8. Detailed Report of the Programme:

A tally workshop was conducted for students of BBA Department. The workshop was aimed at introducing students to the basics of Tally software and its applications in accounting.

Workshop Content:

The workshop began with an introduction to Tally software, its history and its development. The trainer then explained the importance of Tally in accounting and its features, such as inventory management, billing, and financial statements.

The trainer went on to explain the various functions of Tally, such as creating ledgers, vouchers, and reports. The students were then given a practical demonstration of how to create ledgers, vouchers, and reports using Tally. The trainer explained the various types of ledgers and vouchers and how they are used in accounting.

Next, the trainer showed the students how to enter transactions and how to generate financial statements, such as a balance sheet and profit and loss account. The students were given an opportunity to practice creating transactions and generating reports using Tally.

The workshop concluded with a question and answer session, where the students had the opportunity to ask the trainer any questions they had about Tally software and its applications.

Conclusion:

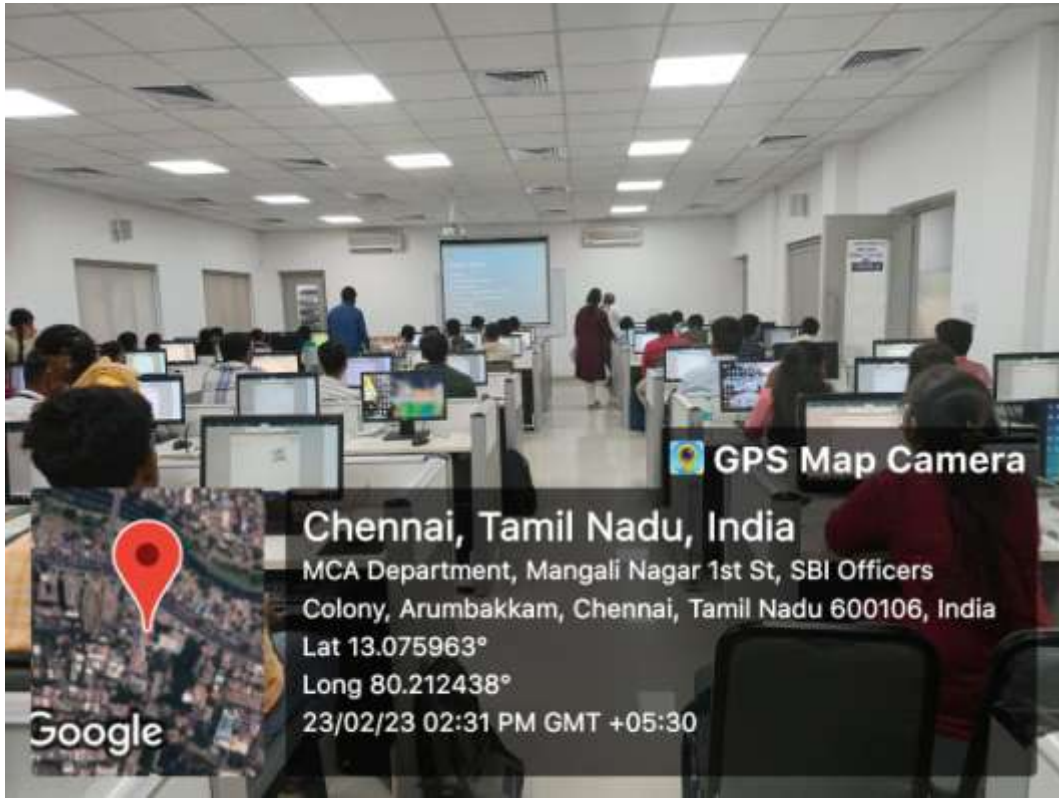

The Tally workshop for students was a success as the students were able to gain a basic understanding of the software and its applications in accounting. The trainer was able to explain the functions of Tally in a clear and concise manner, which made it easy for the students to follow. Overall, the workshop was informative and interactive, and the students were able to gain practical experience in using Tally software.

defaulters to recover loans. On the other hand he said that by passing writ petition the defaulters could protect themselves against this SARFESI Act. He stated, "getting a job is easy but getting a right job which suits you is very difficult " and hence he insisted the students to develop their knowledge and personality to make a successful career especially in the banking sector. The speaker was proficient in explaining the concept and answering the questions asked by the students.

### 12. Outcome of the program:

The session was highly informative and interactive and the students participated enthusiastically.

### **REPORT**

The department of corporate Secretaryship shift -1 organized a seminar on the topic **“Insolvency and Bankruptcy code, 2016”** on Thursday 6<sup>th</sup> October 2022 . Resource person Shri. CS.V. .Mahesh, Practicing Company Secretary & Insolvency Professional, commenced the session by giving legal definition of insolvency and bankruptcy followed by stating the provisions of the Act which governs the Insolvency and Bankruptcy Code, 2016 (the “IBC”), that was passed by Parliament and received Presidential assent on May 28, 2016. The speaker ventured into the nuances of IBC which seeks to consolidate the laws relating to insolvency and bankruptcy resolution for corporates, limited liability partnerships, partnership firms, individuals and other body corporates. The essence of the seminar included the Insolvency & Bankruptcy Code with a focus on the four basic terminologies namely operational creditors, financial creditors, corporate debtors, and committee of creditors. The speaker demonstrated various practical case studies and statistics on the various issues with bankruptcy & insolvency resolution proceedings in our country. The speaker shared his views on NCLT and NCLAT proceedings and highlighted the inordinate time delay in approval of resolution plans.

REPORT OF THE EVENT**

## **Department of Commerce (Honours)**

---

As per the customs of the department, the event was invoked with the blessings of lord almighty with the college prayer and Tamil Thai Vaazthu. Ms. Tejesve, creative head of Samvruth welcomed the Resource person and the enthusiastic audience for the event piled up today. The program was commenced with his basic note.

Ms. Krithika of second year was the emcee for the event and she formally introduced the resource person of the session, workshop director Ms. CA.S. Deephika, Workshop facilitators Ms. Cynthia, Mr. Amaresh Bhoopathi, Mr. Anish kumar. CNK associates.

Then, the main focus of the today's event was commenced. Ms. CA.S. Deephika addressed the participants on the theme "Excel workshop". They made us realize that Microsoft Excel enables users to identify trends and organize and sort data into meaningful categories.

Moreover, there are multiple tasks use of Excel that we do in our daily lives such as calculating monthly expenses, budgeting, goal setting and much more. 90% companies in MSME sector uses tally and excel for analyzing data. They started from the scratch, taught us about home tab, ribbon, different paste options (with and without border, transpose etc.), merge and center, converting rupee to dollar and much more. The students also learnt about conditional formatting which would be very important in a corporate environment.

After the event the forum was open for question and the workshop facilitators cleared their doubts then and there.

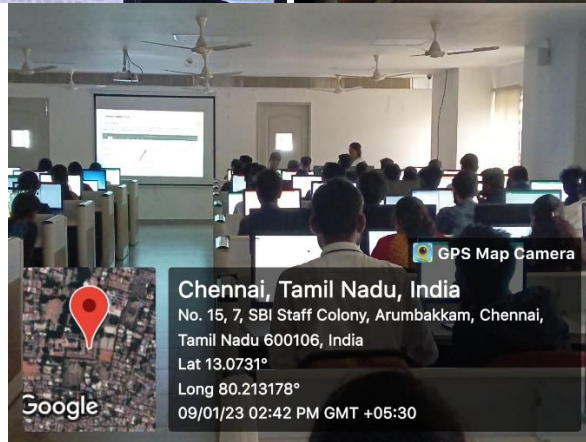

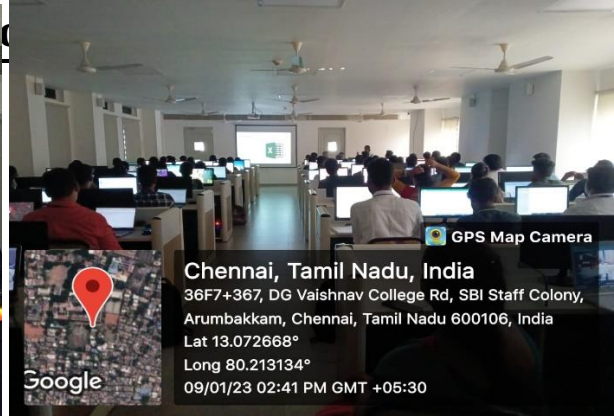

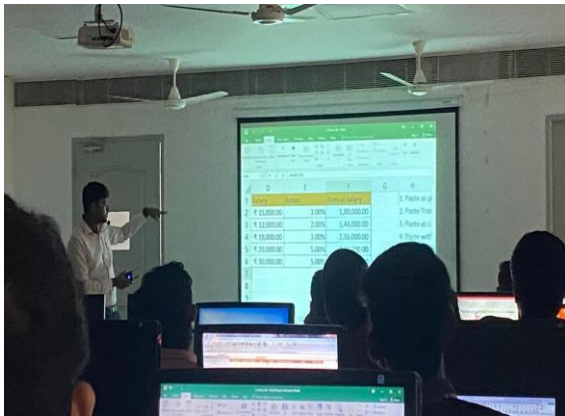

The event was concluded with the Vote of Thanks proposed by Ms. Aarthi, Creative head of Samvruth followed by National Anthem.

### **OUTCOME OF THE EVENT**

- The participants got to understand the importance of excel in this corporate world
- The Participants can able to formulate their career plan after acquiring a clear wisdom from this session

## **Report:**

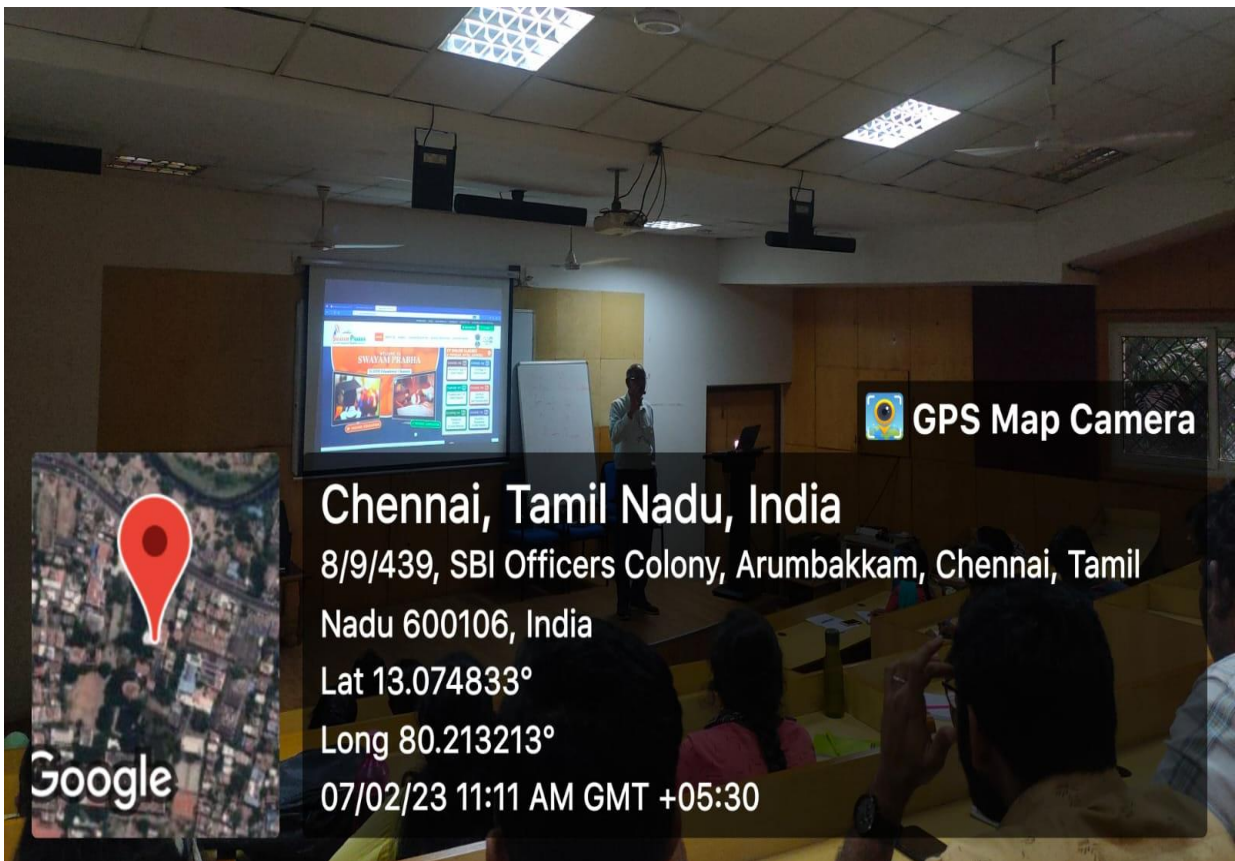

The inaugural session of the Guest Lecture was conducted on 07<sup>th</sup> February, 2023 at 9.00 AM at Gyan Darshan – MBA Block. The program commenced with the invocation followed by the welcome address delivered by Dr. K Premalatha, Associate Professor & Head of the Department. The Presidential address was given by Dr. S. Santhosh Baboo, Principal. The Introduction of the Chief Guest was given by Dr. R. Vasanthi, Assistant Professor, Secretary, DGVC Chemical Society. The session was started by our Chief Guest, Dr. Mangala Sunder Krishnan, Professor Emeritus, Department of Chemistry, IIT Madras on the topic ‘Molecular Spectroscopy’ where he briefed about the basic concepts in spectroscopy and also introduced us to many online learning platform. The vote of thanks for the session was proposed by Dr. C. Kavitha, Assistant Professor, Department of Chemistry.

## Outcome of the program:

- The event aided the students to gain knowledge about Molecular Spectroscopy and the concepts involved.
- This event has created awareness and inculcated interest among the students towards the field of Spectroscopy.
- In addition, the students were exposed to various online learning platforms in order to encourage self-learning.

### **Detailed report of the Program:**

The Inauguration of DGVC Chemical Society was organized on 26<sup>th</sup> August 2022 at 9.30am in Shri Vallabhacharya Auditorium. The program commenced with the invocation followed by the lighting of Kuthuvilakku. The Welcome Address was delivered by Dr.K.Premalatha, Associate Professor and the Head of the Department. Our principal Dr. S.Santhosh Baboo delivered the presidential address by motivating and congratulating the chemical society members and the Department of Chemistry. The Chemical Society Members were introduced by Dr. R.Vasanthi, Asst. Professor, Secretary of DGVC Chemical Society and the pledge was taken by the Society Members. The introduction of Chief Guest was given by Dr.C.Kavitha, Assistant Professor, Joint Secretary, DGVC Chemical Society. The Inaugural address was delivered by our Chief Guest Dr.N. Sivaraman, Director, Materials Chemistry & Metal fuel cycle group, Professor, HBNI-IGCAR Campus, Kalpakkam.

### **AKaAM Program:**

The AKaAM Program began with a brief introduction about Dr.N. Ramanathan, Head, Actinide Chemistry & Separation Science Section of Materials Chemistry & Metal fuel Cycle Group, IGCAR given by Dr.R.Mythili, Asst. Prof, Department Of Chemistry. Then the Demo Experiments were conducted by Dr.N. Sivaraman and Dr. N.Ramanathan. They Demonstrated few experiments like

Oscillatory reaction, Redox reaction etc., which kindled our knowledge and interest. The next session on 'EVOLUTION OF NUCLEAR ENERGY-INDIAN CONTEXT' was delivered by Dr. N.Ramanathan. The introduction of Dr.V.Jayaraman, AD, Fuels and Materials Chemistry Group & Dr.CVSB Rao, Head Solution Chemistry and Mass Spectrometry Section and Dean, Chemical Sciences, HBNI-IGCAR was given by Mr.A.Gopalakrishnan, Asst. Prof, Department Of Chemistry. Then Dr.V.Jayaraman spoke about the Career Opportunities in DAE which gave a lot of exposure about the opportunities available in the Nuclear field. Then Dr.CVSB Rao conducted an interactive session with the students which was useful and thought provoking.

The prizes were distributed to the Quiz Winners:

- First prize – S.Bhavani (3<sup>rd</sup> B.Sc. Chemistry)
- Second Prize – J.Sakthi Priya (2<sup>nd</sup> B.Sc. Chemistry)
- Third Prize – R.Savitha (3<sup>rd</sup> B.Sc. Chemistry)

The Special Prizes were awarded to the most interactive students to encourage them:

- H.Yogesh (2<sup>nd</sup> M.Sc Chemistry)
- P.Uma Devi (2<sup>nd</sup> M.Sc Chemistry)

Then Dr.V.Rajagopalan, Asst. Prof, Treasurer of DGVC Chemical Society proposed the Vote of Thanks.

### **Outcome of the program:**

- A best outreach for the students.
- The program was a great exposure for the students to nuclear energy and Career Opportunities in this field.
- The formation of the chemical society helps students to coordinate things, organize events and leads to team spirit development.

**Detailed report of the program:**

**Overview of the program:**

The PG Department of Biotechnology DDGDVC organized “Awareness Talk on Polycystic Ovarian Syndrome” on 13.09.2022 for the girl students of II M.Sc., I M.Sc., III B.Sc., II B.Sc., & I B.Sc., Biotechnology. The session was led by an eminent speaker **Dr. R. Dakshayani**, Clinical Director, Art Fertility Clinics, Chennai.

The central theme of the session was to create the awareness on PCOS. The resource person discussed about the common characteristics of PCOS such as irregular or missing periods, excess androgens and multiple cystic areas on the ovaries. She discussed about the other seemingly unrelated PCOS that patients might experience including infertility, mood changes, weight gain, acne, poor sleep etc., She created awareness among the women as PCOS is one of the most underdiagnosed diseases in the world, with only less than 25% of women with PCOS being diagnosed and 5% – 10% of women of childbearing age suffer from PCOS.

She shared the statistical information on the categories of age and the number of patients over each month. She guided young girls on how to help and improve the lives of those affected by PCOS through overcoming symptoms and changing the lifestyle that leads to PCOS. This was followed by an interactive session and submission of feedback.

**Outcome of the program:**

- The program created awareness on PCOS.
- Students gained knowledge on how to diagnose early symptoms of PCOS.

### **Report:**

Technosaviour Club, the Biotechnology Association of Dwaraka Doss Goverdhan Doss Vaishnav College organized “**An Awareness program on Genetically Modified Organisms– A Boon or a Bane**” by conducting poetry writing and slogan writing competition on 29/09/22 through offline mode. Currently, genetically modified organisms are a big topic of debate throughout the world of science. This event was conducted for the students to express their opinions on this debatable topic in a creative way. The programme was conducted both in English and Tamil languages.

Dr.M.Pavithra and Dr.R.Ashwini, Faculty, PG Department of Biotechnology, DDGDVC, served as judges for the event. The work of the students was judged based on creativity and understanding of the topic. The first three winners were presented with certificates. Feedback was collected from the participants.

### **Outcome of the event:**

- The club activity created an awareness among the students about the importance of Genetically modified organisms.
- Participants were allowed to express their views on GMO
- This event enhanced students' creative writing skills.

### **Report:**

The program started with a welcome note. The workshop had two sessions, the first session started with a power-point presentation on organic farming, organic products and value-added products. The resource person explained in detail about the nutritional value and traditional importance of various millets like horse-tail millet, kodomillet, finger millet, ragi, thinai, varagu, saamai etc. She also explained them the historical importance of the authentic food which gains medical importance in this busy modern world. The second session was the hands-on workshop on millet value added products. The various tasty and healthy recipes which has lot of good impact on human health and nutrition was prepared and explained to the students. The students indeed enjoyed the informative session and worked with enthusiasm in learning the value-added products of various millets. Finally, the prepared products were shared to the staff and students and the workshop ended with a positive feed-back from the students.

### **Outcome of the event:**

- Students were introduced to various small millets cultivated since ancient days.
- Students had learned about organic farming and importance of healthy value-added products.
- Students also gained the awareness on millets and its benefits in leading a healthy life.
- Students gained interest in being an agri-entrepreneur which will lead to environmental sustainability.

### **Report**

A workshop on a very relevant concept in today's excel driven insights world was held by the **Department of Corporate Secretaryship Shift –II** on the 16<sup>th</sup> of November 2022 for the 3<sup>rd</sup> year students of the department. Excel is a very important tool that is used in almost every organisation today. Big or small, all organisations have a need for excel. Financial modelling using excel helps organisations make decisions in line with the data of a particular value. Models can be derived for the projections of sales, investments ROI and various other relevant data sets.

Dr.B.Ramkumar, a seasoned professional in Spreadsheets and financial modelling was invited to enlighten the students on how to create models and why its very relevant in today's world. Dr.Ramkumar has over 2 decades of experience in this domain and is very well versed to help our students. He theoretically

explained why financial modelling is necessary and how we can use different excel formulas to make our life efficient and save time. He also provided the students with an opportunity for merit based placements in the finance domain post the end of their 3<sup>rd</sup> year B.Com degree in Corporate Secretaryship. All students were given a certificate of attending the workshop that will help them land further opportunities in the domain and build their future.

**OUTCOME:**

The purpose of the workshop was to be an eye opener for the students on the importance of real world industry driven skills. It also showed how they can increase their employability quotient and upskill for the future.

## **REPORT**

A seminar entitled "An eye opener on Individuals income and their tax liability" held on October 6, 2022 by the Department of Corporate Secretaryship (Shift II) and Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai. The seminar was addressed by P.RAJASEKHAR, GM Internal Audit, SRO IOCL.

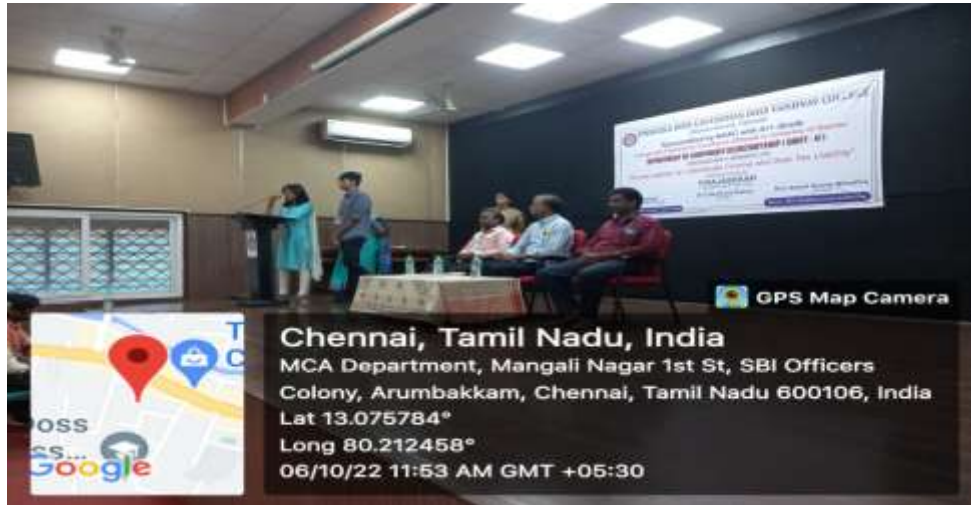

For the young, aspirant students, P.RAJASEKHAR elaborated on the various perspectives on how an individual are liable to pay tax and what are the provisions approved by the parliament and the constitution during his lecture, helping the students understand the fundamental functions and provisions of the income tax department. He discussed the five heads of income, as well as their requirements and provisions, in considerable detail throughout his presentation.

Overall, the session was engaging and it was clear that the Seminar took the initiative to grab the students' attention and mentor them in their future endeavours.

## **REPORT**

On October 15, 2022, the Department of Corporate Secretaryship (Shift II) and Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai, conducted a seminar titled " Financial Analysis and its Relevance for Institutional Training ".The seminar was addressed by Dr M. Dhanusu, former HOD of Commerce, Pachaiyappa's college.

Dr. M. Dhanusu detailed the nuances of finance for the young, aspiring students before going on to discuss the tools of financial analysis such as ratio analysis, comparative balance sheet, forecasting techniques, etc. He also elaborated on the various perspectives on how the students can take up their final year project work.

He also went into detail about how to write a report, which has five chapters: an introduction and background of the study, a review of the literature, a methodology, an analysis and interpretation of the data, a conclusion, and a suggestion for the future study. Finally, when he concluded the session, he advised the students to explore various topics in various fields in depth.

Overall, the session was interesting, and it was obvious that the Seminar took the initiative to attract the students' attention and provide them with project work mentoring.

03<sup>rd</sup> January, 2023

Subject: "Stay Safe Online" Campaign during India's Presidency of G20

Dear Madam/ Sir,

As you are aware, India has assumed the Presidency of the G20 for one year from 01<sup>st</sup> December 2022 to 30<sup>th</sup> November 2023. The Ministry of Electronics and Information Technology (MeitY) is the nodal Ministry for the Digital Economy Working Group.

During India's presidency of G20, the MeitY will run a Cyber Awareness Campaign titled "Stay Safe Online". The objective of the campaign is to raise awareness among the various user groups on the safe use of social media platforms, informed usage of digital payment and internet across India. Creating awareness among students and youth about the safe usage of social media, e-commerce, online payment and other usages of the Internet in Hindi, English and regional languages, is the best way to save them from cyber fraud and online harm. "Stay Safe Online" campaign is an effort in this direction.

In view of the above, all Higher Educational Institutions are requested to conduct awareness programmes on cyber safety regularly through quizzes, group discussions, essay writing competitions etc. from December 2022 to November 2023. The MeitY can provide the question bank for quizzes, topics for group discussions and essay writing to make this campaign successful. Any communication in this regard can be sent to vinodk@gov.in and ask@meity.gov.in.

With kind regards,

Yours sincerely,

(Rajnish Jain)

#### ABOUT THE COLLEGE

College a linguistic minority institution was established in the year 1964. The munificence of Late. Shri. Jumna Doss and Late. Shri. Arnichand Doss in donating a vast extent of land led to the establishment of this college. They together with the kind-hearted and like-minded members of the Rajasthani and Gujarati communities in the city started the Vallabhacharya Vidhya Sabha in 1963 with the sole purpose of imparting value based quality education for all.

The college has been a haven for generations of enthusiastic learners for over five decades. It has seen a phenomenal growth in terms of infrastructure and state of the art equipment and technology. The curriculum is reviewed and redesigned periodically to cater to the specific needs of the student community in tune with the changing trends in diverse disciplines of arts, commerce, science, technology and management studies. A multi-disciplinary approach in designing the programmes has culminated in skill development and ensured industry-academia collaboration. The exemplary performance of the students in curricular and co-curricular and extension activities had made the institution stand as epitome of excellence in higher education.

#### ABOUT THE DEPARTMENT

With the blessings of Lord Almighty, Department of B.Sc. Computer Science was established in the year 1996 to develop young minds with active and creativeness for improving their skill-sets needed for enriched career development, along with imbuing high moral values in them and to achieve excellence in academics by rigorous value-based education and outstanding teaching practices.

The M.Sc (CS) department was started in the year 1998 with an aim of providing conducive ambience for learning Management & Career oriented subjects, keeping in view the changing trends in education. After the introduction of autonomy in the year 2009, the department has started revising the curriculum at regular intervals, meeting the industry norms. Institutional training is also a part of academics which student undergoes every year to get exposure of the corporate world. The department has dedicated teaching faculties to train the students in latest technologies for their career development. Students are further advised to study online courses to upgrade their skills for employment. All the passed out students of the department are holding prominent positions across the globe.

#### Objective of the Workshop:

This workshop is a great blend of industry-relevant Big Data analytics and technology and the main objective of this workshop is to develop analytical skills on large set of data. This workshop aims to equip with essential skills to use Hadoop for Big Data Analysis.

#### Workshop Highlights:

- Highly Qualified and experienced trainers
- Focus on Practical Sessions using latest tools and technology covering Hadoop, Hive, HBase, PIG etc.

### **Detailed Report of the Event**

#### **“2 – DAY WORKSHOP ON BIG DATA ANALYSIS USING HADOOP “**

The PG Department of Computer Science of Dwaraka Doss Goverdhan Doss Vaishnav College organized a 2 Day Workshop on “ Big Data Analysis using Hadoop” on 21/09/2022 & 22/09/2022. The Workshop was conducted at M.Sc. CS Lab, Krishna Block between 2.00 PM to 6 PM on both the days. Ms. P. Suganya, Head, Department of Computer Science, welcomed the resource person and the participants. During the first day of the workshop, the resource person gave a brief about Big Data Analytics and during the Second session she explained the Hadoop commands through live Practical Sessions. During the Second day of the workshop, the resource Person explained the concepts of PIG and HIVE Query language and in the second session she explained the queries through the live practical sessions to the students

#### **Outcome of the Programme/Event**

The Feedback of the workshop was obtained from the participants. The Workshop went on successfully with 54 participants and with good comments as feedback. The responses of the participants were so good. The main goal to conduct this workshop is to create a great blend of industry – relevant technology among the students and to develop their analytical skills on large sets of data and thus the students were equipped with essential skills to use Hadoop for Big Data Analysis.

## **REPORT**

The purpose of the Skill Training Program is to gain a basic understanding of Python programming and its modules. The session was opened by welcoming the resource person at 2:30 pm.

FIIT Formacion Pvt Ltd, Software Technical Lead, K.H.Kishore Kumar, presented on Python programming and its applications at this Skill Training program. He also explained the basics and libraries of Python through a demonstration.

He explained classes in terms of class creation, inheritance, and constructors. Then he explained in detail how libraries work and how they are used, what are the latest modules, how are they being developed, and what is the scope of learning Python with industry requirements.

At the end of the presentation, K.H. Kishore Kumar responded to questions and doubts raised by the participants. He also conducted a short analysis test by assigning a few questions. The Skill Training Program was very interactive with the participants responding with relevant questions and observations. A great deal of encouragement was received from the participants and they appreciated the efficiency of the program.

### **OUTCOME OF THE PROGRAM**

It provided students with a thorough understanding of the basics of Python, as well as an understanding of how Python programming skills are needed in the software industry.

Pachaiyappa's College, Chennai was the resource person. The seminar was organised to aid the students in enhancing and incorporating communication skills in their daily usage of English language. The seminar predominantly focussed on the LSRW skills. Dr.Subapriya commenced the seminar by highlighting the fact that soft skills have been replaced by power skills in today's learning environment. She alluded to the New Education policy, and emphasised that the English language cannot be neglected, as it is vital for communication in global level. She discussed about CALP (Cognitive Academic Language Proficiency) and BICS (Basic Interpersonal Communication Skills), the two modes of language learning, adopted by multilingual countries, to develop both academic and non-academic language proficiency.

Dr.Subapriya's presentation pertained to all the four language skills, with innovative and simple audio/visual aids. She made a video demonstration to highlight the fact that listening and speaking are interconnected. She put forth the difference between active and passive listening, and emphasised on the importance to listen, learn, and react to any discourse. She gave multiple examples to focus on the consequences of direct translation from one's mother tongue. She briefed on the significance of non-verbal cues such as body language, postures, voice, wherein she touched upon Paralinguistics, Proxemics and Chronemics as part of gestures that act as cues. With respect to reading skills, Dr.Subapriya transformed the session into a lively and dynamic discussion, as she emphasised on the concept of reading between lines, by asking the students to guess the title of a poem that did not contain any extrinsic details. She succinctly explained the methods to build one's vocabulary and grammar through visual poetry. She laid forth the techniques to induce cognitive thinking and develop multiple perspectives using visual grammar in digital texts. To make the students gain a clear picture on writing skills, she reiterated on poetry writing as a necessary step to think creatively and gain a clarity of thoughts. She enlightened the students about the self-help testing apps such as 'Padlet.com' and 'Write and Improve.com' that aids in creative writing. She discussed the trends in English language that included concepts like borrowing, Code switching, code mixing etc, which enriched the students with the possible perils and benefits of switching or mixing one's mother tongue to learn English as a foreign/second language. The students came up with creative solutions to the open-ended questions deliberated during the session.

### **OUTCOME:**

The students were largely benefitted by the seminar as it enriched them with the necessary techniques to improve their LSRW skills. The students were able to confront their own shortcomings with respect to their language skills, and realise their complete potential. The session proved to be insightful as it aided the students to respond to discourses, create effective presentations, make written expression of thought. The session enabled them to update to re-appropriation with the help of LSRW skills.

## VISION:

- To provide an understanding of the Fisher's Theory on Equation & Capital Asset Pricing Model.
- To ensure the students are provided with an in-depth knowledge of the theories involved under Financial Management.
- To provide an educational experience for students based on their real-world life experiences.
- To provide the students with an essential connection between what they have learned and the real world.

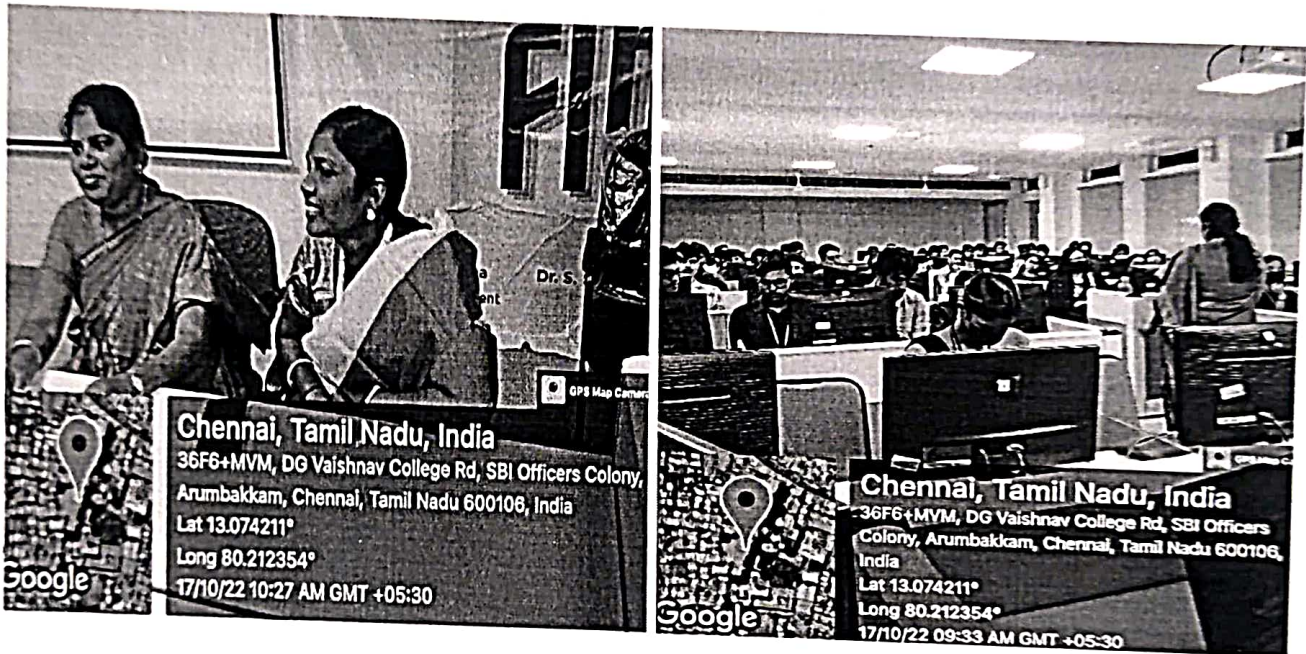

## REPORT:

The speaker started the session by sharing about the importance and relevance of Fisher's Theory on Equation & Capital Asset Pricing Model. The resource person provided the students with an overview of the equations under the Fisher's Theory in Financial Management. She highlighted on the equations and the risks involved in Financial Management. Students gained in depth knowledge about Currency risk management, and in addition to that the internal and external tools of currency risk management were taught. The speaker also enlightened the students on CAPM, its external tools, advantages and disadvantages. The guest lecture delivered will help every student to effectively apply the Fisher's Theory on Equation & Capital Asset Pricing Model in the affairs of business and financial management. She accentuated on the external hedging techniques such as spot trading, forward contracts, currency options, currency swaps and on currency accounts and currency loans. Towards the end of the session, the speaker held a question and answer exchange and ensured that the students obtained an overall understanding of Fisher's Theory on Equation & Capital Asset Pricing Model.

DEPARTMENT OF B.COM FINANCE AND TAXATION

REPORT:

The resource persons started the session by explaining about Bureau of Indian Standards (BIS) and its importance in today's world. BIS is responsible for the harmonious development of the activities of standardization, marking and quality certification of goods. The resource persons briefly highlighted the 7 activities of BIS groups such as Standards formulation, International activities, Product Certification, Hallmarking, Laboratory services, Training services - National Institute of Training for Standardization and Consumer Affairs and Publicity.

They mentioned that Industry Awareness Programs were conducted by BIS to propagate the concept of standardization, product certification, management systems certification and other BIS activities amongst Industries. The resource persons introduced the BIS CARE app which helps to gain more knowledge about standards. They mentioned the details of the volunteer activities like distribution of uniforms to students, sessions for students to develop their communication skills, etc. BIS is on the mission to inculcate the young minds with the concepts and benefits of standardization.

Later at the college ground there was a live demonstration on the BIS Volunteers Program in front of the Principal Captain Dr. S. Santhosh Baboo and the Dept. Head Dr. R. Premalatha.

OUTCOME OF THE PROGRAM:

- To provide the students with an understanding of the core activities of standardization and conformity assessment, benefiting the national economy.
- Know about safety, reliability and quality of goods which help in minimizing health hazards to consumers, protecting the environment, and promoting exports.
- Be familiar with the concept of standardization, certification and quality consciousness to become smart consumers.
- Gain knowledge on the importance of BIS in the consumer goods.
- Provide support to various public policies especially in areas of product safety, consumer protection, food safety, environment protection, building and construction.

12. Detailed Report of the Programme:

The DDGD SOM in association with ISTD Chennai Chapter, conducted NARRATOLOGY # “an external format to sell your idea” on 7<sup>th</sup> December 2022. The key resource person for the day was, Mr. Hariharan. K is an Indian Film Director, who has directed films in Tamil, Marathi and Hindi. Currently, he is an independent Film maker and Academician. He is an alumnus of FTI (Films and Television institute of India and he together with his friends made an experimental film called "Gashi Rang Kothwal". \* Ezhavathu Manithan\* Tamil Film (1982) was his directorial debut, which won him National Award too. He also made films namely. Current. Dubashi which are among 7 films he made. He also made 350 documentary films. He was the Director of L.V.Prasad Film Academy, and was a Professor in Film studies, at KREA University. He is also a visiting faculty at FTII, Universities at Pennsylvania and Miami. He says "right narratology is the lifeline for selling an idea, in any field of career or profession you belong to. He enlightened us on these broad perspectives. Apart from which he shared his learning throughout the career to us, to name a few such as, ethics in career, the importance of power skills and ability to learn beyond the degree opted, to never say ‘no’ in early stages of a career- and that one must exert themselves to create or grab opportunities and how to deal with the ‘big guys’ in the field. Mr. Hariharan. K had reinstated that there are no substitutes to hard work. He also emphasized on the importance of having worldly knowledge, as that shapes up the thinking capacity of a person holistically.

The session was interactive whereby the students posed questions relating to their career and generally about the domain. The Chairperson of ISTD Chennai Chapter, Mr. Vijay Kumar had also moderated a few questions, which were related to the expectations of the industry and how the freshers must be prepared for it. The programme lasted for more than an hour, giving every student a thought piece to ponder upon.

13. Outcome of the Programme/event:

The session was based on different aspects:

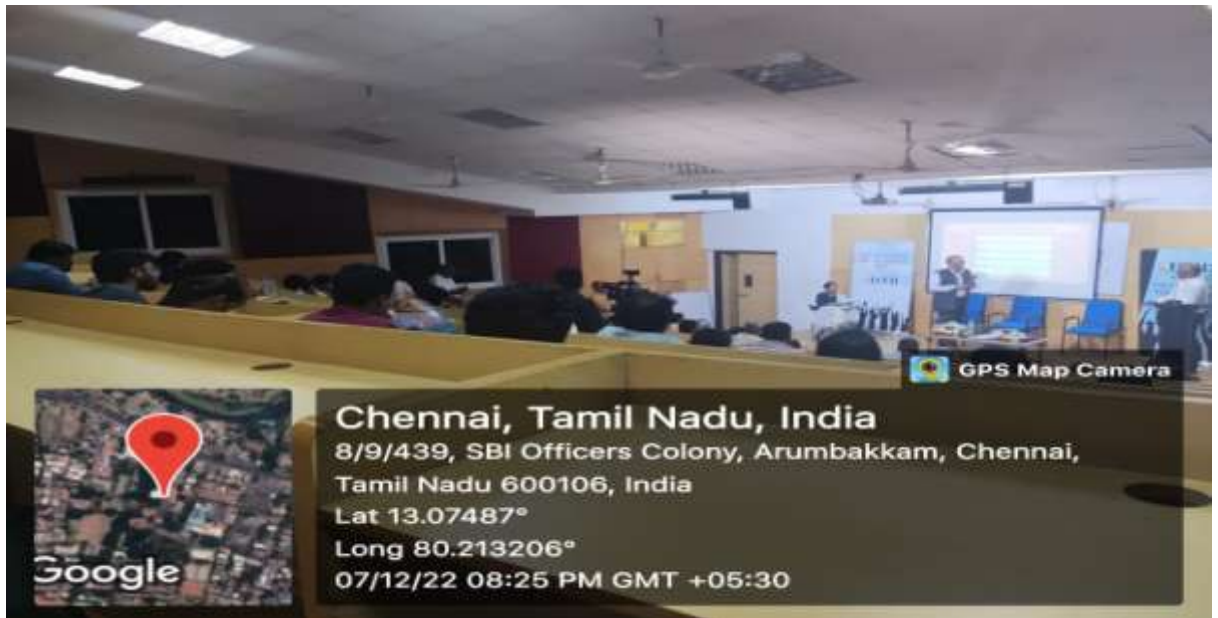

- Career Guidance
- Domain Knowledge
- Real Time Examples from the Corporate
- Corporate connect

12. Detailed Report of the Programme:

The D.D.G.D.Vaishnav College, School of Management(PG & Research) organised a guest lecture on 6th August, 2022 in association with National Stock Exchange (NSE). Dr. U. Amaleshwari had organized this session which the students found it very helpful. The session was enlightened by Mr. Abhishek Goud, Senior Manager of NSE on the topic “Recent trends in Indian Capital market”. He started the session with a quote saying

“The best investment you can make is an investment in yourself...

The more you learn, the more you’ll earn.”- Warren Buffet

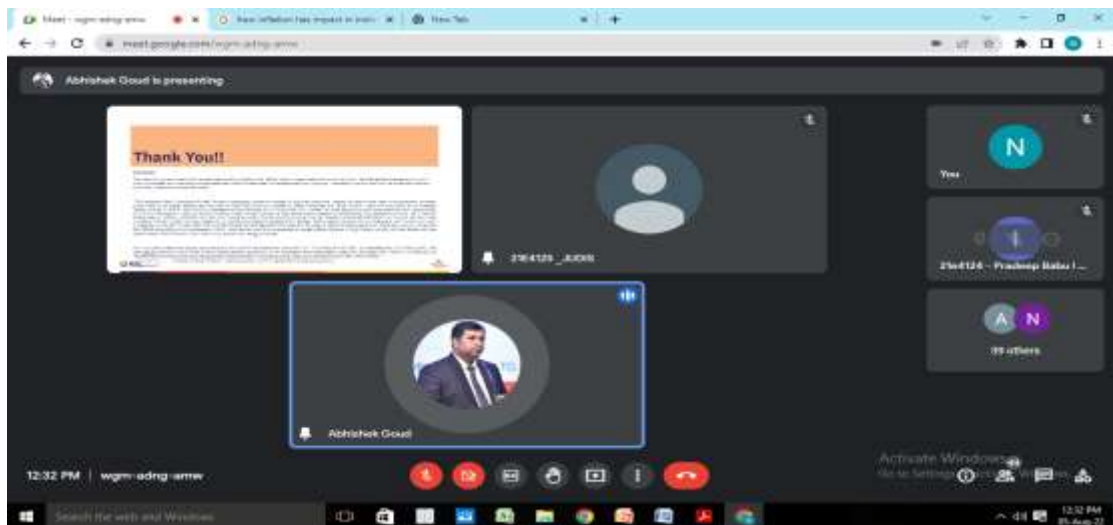

He started with making the students understand on human aspirations for finance and popular avenues of savings and investments. The session highlighted mainly on three important component of investment, i.e Returns, Safety and Liquidity. He emphasized the students to have an investment plan by saying start investing early, diversify your investment and monitor your investments regularly. He made us understand the importance of UPI mechanism in IPO and benefits of investing in Government securities. The students found the session very interesting because they got the insights to fulfil their human aspirations through this thought provoking session.

13. Outcome of the Programme/event:

The major takeaway of the Guest Lecture are,

- A positive correlation exists between risk and return: the greater the risk, the higher the potential for profit or loss.
- Using the risk-reward tradeoff principle, low levels of uncertainty (risk) are associated with low returns and high levels of uncertainty with high returns.
- An investor needs to understand his individual risk tolerance when constructing a portfolio.

### **REPORT OF THE PROGRAMME:**

The Alumni Engagement Series featured talks by Mr. R. Parthasarathy and Mr. Mahesh Kumar on recruitment strategies, including talent sourcing, active/passive sourcing, job descriptions, and Boolean search. They discussed inbound and outbound recruiting, emphasizing attracting candidates and building relationships. The session concluded with a Q&A and quiz, followed by a vote of thanks.

### **OUTCOME:**

The guest lecture session was very useful. The students had one of the best sessions of alumni engagement series on Talent Acquisition in IT industry. The session was interactive and the students were intrigued to learn about the Recruitment process. The students were able to learn about the recruitment in the industry; their types and needs. The key take away from the session was “Be Competent than being Confident”.

**Resource Person:**

MS. KALPANA. N, Manager HR & Recruitment, AQFER India Private Limited, Chennai.

<https://in.linkedin.com/in/kalpana-natarajan-394b988>

**Staff Participants:** 2

**Student Participants:** 42

**REPORT:**

The guest lecture on 'Unleashing the HR Startup Toolkit' featured Ms. Kalpana. N, Manager HR & Recruitment at Aqfer India Pvt. Ltd. She emphasized startups as innovation, outlining HR roles and steps for startup success: goal setting, HR fundamentals, employee-centric focus, recruitment/onboarding, payroll, HR tech stack, and DEIB integration. Key takeaways emphasized diversity, equity, inclusion, and belonging.

**KEY TAKEAWAYS:**

- Establishing an HR function sooner rather than later helps startups grow their teams.
- Create a welcoming, inclusive work environment while staying compliant which is the key to scale successfully and build a cohesive team that wants to grow with the company.
- As an employee it is challenging to work in a startup environment as the learning curve is high.

The resource person concluded by saying that there are no boundaries for learning and 2 years of working in a startup equals 10 years of working experience in a reputed company. Then the students asked questions to the resource person Ms. Kalpana. N which she addressed to and clarified their queries. The guest lecture session ended at 1:30 PM with the Vote of Thanks given by Kaviya. S of Second year MSW followed by the National Anthem.

**OUTCOME OF THE PROGRAMME:**

After attending the guest lecture session, the students got a clear view and idea about Start-ups and various steps involved in establishing HR for Start-ups. The students also came to know about the various roles of HR in a startup and learnt about HR fundamentals, HR policies, recruitment & onboarding, payroll process, building HR tech stack and building HR function with DEIB in mind. It was an eye-opening session and has enticed the interests of students to work in startup companies rather than opting for big corporates.

10. Detailed Report of the Programme

Our Government of India is celebrating *Azadi ka Amrut Mahotsav* to pay homage and showcase India’s achievements in 75 years of Independence. The Government of India’s Science and Technology organisations in close partnership with state agencies are leveraging this ‘Mahotsav’ as an opportunity to celebrate S&T achievements over the 75 years through programmes that inspire our youth and help them navigate into building a progressive nation.

*Ariviyal Palagai* is an initiative of Vigyan Prasar, DST, Govt.of India that works towards bringing out all relevant contents in Tamil Language for the above initiative. In Tamil Nadu, TNSTC (Tamil Nadu Science and Technology Centre) plays a pivotal role in conducting various events during this period throughout TamilNadu.

As a part of this initiative, the Department of Physics(Aided), Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai hosted a popular Science lecture in association with TNSTC and *Ariviyal Palagai*, Vigyan Prasar, DST, Govt.of India. Dr. Vijayshankar Asokan, Limerick University, Ireland gave a lecture on **Multidisciplinary Research in post-Covid era** on 24 August 2022..In his talk he emphasized the need of Multilingual and Multidisciplinary research in the field of Science. He explained well about microscope as a pillar of researchers. He opened up the vistas in multidisciplinary research in various countries. He discussed various scholarships schemes available for higher education in abroad. Through this interactive session he threw light on how the future is going to be transdisciplinary and how the current generation should acquire language skills. He insisted on diversity in STEM based on data from India as well many other countries.

The entire session was bilingual and this helped many of our students to connect with the speaker immediately. Students interacted with him on various facets like technical skills,

laboratory skills, computational knowledge using open source softwares, learning foreign languages, timeline for applying to foreign universities and different scholarships.

This talk was followed by interaction with Dr. Lenin Tamilkovan, Scientific Officer, TNSSTC. and Mr. Srikumar, Ariyal Palagai. They insisted on importance on Science Communication, hands on experience the students can get at Science Centre various facilities students can avail through planetarium students can invited to spend a day at planetarium and use various mobile apps to learn astronomy also they insisted on various initiatives of DST, Govt. of India like India Science OTT platform and Ariyal Palagai talks.

The invited speaker and officer from TNSSTC released a book “KOLAM”, authored by J. Pragadeesh which is a compilation of photographs combining our traditional art form kolam with different Mathematical and Physics concepts. It is an initiative of our Department to express Science through Arts. They praised the students for their enthusiasm and focus. They appreciated the Department and Triple Helix Science club for their science outreach activities and encouraged the students to learn beyond the classroom.

### **12. Outcome of the programme:**

Students learnt the importance of Multilingual and Multidisciplinary research in the field of Science. They also gained the knowledge of various types of microscopes available currently microscopy as applied to research.

1. Name of the event: IoT Workshop - 2022
2. Date: 25.09.2022
3. Venue: IIT Research Park
4. Mode : Offline
5. Organizers: Department of Physics, Dwaraka Doss Goverdhan Doss Vaishnav College in association with Top Engineers.
6. No. of student participants: 11
7. Detailed Report of the Programme:

Internet of Things (IoT) is an ecosystem of connected physical objects that are accessible through the internet (formal definition). So, in simple terms IOT means anything that can be connected to the internet and can be controlled / monitored using the internet from our smart devices or PCs.

Physics is the field that helps us to understand the nature of materials. Even at undergraduate level, students of Physics learn basic electronics, applied electronics and microprocessors in depth. They gain practical knowledge assessing different situations. Hence every Physics student has an edge while approaching.

Recently the Department of Physics (aided) organized a training session for a batch of eleven students who wanted to explore this new upcoming tech field. These students underwent training at wireless connection using a microprocessor and they experienced more in Arduino Software. These students came to know what the uses of microprocessors were, and its types and about Embedded Systems. Students started to know more and more about microprocessors, control units by asking intellectual questions to the trainers. Students with their enthusiastic thoughts and curiosity made them to learn more new things in this IoT Workshop 2022.

11. Detailed Report of the Programme: The PG Department of Physics has organized a Student Welfare Activity-World Students' Day in commemoration of Dr.A.P.J Abdul Kalam's Birth Anniversary on 15<sup>th</sup> October 2022 from 2:00 am - 5:00 pm. In our department, 114 students from M.Sc Physics and B.Sc PCA students attended the program. Our chief guest Dr.A.Stephen gave a special address on Development in Science and Research and our students gained knowledge about current ongoing research work through the program. The following competitions were held for the students in the PG Department of Physics. The winners were appreciated with memento and certificates
  - i) Writing Competition-topic : Inspiring books Written by Dr.A.P.J.Abdul Kalam
  - ii) Oratorical Competition-topic : Turning points of Dr.A.P.J.Abdul Kalam : A Journey through challenges
  - iii) Drawing Competition-topic : Dreams of Dr.A.P.J.Abdul Kalam
  - iv) War of Words (Debate)-topic : Role of Dr.A.P.J. Abdul Kalam : Scientist Vs President

11. Detailed Report of the Programme

On 15<sup>th</sup> February-2023, Department of Botany associated with Allied zoology had conducted a Seminar on, "Butterflies and their Behaviour". Dr.BhavaniGovindarajulu, Assistant professor, Department of Zoology, Queen Mary's College, Chennai, acted as a resource person. The program started at 12:15 pm with college prayer followed by welcome address given by our 1<sup>st</sup> year students. More than 100 students had taken part along with our faculty members. The seminar solely had focused on "values and importance of butterflies and motivated the students about various conservative methods of butterflies. She had explained about 100 species of butterflies are living in different localities of Tamil Nadu state. She also addressed the "Tamil Nadu State Butterfly- ThamizhMaravan"- (தமிழ்மறவன்பட்டாம்பூச்சி). She also explained different key characters needed for the identification of Butterflies from Moths. She gave more ideas for butterfly attraction and set up of butterfly gardens. She explained briefly about the various values of butterflies like intrinsic value, aesthetic value, educational value, scientific value, ecosystem value, health value and economic value etc,. And their importance like- best pollinator, bio-indicator, and natural pest controller etc.,the organizing secretary Dr.P.Ezhumalai-Assistant professor in Zoology had taken in-charge to organize the event in a grand manner. The program was successfully ended at 1:15pm with grand success. The students have given excellent feedback.

## 12. Outcome of the programme/event

This seminar on Butterflies and their Behaviours were useful and very informative to all the participants. Students gained so much of knowledge on various species of Butterflies and their behaviour and various socio-economic values and role in the ecosystem of different environment and also useful to mankind and students also learned the methods like how to set up gardens for butterflies' attraction and their various conservative methods. The entire session were excellent, so interesting and interacting.

11. Detailed Report of the Programme:

The **Department of Botany** presented an invited talk on the topic of "**Landscape Gardening**" on **17<sup>th</sup> February 2023**. The program was inaugurated with the blessings of Almighty God. **Dr. S. Anandhi, Assistant Professor, Department of Horticulture from SRM University** served as chief guest for the event. Our student M. Jayashree, 1st year, B.Sc Plant Biology and Plant Biotechnology welcomed the gathering. Our head of the department and convenor **Dr. R. Muralidharan** felicitated the chief guest. Afterwards, Dr. S. Anandhi gave an engaging presentation on an evergreen topic. During the first part of the seminar, she provided a basic understanding of Gardening and Horticulture, as well as the differences between these two disciplines. Then, following an introduction to gardening, she discussed different garden styles such as formal gardens, informal gardens, free-style gardens, wild gardens, etc. The final presentation was an explanation of gardening principles and their importance, as well as how to establish a garden on a college campus. After that, our student **Sujith**, 1<sup>st</sup> year, B.Sc Plant Biology and Plant Biotechnology delivered the vote of thanks.

12. Outcome of the programme/event

In the modern world, landscape gardening has many advantages. It has been considered one of **the best start-ups** to make a fortune. Landscape gardening can also **reduce pollution**, which is advantageous to the environment.

11. Detailed Report of the Programme:

Our department held a one-day workshop on "Basic Methods in Plant Tissue Culture" on February 28, 2023. Dr. K. Rajagopal, Assistant Professor at RKM Vivekananda College, served as the resource person. At 10 am, the event got underway with a welcome speech. Dr. R. Muralidharan, HOD for Botany, presented the resource person with a commendation. The resource person was briefly introduced by Dr. S. Anantha Padmanabhan, Assistant professor of Botany. The resource person began by introducing the subject through a Powerpoint presentation. Initially, the resource person explained about the topic through Powerpoint Presentation. He introduced the students with the different types of biotechnology. Then he explained the stages involved in Plant tissue culture (PTC). Also, he taught the preparation of media for PTC. Additionally he guided the students regarding the career opportunities. The resource person interacted with students during this session. Various doubts and questions were asked by the students and those were explained by the resource person in a lucid manner. Following that, each batch of students received a hands-on demonstration of plant tissue culture. They were also explained about the common mistakes that may occur during the technique and how to overcome them. The program ended at 4 pm with a feedback session.

11. Detailed Report of the Programme:

Department of Botany conducted an invited talk on the topic “Wetland types and their restoration principles”. The program began with the blessings of Almighty. Mr. N. Muthu Karthick honoured the event as chief guest. Our student S.Aarathi , 3<sup>rd</sup> year welcomed the gathering. Our head of the department, convenor of enviro club Dr. R. Mularidharan felicitated the chief guest. Then the speaker began his seminar from explaining the types of wetlands and the flora seen there. He classified various lands and types of plants to make it better for understanding. Later gave many ways to identify the problem in wetlands and also discussed some points to restore it. Finally, he concluded by saying Observe before restore. And our student V. Manju, 3<sup>rd</sup> year delivered the vote of thanks.

12. Outcome of the programme/event

An eye opening session for the gathering to highlight the need of restoring wetlands.
