

DEPARTMENT PROFILE

The Department of Accounting & Finance was started in the year 2015 with the aim of imparting broader financial knowledge to students. With the emergence and growth of the financial sector in India as well as globally, the need to specialize in specific domains relating to accounting and finance has increased manifold. The department offers Outcome Based Education (OBE) through a wide range of subjects like taxation, corporate finance, banking, financial management, investment management and accounting papers like financial, corporate, management and cost accounting. to equip the students with knowledge and competence, and enable them to compete in the global economy. The department also encourages its students to organize and take part in various extra-curricular activities within and outside college. The department has its exclusive students forum "LucAFama" which was formed with an aim to interact with various experts and academicians and broaden the exposure and knowledge of the students to the financial world. The forum conducts guest lectures, workshops, academic oriented events, and seminars in the area of finance and accounting. We nurture the talents and skills of our students and motivate and encourage them to take up roles to develop their capabilities and prepare them for the rapidly changing world.

VISION

Our vision is to provide students with an excellent career-oriented and comprehensive academic programme in commerce by integrating education with ethical, humanistic and social learning for enabling them to contribute in a better way to our country's progress.

MISSION

1. To provide strong conceptual knowledge and application skills in the domain of Accounting and Finance.
2. To sharpen the students' analytical and decision-making skills so as to enable them to comprehend the dynamic socio-economic and technological environment and its associated impact on businesses.
