Synergy 2023 was the dynamic change in the way we progress - marking its name in the unbroken series of 20 Years of togetherness - in Synergy. A month to prepare, 6 Venues to Manage, 16 Competitions over the Course of 2 Days divided 8 per day, more than 900 Participants, and close to 90 winners on the 20th and 21st February 2023 - all it took was 55 strong – a team of Business Administration Students Forum along with the guidance of Faculty coordinators – Dr K Rao Prashanth Jyoty and Prof. S. Rajeshwari - Synergy 23 was a spectacle to behold. The competitions ranged from Channel Surfing, Adzap and Potpourri in team participation to Biz Plan, Business Quiz and IPL Auction on management skills. A brutal show of grit and determination was put up by the participants, crossing the newly set benchmark of "flagged events" - winning which is required to make it to the Title Event - Mr. & Miss Synergy - a title only the best of the best can achieve and they definitely did. Synergy 23 was also attended by the students of the BBA department of Dwarka Doss Goverdhan Doss Vaishnav College. 10. Detailed Report of the Programme:

"A remarkable journey, cannot be defined by its destination, but by its experience". From an Unparalleled Era last year to the Year of Dreams. Synergy 2023 was the dynamic change in the way we progress - marking its name in the unbroken series of 20 Years of togetherness - in Synergy. A month to prepare, 6 Venues to Manage, 16 Competitions over the Course of 2 Days divided 8 per day, more than 900 Participants, and close to 90 winners on the 20th and 21st February 2023 - all it took was 55 strong – a team of Business Administration Students Forum along with the guidance of Faculty coordinators – Dr K Rao Prashanth Jyoty and Prof. S. Rajeshwari - Synergy 23 was a spectacle to behold. The competitions ranged from Channel Surfing, Adzap and Potpourri in team participation to Biz Plan, Business Quiz and IPL Auction on management skills. A brutal show of grit and determination was put up by the participants, crossing the newly set benchmark of "flagged events" - winning which is required to make it to the Title Event - Mr. & Miss Synergy - a title only the best of the best can achieve and they definitely did. Synergy 23 was also attended by the students of the BBA department of Dwarka Doss Goverdhan Doss Vaishnav College. The chief guest for the introductory session on 20th February - Mr Kiruba Shankar - a highly accomplished entrepreneur and the Chief Guest for the Valedictory session on the 21st Evening - Shakti Kumar sir - an acclaimed producer, added extravagant glory to the event as well. The overall declared Winners were Loyola college and Runners JBAS College. The event greatly impacted both the participants and the organizers as a time to reminisce.

Annual Report 2022 - 23

Honorable Secretary Shri Ashok Kumar Mundhra Ji and Treasurer Shri Ashok Kedia Ji Respected Principal Capt. Dr. S. Santhosh Baboo, Respected Sports Secretary Shri Hithesh Kanodia Ji, Convener Prof. J. P. Jaideep sir, and Sports Advisory Committee members, All Department HOD'S, Teaching and Non-Teaching Staff Members and my dear Students.

I am proud to state that sports and games have always been given due importance in our institution ever since the play field were developed Inter Nationals standard. Greater emphasis was given by the management for the holistic development of the students. Secretary Shri. Ashok Kumar Mundhra Ji, Treasurer Shri Ashok Kedia Ji and our college Principal Dr. S. Santhosh Baboo, give a further fillip to the momentum by forming a Sports Advisory Committee. All heads of departments, all coaches, old students and sports experts to explore the possibilities of constructing world class sports facilities namely, a multi-purpose Indoor stadium, an outdoor basketball enclave, an outdoor volleyball courts and to evolve a strong sports culture to multiply the students participation in sports and to form teams to win championships. Within a year, the system has yielded results beyond the expectations of the committee. Our college sportsmen and women started inscribing their names as well as our college's name in the competitions held in and outside the city of Chennai. This report will highlight the important events and the achievements of our students in sports during the academic year 2021-2022.

Achievement of our students:

The blue print of the sports activities for this year was prepared by our sports advisory committee at the beginning of the academic year. The management released the budgeted amount for each activity. I am proud to say from 2016 to 2023. 35 Players (Students) Appointed in Various Departments in India. i.e. Railways, Customs, ICF, MRC, Andhra Postal, Indian Air force, Services, Tamil Nadu Police and Forest Department.

Most of the medal winners were admitted through sports quota admission. These great achievements were possible due to the generous gesture of our Management and the true love for sportsmen who hail from poor families. We thankfully remember the services of coaches and clubs for their personal care on our sportsperson which led them to reach the greatest peak in their career. While appreciating our sportsperson, we also advise them to aim for greater glory and also bring talented sportspeople to our college through their personal association with other clubs and athletes. Only then, we could aim at continue winning the A.L. Athletic Meet team championship.

Our Management's support and the creation of a strong sports culture in our college has already attracted the attention of eminent coaches and they are now willing to admit their trainees to our college. It is a good sign to a soar to greater glory in the years to come.

Annual Sports Day

SPORTS FOR ALL STUDENTS

Our playfields were extensively utilized by our students of both morning and evening shifts under the direct guidance of the Director of Physical Education and coaches. College team members were given quality training for three months under eminent coaches before the season began. In order to give competitive experience and to develop friendship among students, we organized Inter Departmental tournaments with whole hearted support from the heads of departments and teaching staffs. The disciplined support of student leaders of each department has multiplied the participation of students. We organized 12 events for men and 10 events for women for both day and evening college students separately. There was a perfect cohesion and coordination between students, leaders and department of physical education which gave a professional touch to these sports activities. Conclusion:

My dear sportsperson, in the pursuit of attaining sporting excellence, winning and losing are common occurrences. The winner has to aim for greater glory. But a loser learns a lot of lessons to reorganize his approach and training. Perseverance and a warrior like attitude are the essence of attaining greatness in any area of life.

While you march towards your ultimate goal, many of you may not reach your goal, but the journey towards the set goals will give you memorable events and make you to learn the wisdom of life.

Let us all march together, hand in hand and shoulder to shoulder to attain our personal potential excellence and enjoy the joy of life.

The success of the Department of Physical Education is the result of team work of the management, students, coaches, sportsperson and student volunteers who played a vital role behind the screen.

The nucleus of our success is the Management, the protons and neutrons are the Principal, Teaching Faculty and Non -Teaching Staff. Every unit moved with similar wave length of enthusiasm and interest. This enabled us for this huge success glory.

I was extended support from all directions. It is a kind of demonstration of a strong work culture of this campus.

I thank god for giving me an opportunity to work in this great institution of intellectuals who are committed to upgrade the quality of life of the students.
