DEPARTMENT PROFILE

With the blessing of Lord Almighty, the Department of Sociology was started in the year 2015 with an aim of providing conducive ambience for learning Sociology. Our vision is to encourage our students, our colleagues, and the community we live in to foster a greater awareness and understanding of the social issues and sociological forces that affect us all. To achieve our Vision, our Mission is to generate knowledge, build stronger communities and promote understanding of social forces. Our commitment is to superior, quality teaching which will propel students into a lifelong search for greater knowledge and understanding of our social world. Our introductory and upper-division courses will encourage students to “think sociologically.” Our students will expand their knowledge and critical thinking, hone analytic skills, and learn to use sociological tools to understand complex social issues, patterns of social structure, and the interplay between biography and history within their program of study and their everyday lives. Together with our students we aspire to be active contributors to sociological knowledge by engaging in scientific research, using accepted sociological theories and methods.
