REPORT

The department of Corporate Secretaryship [Shift -I] conducted a guest lecture on the topic “Ethics and values –Personal and Professional” on Tuesday 26th July 2022. The Guest speaker Shri. C. L. Ramakrishnan DGP (Retd.) commenced his lecture & presentation with the pronouncement of Upanishads and scriptures “SATYAM VADA –DHARMAM CHARA” which means speak truth and follow dharma. According to the speaker, truthful man is called a dharmic person. In order to understand ethics he said, one must read Tirukkural, with specific reference to verses 55-65 and also explained why one needs to follow ethics in life. **Ethics** is derived from **ethos or ethikos** which means custom or character, he said. He also added that ethics means non-injury. Here, injury does not mean any physical hurt, but it means hurt caused to person in body, mind, reputation or property illegally, intention matters the most, he said.

Further, he mentioned the qualities which mark ethics in one’s life such as patience, perfection, persuasion, piety, perseverance, poise, promise, propriety, prudence, purity in thought, word and deed. He narrated the interesting story of three friends the first one without which living is impossible which means worldly material possession, second is one which is met with frequently which means family and friends and the third is very rarely associated with which means ones good deeds which goes with you even after your death. Furthermore, he stated that ethics is all

about controlling mind. He explained that unethical practices starts with greed. His lecture was lively and informative with contextual references from Baghavat Gita, Ramayana and Mahabharata. He also mentioned that in Mahabharata greed is referred to as insatiable and giving up greed as a source of bliss. The second segment of the guest lecture focused on Professional Ethics. He emphasized that the professional ethics are an extension of personal ethics. It followed by the principle of professional ethics namely: Impartiality, objectivity, transparency, openness, trust etc. He completed his speech by the message that nobody teaches you what should be done and what shouldn't be done.

Outcome of the event

- Created an awareness and better grasp of ethics for personal and professional life.
- Provided knowledge about professional ethics, roles, and responsibilities.
- Understood the importance of ethics in academics, business & management.
- To associate the examples for ethics from Baghavat Gita, Ramayana & Mahabharatha
- To differentiate ethical from unethical behavior and learn its consequences
- To relate and analyse the real-life experiences such as dilemmas, humiliations with Indian Philosophical works.
- To preach and practice ethics in one's life.

Head
Department of Finance and Taxation
Dwaraka Doss Goverdhan Doss Vaishnav College (Shri)
Arumbakkam, Chennai-600 106

REPORT:

On the occasion of 75th Independence day of our country, the students of our department contributed about 75 kilograms of rice and 25 kilograms of fruits and 25 kilograms of vegetables. In order to reconcile the colours of our flag a "Tri-colour" theme was followed uniformly by our faculties and students. In addition, with the motive of paying tribute to our country the tri-colour code was followed in our attire and eatables donated to the people in the orphanage.

OUTCOME OF THE INIATIVE:

- To bring hope during despair, offering people in the orphanage a chance for a better life and a brighter tomorrow.
- To solve the crisis of hunger which gives people an opportunity for a new life and a new future.
- To inspire courage in those facing a life of turmoil and struggle.
- To realize that charity is vital in life and develops the habit of generosity.
- To counter poverty, hunger and at the same time, improve harmony, friendliness, and trust among them.

7. No. of staff participants: 1
8. No. of student participants: 11
9. No. of beneficiaries: 40
10. Detailed Report of the Program:

On August 22nd, The social team of LucaFama conducted an entertainment program for the orphans at Hope Public Charitable Trust. The main objective of the program is to interact with the orphans and spend time with them. The student coordinators organized various activities like singing, dancing and indoor games. Few students of the department volunteered themselves and entertained the orphans through their performance. Further the social team conducted few physical indoor games like musical chair, hit the paper cups etc. Then the social team provided refreshments to them.

11. Outcome of the program:

It was a day high on emotions, there was an atmosphere of kindness, love, friendship and joy. The joy and satisfaction on their faces brought a great deal of happiness to the student organizers and faculty coordinator because in that smile was the actual success of the program.

REPORT OF THE EVENT

As per the customs of the department, the event was invoked with the blessings of the lord almighty with the college prayer and Tamizh Thai Vazhthu. A song dedicated to Lord Krishnawas performed by Ms. Aarthi.S, Creative Head of Samvruth. The dignitaries lighted the kuthuvilakku. The Head In-Charge Ms. D. Senthamarai welcomed the audience for the bundle of sub-events piled up today. The program commenced with her warm greetings.

Our beloved Principal Dr. S Santhosh Baboo presented the badges for the office bearers of Samvruth, the editorial team of the newsletter and the newly formed Memorandum of Understanding (MOU) team-Liasion officers. Our principal has issued the fourth edition of Honours Insider (The Department Newsletter) to the Chief Guest, Faculties and board members.

After the felicitation, Principal gave his presidential address by appreciating the inception of the student council committees, issuance of the newsletter and the title of today's talk session. He also elaborated on the importance of spreading awareness related to drug abuse among youth and advised the students to shout out about the importance of drug-free life to students and to the public.

Then, the awareness programme from the Narcotics Control Bureau kicked off. Before the event, the members of Samvruth presented a video, where they interviewed students, staff and commoners, asking them about the term "narcotics". The team collected answers and concluded that the cause of drugs can be controlled by oneself, not by others. Mr Venugopal G Kurup (Resource Person) addressed the participants on the "Drive Against Drugs" theme. With the help of his presentation, he elaborated on the various types of drugs, their origin, the targeted organs and their impacts (psychologic, physical, legal, and social). He showed the various terms of punishments and legal consequences faced by various people who are involved in the process of drug trafficking and consumption. He also suggested various solutions to avoid getting into such addictions and spread similar tips to those who are affected.

The event was concluded with the Vote of Thanks proposed by Ms. Affraa.S, General Secretary of Samvruth followed by National Anthem.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

OUTCOME OF THE PROGRAM

- ❖ Participants were educated on the current scenarios of drug addiction among the youth, and the consequences of drug consumption.
- ❖ Participants were learned about the legal terms and punishments to be faced due to drug trafficking or possession.
- ❖ Participants were motivated and inculcated to stand against the consumption of narcotics.

Arumbakkam, Chennai – 600 106

A lecture was organized by Post Graduate and Research Department of Economics (Shift – I) on 27th August 2022 at 10 a.m on the topic “Child care and Development”. The resource person for the program was Dr.S.Prabu Shankar. The programme started with Thamizh Thai Vazthu and College prayer. Janvi of II BA Economics delivered the welcome address and introduced the chief guest to the audience. Prof.J.P.Jaideep, Associate Professor and Head i/c felicitated the chief guest. The resource person then delivered the lecture on “Child care and development”. He gave a detailed explanation about how students need to behave with their parents during their adolescence age. He also highlighted about parenting, different stages of parenting. He also pointed out that it is the social responsibility of the students to know about parenting as it is a base of a good society. Dr. N.Abirami was the faculty co-ordinator for the program. Dinesh of II MA Economics, Janvi of II BA Economics, Madhu Mitha.M and Lalitha.V of III B.Com ‘C’ were the student co-ordinators.

13. Outcome of the Programme/event:

- i) The students got an insight about how they have to behave with their parents during their adolescence age.
- ii) The students understood the basics of parenting and different stages of parenting

7. Detailed Report of the Programme:

Dwaraka Doss Goverdhan Doss Vaishnav College, Library & NDLI Club organized and conducted an Essay Writing Competition on ***Social Media and the Youth Today*** on 29-08-2022 at 02.30 pm in DDGDVC Library. The competition was conducted for the NDLI Club Members of DDGDVC. 46 participants took part in the essay writing competition and the top three essays were selected. The winners were awarded with prizes and mementos. All the other participants were given participation certificates.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

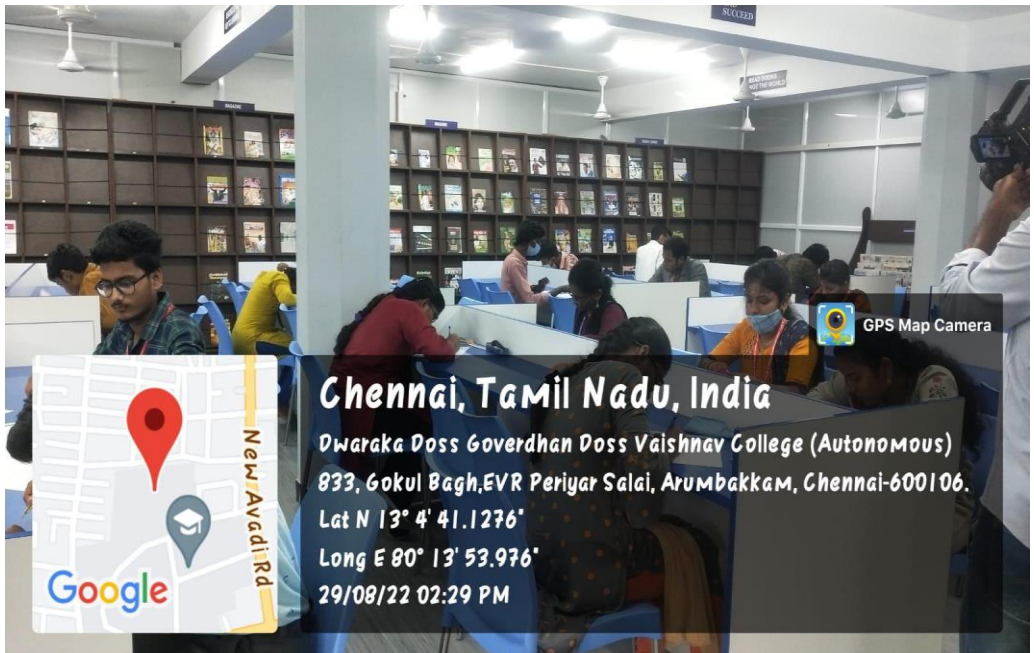

(AUTONOMOUS)

College with Potential for Excellence

8. Outcome of the programme:

The Essay Writing competition was organized to encourage the creativity and leadership skills of the students. The competition articulates the competency to conceive promptly, write persuasively and present well-connected ideas while presenting well-connected ideas in a compact fashion. A good writing style will be the key distinguishing element in determining the winners.

11. Detailed Report of the Programme:

The mark of our undying tradition is to celebrate the birth anniversary of Lord Shri Krishna every year. Gokulashtami was celebrated on 18th August 2022 in the Dwaraka Auditorium. Before the commencement of KANHA 2022, a Pooja was performed in the main building, where 56 bhog were offered to Lord Krishna to signify the Goverdhan Parvat and his resolve to protect the people of Brindavan. The Dwaraka Auditorium was beautifully decorated with flower garlands, and paintings done by students depicting Lord Krishna, the smell of aromatic flowers, bright lamps and lights filled the environment with spiritual positivity and set the tone for the programme. The cultural programme began at 12:30 pm with solo and group bhajans sung by the classical singers. The life story of Lord Krishna was delineated through various dances, first one depicted the childhood of Lord Krishna expressing the love for his mother Yashoda. Followed by an adolescent Krishna immersed in love for Radha. The next dance portrayed the eternal bond of friendship between Krishna and Sudhama. Moving onto the adulthood of Krishna's life, displaying scenes from the Mahabharata and the relationship between Krishna and Arjuna which is an imperative part of the narrative. The creative team was acknowledged on stage for their assistance and efforts. Lastly the programme came to an end with a soulful light music performance.

12. Outcome of the Programme:

Celebrating the Glory of Lord Shri Krishna was the main focus of KANHA 2022.

The efforts of organizers and the cooperation of audience added to the magnificence and the successful outcome of the event.

College with Potential for Excellence

11. Detailed Report of the Programme:

The Goshala visit was organised to provide an opportunity for the students to show their love towards animals and actively contribute to animal welfare. The participants were requested to assemble in the college campus at 6:15 am. Starting by 7:15 am, the team reached the Indian Institute of Animal Welfare, Uthukottai, Taluk, Katchur, after a two-hour long bus journey. 100 kgs each of cabbage, cucumber and banana; 60 kgs of radish; 106 bunches of greens; 1 ton of grass and a month's worth of medicines were donated to the organisation. The cow feed contributions were received from the institution Alumni, Prof Senthamarai, Dr Abirami and Mrs Beena. Receiving assistance and information from the campus coordinator and other helpers of the institute, the team learnt to prepare fodder. They washed, cut and fed the vegetables and grass to more than 700 cattle. The team left the place at 11:50 am and reached the college campus at 2:30 pm where the participants were thanked for their enthusiastic participation.

12. Outcome of the Programme:

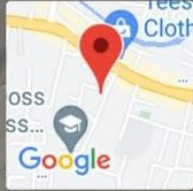

Donations of essentials were of great use to the cattle reared at the institute. The visit taught the importance and means of animal preservation to the students. The visit also enabled the students to work together and make it a big success.

Department of B.Com(CA) organized 9 days NAVARATHRI CELEBRATION

from 26.09.2022 to 04.10.2022.

The celebration was planned and organized to develop the communal harmony among students. Five days of navarathri celebration was celebrated inside the campus (Ganga block AS36 Second floor classroom) and the last four days of navarathri was celebrated online through google meet. Each day the program started with TamilThai Vazhthu followed by college prayer

song.

Mrs.Vinodini.R-Head, Department of B.Com(CA) in her welcome speech thanked and welcomed Shri Ashok Kumar Mundhra ,Secretary and Dr.Santhosh Baboo.S, Principal for permitting and providing support to celebrate Navarathri celebration and gave a warm welcome to

the gathering.

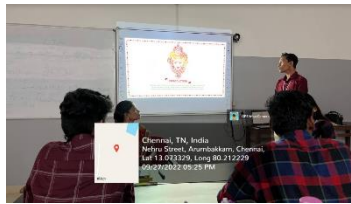

A power point presentation highlighting Navarathri goddess and the colour for each day, its significance was presented on all the nine days. Start stories relating to the communal harmony was recited during the celebration.

Report:

The Navarathri celebration by the students of the Department of Psychology was conducted in the Goverdhan block, 2nd floor, Dwarka Doss Goverdhan Doss Vaishnav College on 26/09/2022 and 27/09/2022. Navratri is a time when Hindus celebrate the goddess Durga for killing the demon, Mahishasura; We as a family of Psychology related Celebrations in Navratri such as pujas, homas, chants, meditation, garba and other cultural activities uplift the mood, interest and enthusiasm, helping to uproot any illness in the mind. We celebrated Navarathri for two days.

Day- 1(26/9/22), we had rangoli competition among all the three years. In addition to this we also we had Food Fest by bringing favourites of Goddess Durga and showed loved by sharing all the food.

Day-2 (27/9/22), All the three year students were insisted to come in traditional attire for Garba and then Prizes were also distributed for the winners in rangoli competition. Furthermore it was highlighted how The Navarasa - nine emotions; rasa means emotional state of mind influences an Individual.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

2. Name of the Event: Utsav Navratri-Dandiya Ras
3. Date: 30.09.2022
4. Venue: Kola Perumal School Ground
5. Mode: Offline
6. Organizers: Srinath Fine Arts
7. Faculty Coordinator: Prof.Mandira Dutta
8. Resource Person: NA
9. No. of Staff Participants: 10
10. No. of Student Participants: 296

11. Detailed Report of the Programme:

Inculcating a sense of culture and unity is the essence of any Indian festival, and Navratri is a portrait of colour, action, music and togetherness. As nine days of non-stop fun, dance and festivities was around the corner the Cultural wing of Dwarka Doss Goverdhan Doss Vaishnav College – Srinath Fine Arts, organized “Utsav Navratri-Dandiya Ras” on 30th September, 2022. The event was organized exclusively for the girls of D.D.G.D.Vaishnav College and M.O.P.Vaishnav College for Women. All the participants had gathered at the venue at 3:50pm teeming with anticipation and excitement, draped in breathtaking traditional attire. The event began at 4:00 pm. DJ of the event was an alumni of D.D.G.D.Vaishnav College, Chetan Sharma. As the dusk set in , the DJ blasted the fine tunes for the evening , commanding the students to get lost in the world of festivity with fun and frolic beats of dandiya songs . The lights were dimmed to ensure a thrilling atmosphere where everyone danced to the rhythmic dandiya beats. The Principal of D.D.G.D.V.C, Captain .Dr.S.Santhosh Baboo and the Secretary, Shri.Ashok Kumar Mundhra graced the occassion with their presence. The delightful sight of the energetic light –footed girls swirling in graceful rhythmic garba and enthusiastically playing Dandiya evoked admiration among all present there. The Participants began to disperse from the venue at 6:15 PM. A special mention is to be raised to the Chennai Police for providing protection and patrolling during the event.

12. Outcome of the Programme:

As the name “Utsav” suggests, the objective of this event was to bring people together and celebrate the festival of Navratri through dance and celebration. Connecting the young generation to the rich culture that is the Indian heritage. The event “Utsav Navratri- Dandiya Ras” was a grand success, fulfilling its purpose.

Name of the Event	:	Food Donation Drive
Date	:	16.10.2022
Venue	:	Arumbakkam and Koyambedu Circle
Organizer	:	Dr. R. Premalatha , Department of B.Com (F & T)
No. of Volunteers	:	15 Students + 1 Faculty
No. of Beneficiaries	:	150 people

Head
Department of Finance and Taxation
Dwaraka Doss Goverdhan Doss
Vaishnav College (Shri. Ashok Kumar Mundra)
Arumbakkam, Chennai-600 106.

VISION:

- To bring hope during despair, by offering financially poor people a chance for a better life and a brighter tomorrow.
- To solve the crisis of hunger by providing food packets and water bottles for lunch on the occasion of World Food Day.
- To bring happiness in the form of food amongst those facing a life of turmoil and struggle.
- To realize that charity is vital in life and develops the habit of generosity.
- To counter poverty, hunger and at the same time, improve harmony, friendliness, and contentment amongst them.

REPORT:

Food is one of the basic necessities of humans and it stands first among all the basic needs (food, shelter, and clothing). So, on the occasion of World Food day of our country, the students of our department contributed feasible amount with which we bought 150 food packets and water bottles and donated it to the poor people in and around the area of Arumbakkam and Koyambedu. India is a developing nation and problems such as hunger and other issues are still prevalent to a large degree. We tried to contribute our best by connecting the people in need with the providers and donors from our department.

OUTCOME OF THE INIATIVE:

- Brought hope during despair, by offering financially poor people a chance for a better life and a brighter tomorrow.
- Solved the crisis of hunger by providing food packets and water bottles for lunch on the occasion of World Food Day.
- Brought happiness in the form of food amongst those facing a life of turmoil and struggle.
- Realized that charity is essential in life and developed the habit of helping.

TIME : 11:30 – 1:30 PM

VENUE : SEMINAR HALL – II, 2nd FLOOR, DDGD VAISHNAV COLLEGE,
ARUMBAKKAM, CHENNAI – 600106

MODE : OFFLINE

STUDENT COORDINATORS: NAVEEN THOMAS. G, RESHMA NANCY. F

- **MASTER OF CEREMONY:** SAMYUGDHA.S
- **WELCOME ADDRESS:** SUNIEL
- **PROFILE READING:** MAHESHWARI
- **VOTE OF THANKS:** NAVEEN THOMAS. G
- **TECHNICAL AND PHOTOGRAPHY:** SAI BALAJI

FACULTY COORDINATOR: Dr. AKILESWARI. S

RESOURCE PERSON :

Ms. GOWRI. P.S, PROJECT DIRECTOR, AID INDIA, CHENNAI

STAFF PARTICIPANT: 1

STUDENT PARTICIPANTS: 44

DETAILED REPORT OF THE EVENT:

The session on Diversity, inclusion and equity in education commenced at 11:30 AM with a ‘Thamizh Thaaivazhthu’. The master of ceremony was Ms. Samyugdha of 1st MSW, the gathering was welcomed by Mr. Suniel of 1st MSW and the guest introduction was given by Ms. Maheshwari of 1st MSW. The session started with an introduction of the guest herself that she had completed her MBA (HR) and currently working in the NGO - AID India. There were two questions for the students: ‘who were the students from rural areas?’ and ‘why did all of you choose MSW?’ There were around five to six responses for the first question and this question was asked as the session was related to rural education. For the next question, Reshma Nancy and Nalini replied that there was practical exposure in this field and lots of opportunities to learn about and with people, making this course unique. The next question for the students was to make this session more interactive: ‘what were the words that come to their mind when they hear the term “school education?”’ There were lots of replies simultaneously from the students, and a few words were; hard work, teachers, exams, report card, rote learning, hours and hours of study, pass and fail, and so on.

Then directly the guest lecturer moved to the topic and stated that enrolment of students into education is not the current issue, as more than 99% of the students are enrolled in schools in Tamil Nadu but the quality of education and learning is the issue. There were statistics provided that;

- Only 40% of the students in 5th grade know to read Tamil, which could be read by 2nd-grade students
- Only 25% of the students in 5th grade know to read English, which could be read by 2nd-grade students
- Only 25% of the students in 5th grade know to solve simple mathematical problems, which could be solved by 2nd-grade students

It was also informed that few students in school by – heard the paragraph through images in that paragraph so that they could read that paragraph; due to this, the students are unable to read any sentence in the invitation or new paper or any other source. The quality of private schools in rural areas is found to be similar to that of government schools in rural areas due to which the complete education of the students is affected. Communication also gets affected because of this. The guest lecturer also mentioned that to practice the Tamil language there is an environment but to practice the English language there is a lack of an environment and in rural areas the situation is even worse. The lecturer added that parents are also a reason for the lack of quality education, especially in government schools.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

In any private school, if the child is not studying well, the parents would check with their teachers but in any government school, if the child is not studying well, then the parents would reply that it is the fault of the child and he or she may have no interest to study.

The parents of government school children have no awareness that if the child is not studying properly the teachers can be questioned.

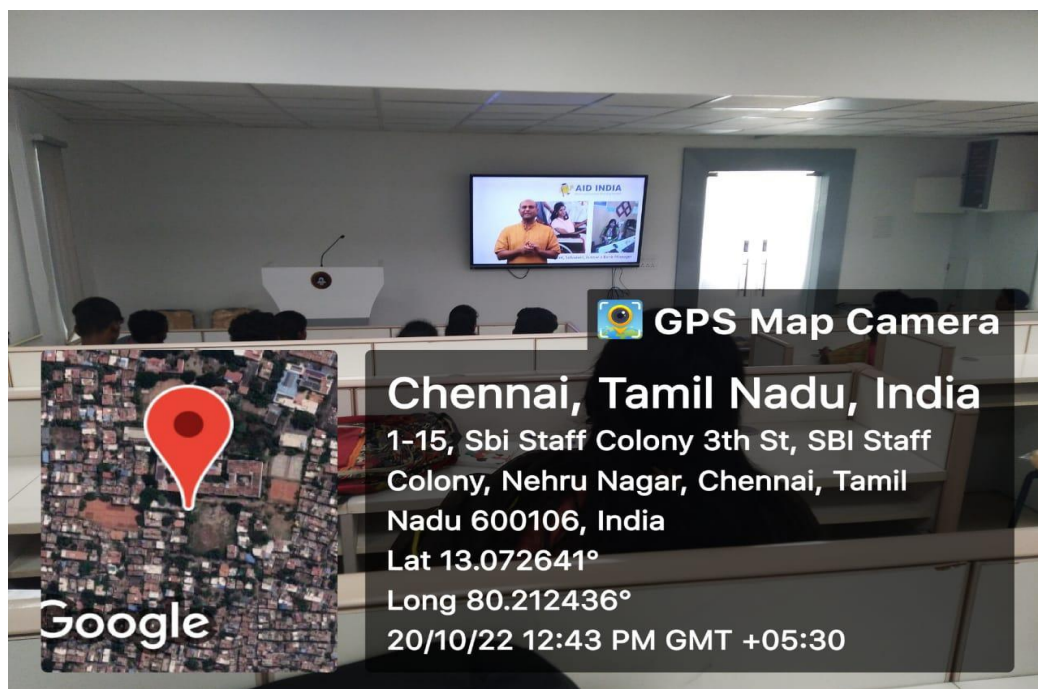

The guest lecturer then touched upon the work that is done by their team. They visit villages and handle after-school sessions wherein the students will be taught by providing individual care so that their need is identified and fulfilled individually. In few villages, the maximum education that they pursue is 7th or 8th grade, and entering graduation is one of the biggest challenges. Bairavar colony is a village, inhabited the Irular community and this organization works there, children in that community play with live rats as there are no resources to play with. Apart from playing, they do not have any resources for their daily living. The funds are provided by the corporates as a part of CSR activity and they also accept individual funds from donors. This organization also builds houses for the needy apart from providing education to the students.

The session came to an end by proposing the vote of thanks by Naveen Thomas. G of 1st MSW and then followed by National Anthem.

OUTCOME OF THE EVENT:

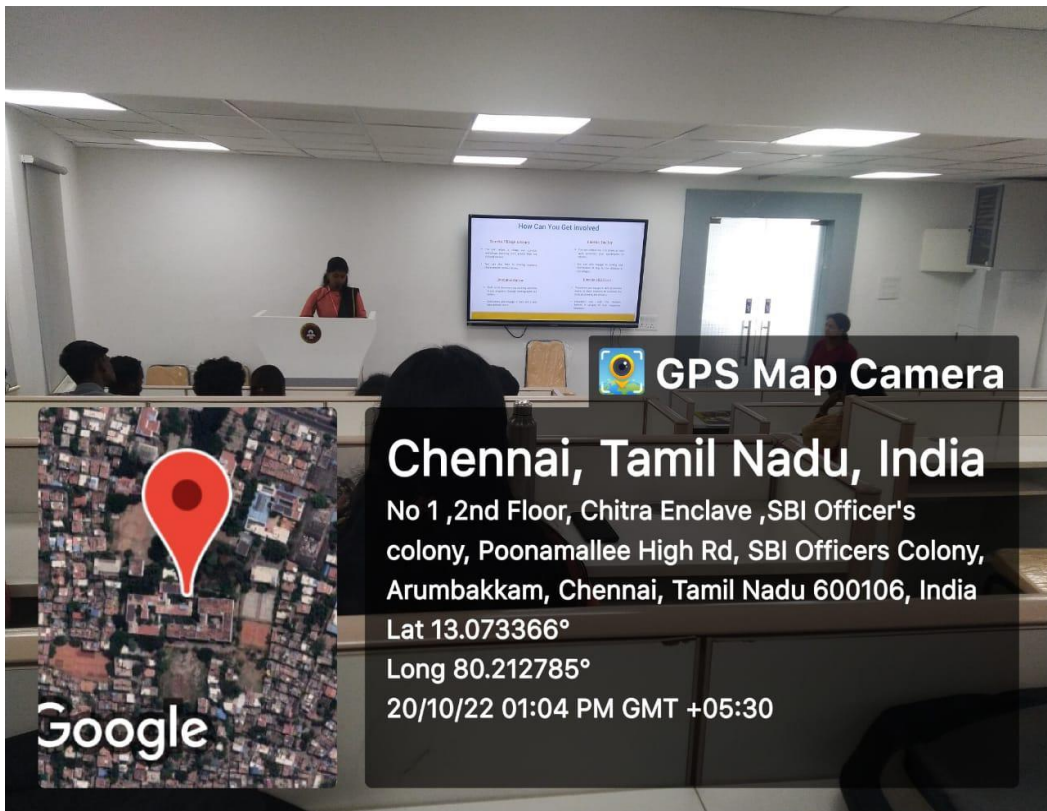

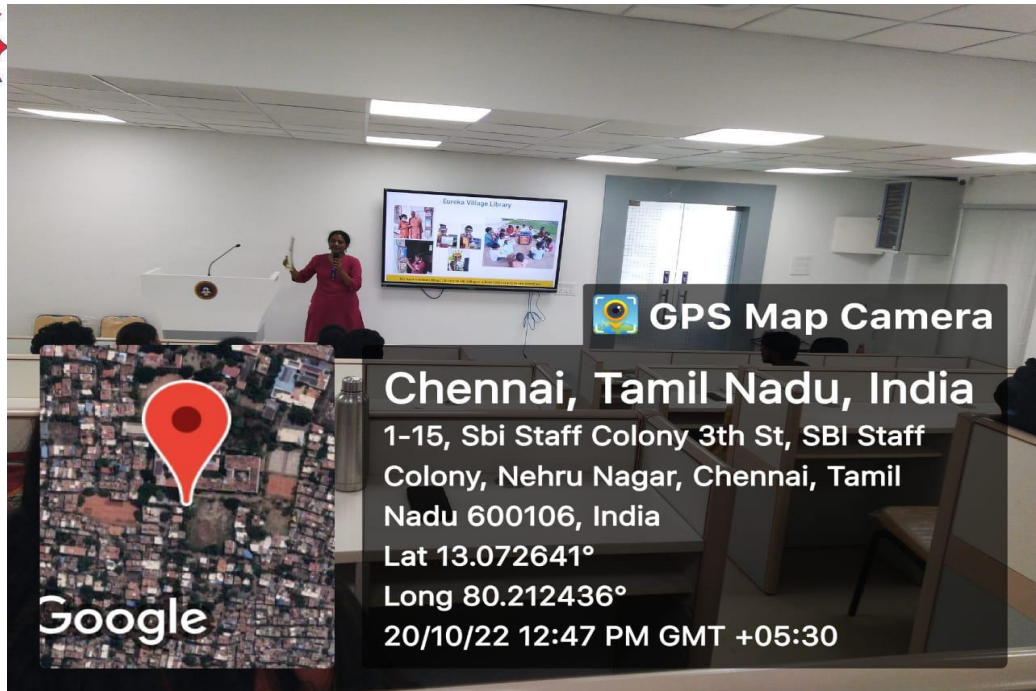

- The students learned the importance of quality education and the reasons the for lack of quality education.
- The students had an awareness of rural education and the statistics pertaining to rural education.

Vaishnav College.

College with Potential for Excellence

Organizer: Department of psychology, Dwaraka Doss Govardhan Doss Vaishnav College (shift-II).

Faculty coordinator: Jyotsna. N

No. Of participants: 145

Report:

A seminar was conducted on the topic of Cyberspace and caste behavior in Tamilnadu , ontological security prospective and Geo psychology of Indian Nuclear behavior. It was organized by the department of psychology for all the three year students on 15/11 2022 in the Vallabhacharya auditorium. The seminar was conducted by two speakers DR R Vidya and Mr Adarsh Vijay.

The first speaker of the seminar was Dr R Vidya. She focused on cyber space and caste behavior in social media and every other media platform. She also spoke on how institution of castes has influenced the social media and the modern world. She spoke on relationship between the online world and the cast, about the ontological insecurity and security of it, and about "modernity and self-identity quotation" by Anthony Giddens.

The second speaker was Mr. Adarsh Vijay who spoke about the Geo psychology of Indian Nuclear behavior. He covered the topics like characteristics of Geo psychology theory, about the casualties of Vietnam people and about the project A119 nuclear bomb attack on the moon.

He also spoke on the concepts of proliferation and idealism of constructive realism, Marxism and about Pakistan and China being in the continental mindset. This seminar had given the students the opportunity of learning our country's nuclear behavior and how it is connected with psychology and also about the ontological security and caste behavior in Tamilnadu.

The resource people were practical and interesting and made it easy for the students to gain information and have an idea about the concepts.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

Outcomes:

- Provided the students a clear understanding about caste behaviour in today's world.
- Provided the students an awareness about the relationship between caste behaviour and cyberspace.
- Provided the students with an idea about the concept of ontological security.
- Provided the students the knowledge of India's Nuclear Behavior.
- Provided the students with the awareness about the field of Geo Psychology.

12. **DETAILED REPORT OF THE PROGRAM:**

To understand students/ children with special needs, we need the binding and help of their parents, in most cases. As this forum has students from different departments and the teachers in this forum may not be teaching these students, special initiatives like these become necessary to build their trust in us and to help them approach us. This trust in others, beyond parents, is THE ROOT for their success and survival in life. Many times, this needs help from parents.

Ms. Reena, a special educator, and mother of a special child addressed the parents especially the mothers, on why parents should take care of their Physical health, Emotional health, and Social health, so they do not get overwhelmed in the process of supporting their children. The Anecdotes from her life, and her students' life moved everyone. It made every parent wake up to take care of themselves.

Next, she addressed the students to hone their skills, and not worry much about their challenges. Especially having come up to the graduate or post-graduate level, most of them have awareness and acceptance. Next is to jump into action she made it a point that these students should keep a note of their strengths and skills, so they can go in that direction.

The next session was by Dr. Vijayalakshmi, Head of the Data Science department of our college. And a mother of a special child who has been selected to represent our country in the Olympics in Swimming.

She guided all the parents on getting a National Disability card, UDID, and Divyangjan Railway concession card. She helped them understand the importance of applying for these cards and the renewal of these cards from time to time. Parents had so many queries, that they could exchange with other parents and teachers. This was a very nice interaction session that gave us so much satisfaction.

Our Principal addressed the parents and encouraged them to walk into his office anytime for solutions and come up with suggestions. With his support, we plan sports and games for our cell students and others.

Our college secretary joined us, and we could see he was moved to know about the talents of our students. He has assured us all of our support and wants us to plan different programs that can help our institution be more inclusive and sensitive to needs, and be a true Vaishnav as Narasing Mehta envisioned in his Vaishnav Janato Tene Kahiye song.

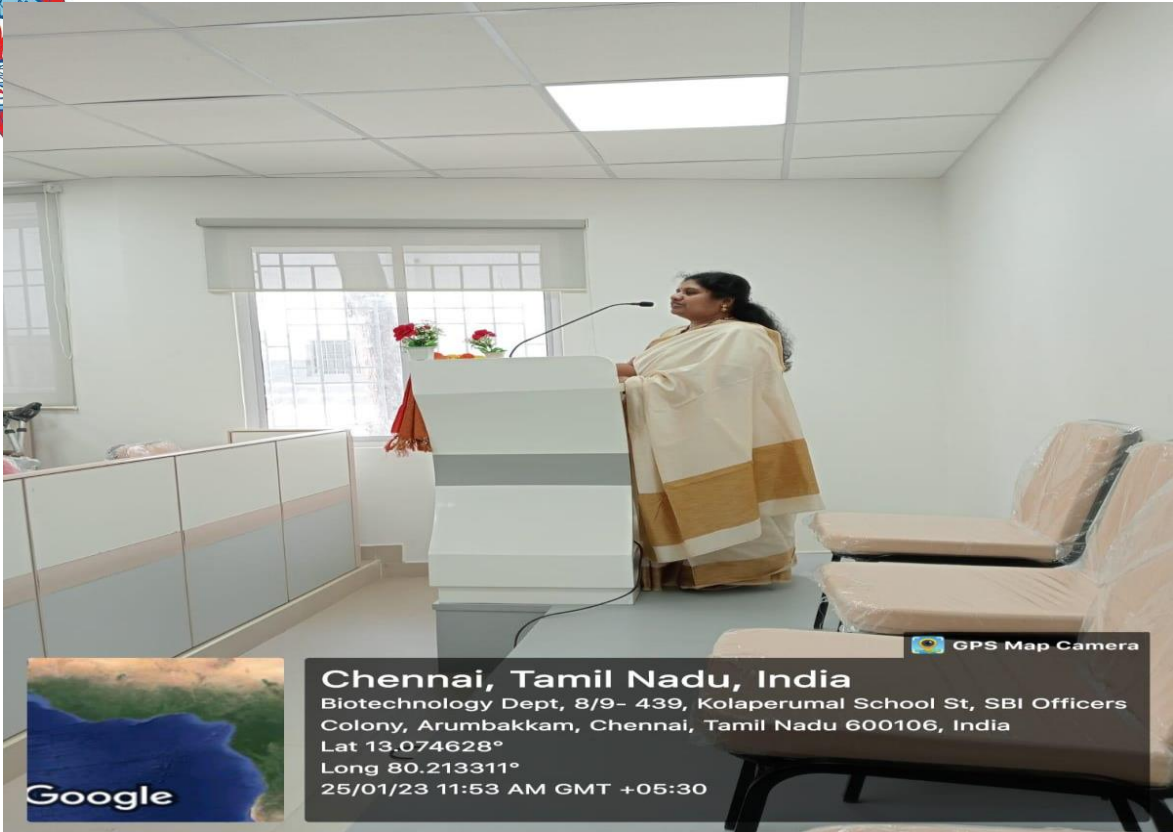

Dr. Vijayalakshmi, Head of the Data Science Department, Dr. Vijayalakshmi, Department of Commerce (A& F) and Dr. V. Sangeetha, Department of Physics coordinated today's program with students, parents, and volunteers.

Work done by volunteers in calling the students, reminding them, helping them physically to reach the venue, helping the parents, hospitality, creating an invitation, running errands, taking photos/videos, and helping the students get back. Our forum appreciates empathy, and we are sure that someday you will be an excellent human being.

13. **OUTCOME OF THE EVENT:** The session has given motivation to the parents to bring their child in a better life. Also the session helped the parents to understand the procedure for availing the opportunities given by the Government.

Detailed report

An orientation session on **Wellness for teachers** has been conducted for all the teachers of Dwaraka Doss Vaishnav College on two days and in 4 time slots. Time slots allotted were - 10am-11am, 11.30 am-12.30pm, 2pm-3pm, 3.30pm-4.30pm. This was to facilitate the participation of teachers in small groups without affecting their class/shift hours. On the first day (24/1/23) a total of 69 teachers had participated and feedback on the session was good demanding more sessions in future. The concept of 'Stigma' was discussed in detail and when to take professional help while going through difficult times has been discussed.

On the second day (31/1/23) a total of 49 teachers had participated and issues discussed include handling emotions at home and workplace, balancing work and self and how to deal with a student going through distress. Examples from daily life scenario has been brought for discussion and the need to focus on physical and emotional health has been reiterated with techniques.

GUEST PROFILE

Ms Merita Joseph is currently working as Deputy Manager at Dignity Foundation since 11th June 2018. She is also an External Committee Member in CMRL to deal with matters concerning Sexual harassment of women in the workplace, a Women Representative in the Grievance Redress Committee, CMRL, Institutional Expert for Social Sustainability and Grievance Management Framework. She completed her

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

Master's in Social Work (Medical and Psychiatry) at Madras Christian College. She has 14 years of experience in the social development sector where she worked as an Asst. Director, JMILL and as Program Coordinator in JM Foundation. Additionally, she worked as Research Associate at Uravugal Social Welfare Trust, as a Mobilization & Training Specialist in Public Works Department - Water Resource Department for the IAMWARM project, as a Medical Welfare Officer at Fortis Malar Hospital and so on. She is an expert in counselling, group work, group therapy, Development Projects, Stress Management workshops, reporting, event management, Documentation and Writing Project Proposals. She is also interested in research and has conducted a study on " Awareness about Child Sexual Abuse among parents". She is well-trained in working with groups, working with individuals, the community, street theatre, puppetry and folk dance.

NAME OF THE EVENT:	GUEST LECTURE ON BUILDING DEMENTIA FRIENDLY COMMUNITY
DATE:	03/02/2023

RESOURCE PERSON:	MS. MERITA JOSEPH
NO. OF FACULTY PARTICIPANT:	1
NO. OF STUDENT PARTICIPANTS:	41

DETAILED REPORT:

The guest lecture on " Building dementia friendly community" began was scheduled on 3rd February 2023 at 2 PM for 1st MSW students. The resource person was Ms. Merita Joseph, Deputy Manager, Dignity Foundation, Chennai Chapter. To begin with the guest lecture, the resource person initially asked the students if they have any elderly at home. It was followed with the question, "How much time do they spend with the elderly at home?". It seemed like few students spend time with the elderly at home. The Dignity foundation was especially started for senior citizens where a few years ago, the founder of Dignity foundation met an old lady in an airport. The lady was lost and she didn't know the local language of that place. She was a native speaker of Hindi and the founder helped that lady by translating what she was trying to say to the airport authorities. It took a few days to trace the old lady's son. He left his mother in an airport far away from his house, so that she won't come back. That was the moment the founder realised that she has to work for the senior citizens.

This organisation worked for senior citizens with Dementia and it is a mental disorder that degenerates brain cells. It can't be cured; however, the increasing seriousness can be slowed down. Dementia stages can be prolonged up to four years. It may be caused due to high levels of stress, depression, severe injury and loneliness. Dementia can be commonly found in people above the age of 60 yet, nowadays many people face dementia as early as 50 years. Before COVID, there were only 36 patients in that organisation whereas currently there are 60 patients which portrayed that after COVID, the number of dementia patients has nearly doubled and that was due to lack of socializing. Dementia mostly affected upper-middle-class people as those people often stay indoors and don't socialize much so it automatically turned out to be a cause for dementia. Whereas the lower class people socialize easily with everyone and were aware of their neighbourhood. They also have lower stress levels compared to upper-middle-class people. Dementia weakens some of the cells and the undamaged cell's storage information will only be remembered which may lead to forgetting the family members.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

There were three stages of dementia. They were

- Mild level
- Moderate and
- Severe level

In the mild stage, only minor differences could observe. For example: forgetting keys, files, driving skills. If it is figured out at this stage then the severity of dementia could be reduced. At a moderate level, communication would weaken. For example, a running fan was suddenly stopped and the patient wasn't able to ask to turn it on again. Instead, he said, something was coming and it suddenly stopped, what was it? This incident recently happened to a patient in the Dignity foundation. Dementia patients faced regular mood swings and they may shout and break things. For that reason, in a few families, the patients were locked in a room forcefully and that made them more aggressive. Most of the organisations which worked for dementia patients often would give high-dosage tablets to control them yet, this is not advisable for the health. Engaging them in activities can be an alternative to that. When they draw, colour, sing, dance, etc, their mind would be distracted and their focus would be on that activity. The last stage is the severe stage. At this stage, dementia patients would become bedridden. The caretakers in India aren't trained and it's considered a low-paid job.

Then a video was showcased to the students by the resource person. The video was about an old lady who was living in a house with her son, daughter-in-law and granddaughter. She forgot to plug in the cooker to cook, wrongly buttoning her shirt and it got more severe. Once she went out to buy food for her granddaughter and she forgot her way back home. She asked random strangers on the road to help her go home, but she didn't remember the address or any details. Her son and daughter-in-law found her on the road. She couldn't recognise them and she asked them to help her go home. Then her granddaughter arrived surprisingly the old lady remembered her granddaughter. She hugged her and cried. That may be due to the stronger bond she holds with her granddaughter.

In dignity foundation, a patient was taken to his home in the car. Suddenly he told to stop the car and said that his house was in that area. That's the area in which the patient lived in his childhood. That place was close to his heart so he remembered that place. There was an activity done by the 1st MSW students. The students were divided into groups and each group has to come up with ideas for creating dementia friendly environment. Each group consisted of approximately five members. Ten minutes were given to the students to develop interesting ideas and some of the noticeable points they came up with were;

- To conduct awareness programs on dementia
- To encourage families to accept them
- To train the caretakers of dementia patients
- Being patient with affected patients
- To ask the patients to narrate their old stories
- To remind them about their achievements
- To spend time with dementia patients

The Dignity foundation has planned to celebrate its silver jubilee celebration for the Chennai branch on 25th February 2023. Intergeneration sports activity has been planned to be conducted at Patrician college. Games such as slow walking and caroms would be conducted between an older generation person and a younger generation person. This would be open to all and anyone could join that event. Followed by that, on March 18th, a talent show was planned to be conducted for the elderly in Balaji mahal. Talents such as storytelling, dancing, and singing shall be showcased. The main celebration would be conducted in July or August at Stella Maris college. A dance show would be performed for all and the prizes for those competitions would be distributed. The guest lecture came to an end by proposing the vote of thanks by Mr. Sudhakar. V.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

OUTCOME:

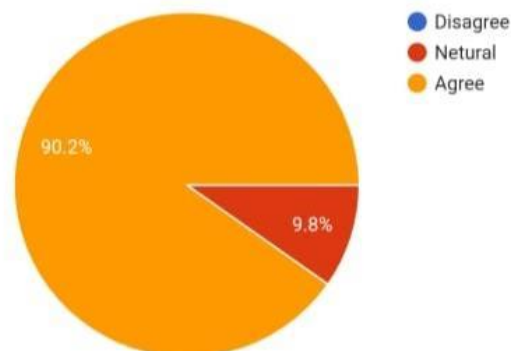

- The students' perspective on dementia patients has changed positively
- The students became more socially responsible by thinking about building a dementia-friendly environment.
- The students understood dementia, its stages, its causes, and how to avoid and prevent it.

FEEDBACK ANALYSIS

Feedback was sent to the students at the end of the session. A total of 41 students attended the workshop and they have all filled in the feedback the results are as follows

Guest Profile:

Ms. Sangeetha Chandrasekhar Counselor- SCARF ,Chennai Ms. Sangeetha Mphil in Psychiatric Social Work from Central Institute of Psychiatry, Jharkhand and Masters in Social Work from Thiruvalluvar University, India She is the coordinator and Research Assistant at SCARF- SCHIZOPHRENIA RESEARCH FOUNDATION, INDIA. Her Research responsibilities include screening potential subjects to define their suitability as study participants, obtain and record history, deliver psychosocial management and ensure follow up tasks as per program schedule She has coordinated NIHR- Global Health Research Group on Psychosis .

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

In her research work she has examined research questions around course and predictors in early psychoses; implementation of psychosocial interventions; designing and incorporating mental health screening and life skills training for students in schools and colleges, creating modules and training materials on early intervention and mental wellbeing to be conducted in schools and colleges. Clinical responsibilities include; providing individual psychotherapy sessions. Besides this she has worked with TT Ranganathan clinical Research foundation. Her Primary responsibilities included planning and conducting outreach treatment camps, awareness campaign, conducted intake interviews, substance evaluation, motivational interviewing, individual therapies, and group therapies, and group therapies for persons with substance use disorder and families of individual with substance use. Handle classes for patients and the care giver and care giver education program. Assigned responsibilities to manage the work load of counselling staff, conducting training programs at industries on substance use and women harassment.

Name of the event: Capacity Building and Wellness programme for COE Staff

Date: 07/02/ 2023

Time: 11.30AM TO 1 PM

Venue: COE office , 2nd Floor, Office Building , DDGD Vaishnav College, Arumbakkam, Chennai – 600 106.

Mode: OFFLINE

Organizers: IQAC & P.G.Dept.of Social Work

Faculty Coordinator: Dr.Sulu Priya

Resource Person: Ms.Sangeetha Chandrasekhar

No. of Faculty Participants: Nil

No. of COE Participants: 14

Detailed Report

The session started with a brief outline of the profile of the Resource person. She had explained about the various stages of life and the challenges that we face. Some case examples were discussed to set the context on the need to build capacity in the work place and thereby enhance productivity.

Techniques to prioritize each day's task, how to seek help in the workplace, stress management and career development were discussed in length.

The participants were oriented on upgrading themselves and the opportunities available for them. They were enlightened on the counseling service available in college free of cost. An orientation on the type of counseling services provided was given. Handling emotions at work was discussed . Managing Interpersonal relationships at work and team work were also discussed. The session ended with a Q& A session. The participants were interactive and involved in the discussions that followed the session.

Outcome of the Programme:

- Awareness on the challenges that occur at work
- Capacity building- Needs and methods were highlighted
- Managing stress at work was discussed
- Work improvement plans were taught

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

To develop effective Science communication skills in Tamil, **Department of Physics, Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai** held a workshop *Ariviyal Pesalaam, Vaanga - Come, let's talk Science*, a two day workshop on **Feb 21-22, 2023** with below as key objectives.

- Give an overview of opportunities available in the field of journalism or media to report Science based activities in Bharatiya Bhashas, with more focus on Tamil, translate research outcomes and with practice, it can be made as their vocation too.
- Introduce young minds to S&T initiatives of our government in different Bharatiya Bhashas - like VIGYAN PRASAR, INDIA SCIENCE, CSIR @ 80, CSIR-NISCAIR to take Science and Technology to students and common man.
- Learn about , Ariviyal Palagai, a DST Vigyan Prasar initiative in TAMIL
- Understand transdisciplinary approach and collaborative skills are necessary for future
- Build Tamil vocabulary pertaining to different fields of S&T
- Provide a platform to meet Tamil journalists, bloggers and Tamil Science writers
- Understand Science communication in Tamil – Print media and electronic media - Challenges and Support system in place

2. Schedule of the Programme

Day-1 (21/02/2023)

Registration:8.45 a.m.

Inauguration: 9.30-11a.m.

Inaugural address : Dr Sudha Seshayyan, Former Vice-Chancellor,

The Tamilnadu Dr. MGR Medical University, Chennai

Technical Sessions

Session 1: 11.30 am -12.15 pm

Science Communication in Regional Languages

Dr C Vijayan,
Dept. of Physics, IIT Madras, Chennai

Session 2: 12.30-1.15 pm

Tamil Science Fiction-Significance, opportunities & Challenges

Shri. Sudhakar Kasturi,
Tamil Writer

Session 3: 2 pm -2 45 pm

Creating stories from events

Mr. J.Chandramouli
Journalist

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

Session 4: 3 pm-3 45 pm

Meet Tamil writers

Shri. V.V.Balasubramanian
Vivekananda Kendra

Day-2 (22 Feb, 2023)

Session 5: 9.00 -9.45 am (parallel sessions)

a. *Muthamizh Arignar Project & CSIR @ 80*

Dr V Renganayaki, Asso.Professor
Dept. of Physics, DDGD Vaishnav College

b. *Science Journalism*

Thiru.M.Muruges, senior Journalist, The Hindu Tamil Disai

Session 6:10-10 45 am

From Moonrise to Masala Dosa

Shri. Rangarathnam Gopu
Science Enthusiast, Varahamihira Science Forum

Session 7: 11 a.m -11.45 am (parallel sessions)

a. *DST Vigyan Prasar Initiatives popularising Science*

Dr.Lenin Tamil Kovan
Scientific Officer
Tamilnadu Science and Technology Centre

b. *Ariviyal Palagai, Vigyan Prasar , DST initiative in Tamil*

Mr.Srikumar Balakrishnan
Head, Ariviyal Palagai

Session 8: 12 noon - 1pm

Science Journalism

Dr.Ku Vai Balasubramanian
Meteorologist, IMD (Retd)
Translator/ Writer

Lunch

Session 9: 1.30pm -2.15 pm

Popular Science writing
Mr. Sivaraman Halasyan
Tamil science writer/ youtuber

4. Summary of the Programme - youtube link also attached

Inauguration - 21, Feb, 2023

After a formula welcome, Dr.V.Renganayaki, Joint Coordinator of this workshop threw light on Bharatiya Bhasha Samiti and its objectives.

Dr.Uthra, Coordinator addressed the audience about the need for such a workshop, its key objectives and gave an outline on the rationale behind each of the technical sessions.

Principal, Dr.Santhosh Baboo felicitated the chief guest and spoke about the importance of learning in mother tongue. He reinforced the need to bring out textbooks in different languages along with books for the general public, to understand our country's growth in S&T.

In the captivating **inaugural address** by Dr Sudha Seshayyan, Former Vice-Chancellor, The Tamil-nadu Dr. MGR Medical University, Chennai, she beautifully narrated how ancient Tamils integrated Science with their life, citing examples from Sangam period. Very casually they were able to couple knowledge, what is

Scientia , essentially Science in their verses. Centuries before Pascal, in Moothurai () verse, Ouvaiyar says how ever one applies force, no container () can hold more than its capacity. This shows their deep understanding and practical ability, which we should learn to appreciate. At the sametime, with times evolving, there is a need to expand scientific vocabulary in every language. She quoted how important it is to use Scientific words very precisely based on the context. Especially being a medical practitioner, every word they use to document a patient's medical records are very crucial for the individual and families. This caught the attention of every participant and they could relate with the importance of scientific terminologies. She insisted on the need for a transdisciplinary approach for science communication in regional languages.

This was followed by the release of four books on Science/ Education in Tamil for the public, written by the teachers of the Physics Department.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

These were received by Dr.C.Vijayan, Prof. of Physics, IITM and Mr.Dorairajan. Also commemorating the National Science day that was nearing, a portrait of Sir.CV Raman was unveiled. This was made from wires and resistors and other electronic components by the students, integrating STEM with Art.

Technical sessions

Session 1: *Science Communication in Regional Languages* by Dr C Vijayan, Dept. of Physics, IIT Madras, Chennai

He insisted how learning in mother tongue enhances absorbing, retaining information and helps in processing it faster. Efficient learning is possible for many, but effective learning is possible only through mother tongue in formative ages mainly. To understand concepts deeply and to enhance problem solving skills, we need books in regional languages that help higher order thinking skills. Students could connect with this idea and how they can improve this skill. He shared his experience and the need for writing a book “*Velicham*” on concepts of light in Malayalam to help school and college students assimilate these concepts better.

Session 2: *Tamil Science Fiction-Significance, opportunities & Challenges* by Shri. Sudhakar Kasturi, Tamil Writer

This session took the audience on a trail where they lost and found themselves, waking up to the fact that along with language skills, one needs solid foundation on Science concepts/facts before envisaging to scifi writing. Students were moved when they learnt about our country’s greatest science communicator Prof. Yashpal’s ideas about geostationary orbit. Interaction with the speaker gave them a good hold on what one takes to become a writer in current scenario.

Session 3: *Creating stories from events*, Mr. J.Chandramouli, Journalist

Mainly focussed on creating storyboards out of real events, through an National

Innovation foundation prize winner’s story. How this innovation easing roadside *ironwallah’s* drudgery through solar power.

Session 4: *Meet Tamil writers*, Shri. V.V.Balasubramanian, Vivekananda Kendra

This session literally helped every participant to connect with people/tribals living remote corners of our great Bharath. Being in publication division and in youth empowerment, the speaker captivated every participant, describing to them the yeomen service done by kendra in islands of Andamans or interiors of Bihar or hilly regions of Assam. Participants had a lot of questions for him on how they too can volunteer. This helped them to realise why we need to contribute towards their growth, empathise, and how they can contribute in Bharatiya bhashas to connect with them.

Session 5: a. *Muthamizh Aringar Project & CSIR @ 80*, Dr. V. Renganayaki

This session was designed to help students to explore various projects of our Government to popularise science and TN government’s Muthamizh Aringar project creating and translating science books for students. She helped every participant translate posters from CSIR@80 and CSIR SVASTIK to Tamil, a new experience and a new skill they learnt here.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

b. *Science Journalism*, Thiru.M.Murugesu gave a glimpse on publication divisions, how to hone one's skill as a journalist. This was a hit with students where for most of them meeting a senior journalist was a dream come true. He asked them to delve deep into any subject they choose.

Session 6: *From Moonrise to Masala Dosai* by Rangarathnam Gopu

From beginning to end, this session questioned what we have read from textbooks, and what we have missed to learn from IKS. How marvelous and well developed was our technology much before the West! Even in the 9th Century, a simple well design in a remote village speaks volumes about the geometry knowledge, engineering prowess we had. This session opened everyone's eyes to why we need to understand our Bhartiya system, take it to the masses with the correct rationale, and why we need such workshops to take these in the Bharatiya perspective.

Session 7: a. *DST Vigyan Prasar Initiatives popularising Science*, Dr.Lenin Tamilkovan

b. *Ariviyal Palagai, DST initiative in Tamil*, Mr.Srikumar Balakrishnan

Vigyan Prasar under DST, Govt. of India has publications, periodicals, kits in many

languages. IndiaScience channel helps students to learn about different R&D labs, institutions and innovations. Ariviyal Palagai is an initiative in Tamil, which takes science to the public through youtube videos, interviews and write ups. Participants were amazed to know such initiatives.

Session 8: *Science Journalism*, Dr.Ku Vai Balasubramanian

His anecdotes from Tamil literature on meteorological facts, made students throw a lot of questions eliciting answers. He clearly emphasized why and how significant it is to understand the causes, difference and connection between rain, downpour, floods, cyclones, tornados. Especially in this whatsapp age, where more misinformation is spread, it is necessary such workshops provide young minds to understand the facts and help the public filter correct information.

Session 9: *Popular Science writing*, Mr. Sivaraman Halasyan

This session gave an overview on many participant's questions - how to choose content for youtube or insta reels in science. He practically handled their curiosity and wanted them to get updated with news and current happenings. This comes with disciplined work and regular reading habits.

Session 10 : *Dubbing Science Videos* , Dr.D.Uthra

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

Arvind Gupta has created an excellent resource material to learn science through videos. This session helped students to explore this wealth of learning material and disseminate this in their own languages through dubbing. Every participant could choose a one minute video and dub them. This way, in future they will help us to create materials in different bhashas of our Nation.

Valedictory & Feedback :

Students from Physics, Chemistry, Botany, Biochemistry, Tamil literature, Mass communication, Journalism, English literature and from different city colleges reaped benefit in this two day workshop. Many of them expressed this workshop helped them break their mental barrier and helped them understand transdisciplinary is way ahead. Meeting journalists, writers, Science communicators gave them a new outlook, and most of them wanted this kind of workshop to be conducted next year too.

4. Conclusion of the Programme

In this workshop, from inaugural address till valedictory, participants were actively engaged, were guided to think about communication in regional languages. They got a glimpse of how Bharatiya bhashas are connected many times, though we are not aware of it in our daily chores. The necessity to grow our communication skills and building our vocabulary would help us to become a strong nation as such. Enriching our own mother tongue or language we speak in our region as S&T grows, various ways for these were discussed. Usage of words, translating them appropriate to the context kindled everyone's mind. Interacting with media professionals opened up a new area on job opportunities for most of the student participants. They understood the need to integrate S&T to mainstream media and definitely there is a need for science journalists in every media house.

Participants learnt to translate articles, dub videos. They could learn the nuances in writing Sci Fi for the Indian audience, especially in our own languages. They were excited to learn about opportunities galore as sci fi writers, do science documentaries, write content for museums/zoos/science centers. When they learnt about technology used by our Bharitiyas, which we have forgotten now, every one of them felt the urge to learn more and pass this knowledge to others around. Contributions of Brahmagupta, Varahmihira, our ancient chemists, astronomers came alive which the textbooks do not talk about.

Current initiatives of our government to take S&T in different languages across our country enthused them and reinforced their faith in the progress of our nation when we put our heart and soul towards it.

(AUTONOMOUS)

College with Potential for Excellence

5. Outcomes of the Programme

1. *houses, while they* This trans-disciplinary workshop could bind students from humanities to a Science Department, in the way shown by STIP 2020.
2. Able to help participants understand S&T initiatives of our government like VIGYAN PRASAR, INDIA SCIENCE, CSIR @ 80, CSIR-NISCAIR to take Science and Technology to students and common man.
3. Students and other participants could learn about Ariviyal Palagai, a DST Vigyan Prasar initiative in TAMIL
4. Participants could interact with Tamil journalists, bloggers and Tamil Science writers, some of them freelancers, some are journalists. By interacting with them, they got an overview of opportunities available in the field of journalism or media to report Science based activities in Bharatiya Bhashas, with more focus on Tamil. And most importantly, how to search for facts, improvise their content and build vocabulary based on the context.
5. Get a glimpse of Science communication in Tamil – Print media and electronic media - Challenges and Support system in place. *Finally, journalism students felt that they were yet to meet science journalists in media who have met specially dedicated sports journalists, finance analysts or political journalists.* This perception itself is a success of the workshop.
6. Could make them understand the necessity for creating new words, and being gendersensitive, age-appropriate, context appropriate and being sensitive towards marginalised communities while creating words
7. Participants could do dubbing Science videos for media , a step towards reaching public, build a skill
8. Participants felt My culture, My pride, My duty by Translating texts in Bharatiya bhashas, here in Tamil of CSIR280 and NISCPR SWASTIK- translations by participants attached along with this file
9. Three participants who were **visually challenged also got benefitted**, which made us feel this workshop is inclusive in different ways.
10. Pre -workshop questionnaire and assessing Learning outcomes for every technical session was designed to intellectually stimulate the participants. This itself can be used as learning material for many other workshops. - These are attached

11. Recommendations

1. Knowledge transfer in Bharatiya Bhashas is possible, but a sustained effort is needed along with a support system, as given by BBS now.
2. Need a network of those who work in transfer of knowledge
3. We can think of comics in different languages (Ayushman comics done by Ministry of Ayush)
4. Journalists should be empowered to speak about science better
5. Citizens, students , parents need access to materials in different languages- both digital and hard bound. Example, Vigyan Prasar materials, CSIR @80, SVASTIK materials to be made more popular in all languages. Need more citizen science movements.
6. Tradition, history, art, culture, food connect every citizen of Bharath. If new generation has to realise this, we need to integrate these into our academics in a sustainable manner
7. Bringing in dance forms of various tribals/ states speaking different bhashas but based on our own culture can be used to convey this message.
8. We can think of bringing out the biography of Bharatiya scientists (which are already documented by DST) with help of IITS/IISERS funding or their SSR activity. Each of them can cover each language specific to their area too.
9. Such booklets in different bhashas would help schools to perform them as drama/ dance dramas/ skits in different languages. This way, young minds will understand the greatness of our *bhumi*.
10. Kollu or navarathri dolls of Scientists like Acharya PC Ray, Acharya Bose, Sir CV Raman, Srinivasa Ramanujam, Janaki Ammal and many more made by different artisans of our country is a need to spread just Science, but the feeling of oneness.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(AUTONOMOUS)

College with Potential for Excellence

11. While creating banners, content we felt the need for BHARATIYA faces/ characters in googleimages are missing in pixabay, insta...anywhere. There is a need now.
12. A single museum where a collection of instruments used by Bharatiya scientists from 1880- 1940 of our country could take Science communication farther and further.
13. Every existing Science centre/ Museums in every state can have multiple language audio facilities in Bharatiya bhashas. Say, if one visits a museum in Jaipur, they should be able to learn about our country in Tamil or Telugu too.
14. Archives in different IITS, IISERS can help us unite through S&T, history of Scientists, innovations , instead of citizens being just consumers of Technology. This would help people in different regions speaking different languages believe in the growth of our country as a single mission.
15. Science communication needs a big funding, thrust, significance if it has to make its impact in our country. TV channels and print media, airport book shops, Museums, archives, academia, R&D - all of us need to work in sync to achieve this in Bharatiya bhashas. It is possible with more limelight and support.

**Dr. J. Satish honouring the resource person
With a Memento**

**Shri. P. S. Srikumar interacting with the
participants on Campus to Society**

REPORT ON THE DISCUSSIONS:

The Resource persons discussed the following contents in their presentations:

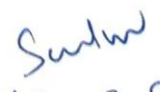

Campus to Entrepreneurship:

The idea of Campus Entrepreneurship has been catching on. Colleges and universities are focusing on promoting entrepreneurship among students. It is an accepted fact that like any other skills these skills can also be acquired. There is need to generate employment in all economies whether developed or developing world. Hence the focus is on Entrepreneurship, which leads to innovation and value creation for the entire society. The incubation centers, mentors, angel, venture capitalists and government policies are providing an enabling environment.

Campus to Corporate:

Transition is an on-going process in everyone's life that takes place at different stages. This might be from the final years of school to the early years of higher education, occupational training, independent living or social opportunities. Also it can be from the final years of college/campus to the early years of one's career. Transition from campus to career needs more attention as it involves a lot of planning. The objective of the planning must ensure that the person possesses the necessary skills to

(RAKESH SHANKAR)

PG & RESEARCH DEPARTMENT OF COMMERCE SHIFT- I

Report – [Value Education Workshop] Sustaining Values for Life Long Learning on 21st March 2023

enable the person to cope up with the corporate culture and climate. Campus life and corporate life are fundamentally different. If one continues to have same expectations from his employer as he/she had from the professors in the campus, one will be highly disappointed and damage the career success as the culture of education is so different from the organizational culture. So, we need to bridge the gap.

Campus to Society:

Social Entrepreneurship aims to solve social problems and focus more on giving social impact on society. Entrepreneurs have been instrumental in spurring social change and improving the way people live and work. They help raise the standard of living for everyone by creating jobs and making products safer, less expensive, and more functional.

OUTCOMES AND WAY FORWARD:

The Outcome and Way forward of the Workshop is as below:

- Possibilities of Enhancing communication skills. Build self-confidence and self-esteem. Rapport building.
- Identification of business opportunities, entrepreneurship, business startups, and business management for the prospective student – entrepreneurs.
- To help students transition smoothly into social - corporate life by a series of mentoring and orientation programs.

1. **NAME OF THE EVENT:** Paint the Colour of happiness
2. **DATE:** 11.03.2023
3. **VENUE:** PANCHAYAT UNION, PRIMARY SCHOOL, PERUNGUDI.
4. **MODE:** Offline
5. **ORGANIZERS:** LucAFama Socio Warrior
6. **FACULTY COORDINATOR:** Dr. C. P. Vijayalakshmi, Assistant Professor,
Department of Accounting and Finance,
DDGDVC College.
7. **NO. OF STAFF PARTICIPANTS:** 1
8. **NO OF STUDENTS PARTICIPANTS:** 120
9. **DETAILED REPORT OF THE PROGRAM:**

Socio warriors, the social wing of the student's forum of the Department Accounting and finance organized a wall painting event on 11th and 12th March 2023. The motive of this event is to make the students to spend their time in a valuable way by making the environment of the Government School with colour full painting. Government schools lack funds in making the school environment as a student friendly environment. To bring happiness in the government school students face, the team joined its hand with United Being Foundation. Around 120 students participated in this event; the students had helped to make the environment more kids friendly and a surrounding for the young generation to explore their creative minds and ideas. This visit also helped the students to identify the current situation and conditions in government schools. Overall the visit met its objectives.
10. **OUTCOME OF THE EVENT:** The session brought a great experience to the students towards advancement of government schools and to create a positive and broad outlook towards the society.

9. DETAILED REPORT OF THE PROGRAM:

Socio warriors, the social wing of the student's forum of the Department Accounting and finance organized a farm visit event on 06 ,March, 2023as a part of extention activity for the third year. The motive of this event is to make the students realize how much time and effort it takes to grow food grain. Also to bring a sense of respect about farming and farmers in the young inspiring minds. Around 50 students participated in this event; the students had helped the farmers in harvesting paddy. Overall the visit met its objectives.

10. OUTCOME OF THE EVENT:

The Activity made the student to understand the importance of agriculture and also realized the hard work of farmers to give food to us.

6. NO. OF STAFF PARTICIPANTS: 1
7. NO OF STUDENTS PARTICIPANTS: 15
8. DETAILED REPORT OF THE PROGRAM:
To encourage the special need students, socio warrior team organized a small event in the Gurukulam for special children near Anna Nagar on 6.4.2023. Various events such as storytelling, musical chair and ball passing are conducted for these students. Also the volunteers of the team given dance performance for the enjoyment of the participants. The Gurukulam had a strength of around 35 students and all the students enthusiastically participated in all the events conducted by the volunteers of socio warrior team. The management was very kind and showed their hospitality towards the members. The children and the teachers of gurukulam cooperated with the team. At the end of the event the faculty coordinator along with the Principal and the core trusty of Gurukulam distributed the trophies and participation certificate to the fellow students.
9. OUTCOME OF THE EVENT:
The main motive of the event is to encourage the special need students to participate in competition and to bring out their talents. Also this event given an eye open to the volunteers to understand the struggles of special need people. This event encouraged the volunteers to take social responsibility especially with special need people.
