge of the students to help them in adapting to the flourishing world of advancements and creations.
- To guide the students with brainstorming of a creative and unique mindset, necessary for availing copyrights and patents.
- To enable the students to understand the importance of patents.
- To inculcate the value of rights for innovative creations and make students to gain knowledge about the intrinsic value of trade marks.
