OUR VISION

Our vision is to produce competent Biotechnologists with profound expertise, providing a sustainable competitive edge to the present society with their entrepreneurial skills.

OUR MISSION

- To impart highly innovative and technical knowledge in the field of biotechnology.
- To create opportunities for multi-disciplinary education, training and research in biotechnology.
- To expand the scope of Industry-Academia interaction towards commercialization of bio products.

MAJOR HIGHLIGHTS

- ✍️ COMPETITIVE CURRICULUM
- ✍️ STUDENT CENTRIC TEACHING METHODS
- ✍️ STATE-OF-THE-ART LABORATORY FACILITY
- ✍️ PLACEMENT & CAREER GUIDANCE
- ✍️ INTERNSHIPS & PROJECTS
- ✍️ WELL EXPERIENCED TEACHING STAFF
- ✍️ STRONG ALUMNI NETWORK
- ✍️ RESEARCH COLLABORATION
- ✍️ STUDENT CLUB ASSOCIATION
- ✍️ INDUSTRY-ACADEMIA COLLABORATION

PG DEPARTMENT OF BIOTECHNOLOGY

The Department established in 2001 with the objective of acquainting and enabling students to excel in the field of biotechnology. The department offers both UG and PG programmes with highly qualified faculty members from diverse areas of expertise and specialization. Keeping up with the latest in education technology, we strive to provide an effective academic and research environment, imparting skills to students that enable them to be competitive, confident, self-motivated, and enthralled by higher education. With the aid of state-of-the-art infrastructure, the department has several instruments to support its academic and research activities. There is a separate library with more than 770 books provided with internet access as well.

VALUE ADDED COURSES

- **Bioentrepreneurship & Bioinnovation**
- **Biobased Algal products**
- **Food Science and Management**
- **Molecular Diagnostics – Current applications & Future trends**
- **Molecular and Analytical techniques in Biotechnology**
