

The 79th Independence Day Celebrated with Patriotic Fervour at DDGDVC

The 79th Independence Day was celebrated with great patriotic spirit at Dwaraka Doss Goverdhan Doss Vaishnav College on 15th August 2025 at the Administrative Block of the campus. The celebration commenced at 7.30 a.m. with a dignified ceremonial start. The National Flag was unfurled by the Chief Guest in the august presence of the College Principal, Capt. Dr. S. Santhosh Baboo, followed by the National Anthem and a ceremonial salute presented by the NCC cadets of both Armoured and Infantry units.

In his welcome address, the Principal emphasised the importance of remembering the sacrifices made by India's freedom fighters and urged students to uphold the values of discipline, service, and excellence. He also acknowledged the consistent support and guidance of the College Secretary, Shri. Ashok Kumar Mundhra, and the Management in fostering a strong sense of patriotism and institutional pride.

The Chief Guest Dr. T. Praveen Kumar Director, Eashwar Medical Foundation, was formally honoured with a shawl, memento, and dry fruit basket. In his address, the Chief Guest called upon students to actively participate in nation-building, stressing the importance of unity, integrity, and unwavering patriotism in shaping a strong and progressive India.

The programme was organised by Dr P. Suresh, Associate NCC Officer, 1 (TN) Armoured Squadron NCC. The programme concluded with a vote of thanks, expressing gratitude to the Chief Guest, the Management, NCC and NSS officers, alumni, faculty members, staff, and students for their collective efforts. The impeccable turnout, disciplined parade, and synchronised coordination of the NCC cadets added ceremonial splendour, making the Independence Day celebration a memorable and inspiring occasion for the entire college community.

DDGDVC CELEBRATES INTERNATIONAL TEACHERS' DAY WITH "ACHARYA DEVO BHAVA"

Dwaraka Doss Goverdhan Doss Vaishnav College celebrated International Teachers' Day on 8th October 2025 with the theme "Acharya Devo Bhava", honouring teachers as the true Pillars of Progress and Excellence. The event was a tribute to the dedication, commitment, and transformative role of educators in nation-building. The programme began with a warm welcome address by the Principal, Capt. Dr. S. Santhosh Baboo, who highlighted the college's steady growth in research output and its progress in NIRF rankings. Appreciating the relentless efforts of the faculty,

he remarked that "Perception is very important—when we work hard on the impression of our college, we will surely move towards a NIRF Rank within the top 50." He emphasised holistic development as the hallmark of DDGDVC's academic vision. Addressing the gathering, the Secretary, Shri. Ashok Kumar Mundhra, described teachers as the "noble architects of the future" and underscored their irreplaceable role in mentoring students in an era shaped by rapid technological change.

The Guest of Honour, Mr. S. Vijayakumar, Commissioner of Land Reforms, shared nos-

talgic memories of his student days at the college. He lauded the Management, Principal, and faculty for their passion and commitment, describing DG Vaishnav College as a nationally and internationally recognised centre of higher learning with significant contributions to research in arts and science education.

The Chief Guest, Mr. E. Balagurusamy, delivered an inspiring keynote address, stating that teaching goes beyond syllabus completion to shaping character, ethics, and innovation. He urged educators to prioritise quality of life over standard of life and

reminded them that teachers are moral leaders and the backbone of national development.

Both speakers called upon teachers to instil patriotism, creativity, and ethical values in students, envisioning a globally competitive India by 2047. The event concluded with a heartfelt vote of thanks by Dr. M. D. Balakumaran, IQAC Coordinator, followed by the National Anthem. Cultural performances and recognition of faculty contributions to NIRF ranking and research achievements added grace to the celebration, marking a day of deep appreciation for mentors who inspire excellence every day.

JAI JAGANNATH - RATH LEELA WHERE FAITH, ART, AND TRADITION UNITED

On 18th August 2025, the cultural wing of Dwaraka Doss Goverdhan Doss Vaishnav College, Srinath Fine Arts, organised a mega cultural and spiritual event titled 'Jai Jagannath - Rath Leela' under the guidance of the Principal, Capt. S. Santhosh Baboo, and the Secretary, Shri. Ashok Kumar Mundhra. The event celebrated the rich spiritual heritage of India by recreating the essence of the famous Rath Yatra of Odisha through music, dance, and devotion.

The programme commenced at 2.30 p.m. with a grand procession of the Rath carrying the idols of Lord Jagannath, Lord Balarama, and Goddess Subhadra. The procession began at the Krishna statue near the Bhagirathi Block, where the Chief Guest, Vagdishrai Ji, offered heartfelt prayers to

▶ A timeless ritual brought alive by collective devotion

mark the auspicious beginning of the event. Accompanied by the vibrant beats of the Chenda, the procession moved across the campus, with devotees dancing joyfully until it reached the Dwaraka Auditorium.

The auditorium programme opened with the college prayer, followed by a soulful invocation

comprising devotional songs and bhajans dedicated to Lord Krishna and Lord Jagannath. A captivating musical fusion featuring instruments such as the veena, violin, piano, saxophone, mridangam, and flute enthralled the audience. The highlight of the event was an enchanting dance drama depicting the leg-

end of Lord Jagannath in the Kali Yugam, narrating King Indradyumna's devotion and the divine establishment of the temple. The performance concluded with the symbolic reunion of Lord Jagannath and Goddess Lakshmi, leaving the audience spellbound.

Following the performance, the Chief Guest, along with Ashok Kedia, honoured the organising team for their dedication. The programme was coordinated by Dr. Mandira Dutta, and her team ensured the seamless execution of the event. Badges were also presented to the Student Coordinators of Srinath Fine Arts for the academic year 2025-26. The event successfully celebrated Indian culture, promoted fine arts, and highlighted the profound spiritual essence of Lord Jagannath.

It gives me great pleasure and optimism to welcome the New Year 2026 through the latest edition of DGVC Times. This new year brings with it renewed hopes, fresh aspirations, and a collective commitment to strive for greater academic and institutional excellence. The DGVC family continues to move forward with confidence, guided by strong management support and the dedication of our faculty, students, and staff. I extend my warm greetings and best wishes to the entire DGVC community as we step into another year of progress, unity, and achievement. May this year bring success and new milestones for our institution.

Shri. ASHOK KUMAR MUNDHRA, Secretary

As D.G. Vaishnav College steps into the New Year 2026, we look ahead with renewed energy, purpose, and determination. This fresh beginning brings new hopes and aspirations for academic growth, innovation, and holistic development. I am proud of the commitment and teamwork shown by our students, faculty, alumni, and staff in shaping the future of our institution. This edition of DGVC Times reflects our shared vision, achievements, and forward-looking spirit. May it continue to highlight our journey, foster unity, and inspire excellence within the DGVC community in the year ahead.

Capt. Dr. S. SANTHOSH BABOO, Principal

▶ Principal-led faculty team at Jnana Prabodhini, Pune.

ACADEMIC EXCHANGE SPARKS NEW INSIGHTS AT JNANA PRABODHINI

A faculty team from Dwarka Doss Goverdhan Doss Vaishnav College, led by Principal Capt. Dr. S. Santhosh Baboo, visited Jnana Prabodhini, Pune, from 30 July to 1 August 2025 under the guidance of Secretary Shri. Ashok Kumar Mundhra. The three-day academic exposure offered rich insights for future institutional initiatives.

Day one focused on research development, psychology, and rural development, introducing advanced research methods, behavioural understanding, and sustainable community models. Day two explored the Gurukul and Kreedakul

systems, highlighting mentorship-based, value-oriented learning and innovative play-based education, along with participatory community development approaches. Day three featured sessions on civil service examination preparation, leadership development, and alumni contributions, emphasizing strategic preparation techniques and key leadership skills.

The visit concluded by showcasing the transformative societal impact of Jnana Prabodhini's alumni, making the program a valuable academic and social learning experience for the participating faculty.

INSTITUTIONAL INITIATIVE FOR WOMEN ENTREPRENEURSHIP

▶ Inauguration of "Empowering Women: Inspiring Entrepreneurship"

Dwarka Doss Goverdhan Doss Vaishnav College, in collaboration with the Women Entrepreneurs Welfare Association (WEWA), organised an Entrepreneurship Training Programme titled "Empowering Women: Inspiring Entrepreneurship" on 22 September 2025.

Conducted by the Entrepreneurship Development Cell and Women Students' Forum, the initiative reflects the college's commitment to women's empowerment and skill development.

The programme was held under the guidance of Principal Capt. Dr. S. Santhosh Baboo and Secretary Shri. Ashok Kumar Mundhra, and coordinated by

Ms. V. Gayathri, HOD, BCom MM, and her team. The event was graced by Chief Guests Mr. G. Viswanathan, Founder and Chancellor of VIT University, and Ms. P. Jyothimani, Senior Advocate, Supreme Court of India, who emphasised women's critical role in entrepreneurship and nation-building. Distinguished invitees shared insights on industrial opportunities, MSME support, and global networking.

The programme concluded with interactive sessions led by MSME experts, offering mentorship, practical guidance, and inspiration, fostering confidence, entrepreneurial skills, and awareness among aspiring women entrepreneurs.

NINE DAYS OF DEVOTION: GOLU FESTIVITIES AT DDGD VAISHNAV COLLEGE

Dwarka Doss Goverdhan Doss Vaishnav College celebrated the traditional Golu festival from 21 to 29 September 2025, fostering devotion, unity, and cultural awareness among students and staff. The nine-day event highlighted the institution's commitment to preserving Indian heritage.

The celebrations began with the auspicious Golu Kalasam, inaugurated by Principal Capt. Dr. S. Santhosh Baboo under the guidance of Secretary Shri. Ashok Kumar Mundhra, marking the start of Navaratri festivities. A vibrant Golu display of artisti-

cally arranged dolls and figurines adorned the campus. Daily poojas, devotional songs, bhajans, sloka recitations, and mythological narrations enriched the spiritual atmosphere. Various departments organised prayers and cultural activities, ensuring active participation from students and faculty.

The event was coordinated by Ms. V. Gayathri, HOD, BCom MM, Dr. K.B. Manikandan, Advisor BCom PA, and their dedicated team. The festival concluded on 29 September, leaving the DGVC community with joy, spiritual fulfilment, and strengthened cultural bonds.

► Dignitaries at International Cyber Security Conference

INTERNATIONAL CONFERENCE ON CYBER & INFORMATION SECURITY

The PG Department of Data Science, Dwaraka Doss Goverdhan Doss Vaishnav College (Autonomous), Chennai, organized the Third International Conference on Cyber & Information Security 2K25 on 9 September 2025 at the SRG Auditorium. The programme was led by Dr. A. Vijayalakshmi, Head, Department of Data Science, and presided over by Capt. Dr. S. Santhosh Baboo, Principal. Keynote sessions, paper presentations, and expert talks enriched participants' understanding of cybersecurity trends, research, and innovation, concluding with a valedictory session and feedback.

► Proceedings Release at Greenovative25 International Conference

INTERNATIONAL CONFERENCE ON GREENOVATIVE25

The Department of Business Administration, Dwaraka Doss Goverdhan Doss Vaishnav College (Autonomous), Chennai, successfully organized the International Conference on Greenovative25 – Fostering Innovation, Research and Entrepreneurship towards Sustainability on 8 September 2025 at the SRG Auditorium in blended mode. The conference was convened by Dr. K. Rao Prashanth Jyoty, Head, Department of Business Administration, under the leadership of Capt. Dr. S. Santhosh Baboo, Principal.

The conference brought together academicians, researchers, industry experts, and students from India and abroad to deliberate on sustainability-driven innovation and responsible business practices. Eminent speakers delivered insightful sessions on green entrepreneurship, digital transformation, eco-innovation, green HRM, ethical reporting, and sustainability-oriented organizational culture. The paper presentation sessions, conducted in both online and offline modes, enabled participants to present research findings, case studies, and innovative

solutions addressing environmental and social challenges. The event promoted networking, interdisciplinary collaboration, and knowledge sharing aligned with global sustainability goals. Outstanding contributions were recognized through Best Paper and Best Presenter Awards, motivating further research and innovation. The valedictory session emphasized the importance of continuous research, collaboration, and ethical practices in achieving sustainable development, marking the conference as a meaningful and impactful academic initiative.

► Drug Awareness Rally Promoting Drug-Free Campus

DRUG AWARENESS

The Department of Social Work, in collaboration with the Anti-Drug Committee, Dwaraka Doss Goverdhan Doss Vaishnav College (Autonomous), organized a drug awareness programme to promote a drug-free lifestyle on 26 June 2025. Dr. R. Shanthi, Head of the Department of Social Work, coordinated the event. Capt. Dr. S. Santhosh Baboo, Principal, addressed the gathering, highlighting the dangers of substance abuse. Activities included placard displays, an oath-taking ceremony, a street play by MSW students, police participation, and a signature campaign, inspiring collective responsibility and social commitment.

► Honouring Resource Person at CSIR Chemistry Workshop

CSIR CHEMISTRY WORKSHOP

The State-Level CSIR-JRF/NET and GATE Workshop on Chemical Sciences (9th edition) was conducted from 20–22 August 2025 at the Seminar Hall, Krishna Block, Dwaraka Doss Goverdhan Doss Vaishnav College (Autonomous), Chennai. The programme was organized by the Department of Chemistry. It commenced with an invocation and a welcome address by Dr. K. Premalatha, Convenor, Associate Professor and Head of the Department of Chemistry. The Presidential Address was delivered by Capt. Dr. S. Santhosh Baboo, Principal. The workshop overview and chief guest introduction were given by Dr. A. Vijayaraj, followed by the inaugural address by Dr. P. Anbarasan, IIT Madras.

Expert sessions over three days covered metal-catalyzed transformations, boranes, organometallic compounds, pericyclic reactions, synthetic reagents, and electronic spectra. The workshop enhanced conceptual clarity and problem-solving skills. The valedictory session concluded with certificate distribution and a vote of thanks by Dr. P. Thamizhdurai.w

► Technosaviour 2025 Fest Participants and Organizers

TECHNO SAVIOUR 2025

The PG Department of Biotechnology, Dwaraka Doss Goverdhan Doss Vaishnav College (Autonomous), Chennai, organized Technosaviour 2025 – Intercollegiate Science Fest on 12 September 2025 with the theme “Green Wave – Together for a Sustainable Future.” The event was conducted under the leadership of Dr. M.D. Balakumaran, Head, PG Department of Biotechnology, with the guidance of Capt. Dr. S. Santhosh Baboo, Principal. The fest witnessed the enthusiastic participation of 74 students from various colleges across Chennai, competing in 15 diverse events including Face Painting, Wealth out of Waste, Ideathon, Debate, and other innovative contests. The Inaugural Session featured Mr. Aatral Praveen Kumar, Environmental Scientist and Elephant Researcher, who delivered an inspiring talk on biodiversity, forests, and sustainability.

The Valedictory Session was graced by Mr. V. Sankaranarayanan, Managing Director, VFL Sciences Pvt. Ltd., who distributed prizes and awarded the Overall Championship Trophy. The fest provided a vibrant platform for life science students to showcase creativity, teamwork, and biotechnology-driven solutions for a sustainable future, concluding with highly positive feedback.

► Prelude 2025 Classroom Orientation Session in Progress

PRELUDE 2025 ORIENTATION PROGRAMME FOR FIRST YEAR STUDENTS

Prelude 2025, an entry-level orientation programme for freshers, was conducted from 6–14 July 2025 by the Department of Foundation English, Department of Language, Dwaraka Doss Goverdhan Doss Vaishnav College (Autonomous), Chennai. The programme was organized by Dr. G. Geetha, Head, Department of Foundation English, under the guidance of Capt. Dr. S. Santhosh Baboo, Principal. Through guest lectures, film appreciation, and entry-level tests, the programme enhanced students' communication skills, confidence in English usage, and assessed their language competence.

REDEFINING BUSINESS GLOBAL CONFERENCE

The PG Department of Commerce (Shift-II), Dwaraka Doss Goverdhan Doss Vaishnav College (Autonomous), Arumbakkam, organized the 2nd International Conference on “Redefining Business: Trends,

Transition & Technology” on 2–3 September 2025.

The event was led by Dr. R. Shanthi, Professor and Head, Department of Commerce, and presided over by Capt. Dr. S. Santhosh Baboo, Principal.

Scholars, industry experts, and students discussed AI, fintech, workforce trends, and innovation through keynotes, panels, and research sessions, concluding with awards and valedictory addresses.

► Delegates at Redefining Business International Conference

▶ Honouring Excellence in Hindi Literary Scholarship

HINDI CREATIVE WRITING

The conference was inaugurated by Capt. Dr. S. Santhosh Baboo, Principal, with a welcome by Dr. K. Angayarkkani, HoD i/c. Eminent experts from IIT Bombay, industry, and global universities addressed the sessions. Over 500 participants presented research across four technical tracks, marking a significant academic milestone.

▶ HoD (Library): Dr. M. Mani, Faculty and Students Celebrating Academic Excellence Together

► NCC cadets embarking on their adventurous mountaineering trip

NCC CADETS' PARTICIPATION IN THE "LIGHT OF INFINITY"

The NCC cadets of the college participated in the "Light of Infinity" event organised by the Tamil Nadu Mountaineering Association at Malaipattu Mountain on 18th October 2025. The cadets

participated in various adventurous activities such as rock climbing, rappelling and commando climbing, showcasing courage, teamwork, and determination. The rappelling event provided an opportunity for

cadets to overcome fear, build confidence, and develop leadership qualities. It was well-planned and safely conducted under the guidance of trained instructors from the Tamil Nadu Mountaineering Association.

► A celebration of women empowerment

WOMAN POWER: RISING BEYOND FEAR

The awareness programme on "Woman Power: Rising Beyond Fear" was organised by the Women Students' Forum and Internal Committee (IC) of the college in collaboration with Greater Chennai Police, Arumbakkam

Range on 15th September 2025. The special address was given by Mr. D.K. Balasubramanian, Inspector of Police, K8 Arumbakkam PS L&O on the importance of being vigilant, explained emergency response mechanisms, and provided helpline

numbers for girls to access immediate support. The chief guest, Ms. Sherin Asha, President, Velicham Educational Movement, Chennai inspired the audience by emphasizing the importance of self-awareness and women empowerment.

► A rally towards a drug-free lifestyle

AN ANTI-DRUG RALLY

On 30th September 2025, an anti-drug rally was organised by the Anti-Drug Committee of the college. Around 100 students participated in the rally raising aware-

ness about the harmful effects of drug abuse and encouraging a drug-free lifestyle. Several speakers highlighted the importance of prevention, education, and strong com-

munity support. The rally successfully motivated attendees to unite in the fight against drug addiction, promoting a healthier and safer future for all.

► Honouring P. Thulasidharan, BLS Trainer

WORKSHOP ON BLS AND FIRST AID TRAINING

The National Service Scheme (NSS) unit of the college, in collaboration with Apollo Hospitals and the Billion Hearts Beating Foundation, organized a workshop on Basic Life Support (BLS) and First Aid Training on 15th September, 2025. The training was provided by the resource person, P. Thulasidharan, BLS Trainer Emergency Medical Services Apollo Hospitals, Chennai. The workshop provided participants with basic life-saving skills and confidence to handle first aid in time of need. The event successfully created awareness among students about their role as responsible citizens. The initiative by the college showcases its dedication towards holistic education and development of the students.

► Promising future rotaractors of DDGVC

ORIENTATION PROGRAMME FOR RISING ROTARACTORS

The "Kick Off: Green Rotaractors Orientation" served as an orientation programme for first-year rotaractors, introducing them to the core purpose of Rotaract club. The session highlighted the aim and the purpose of the club, its functions, and the positive impact it aims to create in communities. Through interactive guidance, students gained clarity about their roles, responsibilities, and the transformative power of service. The session motivated new members of the club to engage actively in future initiatives.

► Dr. J. Praveen Prabhu, Head of the PG Dept. of English delivering the welcome address

PANEL DISCUSSION ON YOUTH QUAKE

The Dissemination of Information Club of the college organised a panel discussion on the theme Youth Quake – Voices that Move the World on 11th August, 2025. The Resource Person, Mr. Baskaran, former NSS Coordinator, delivered an insightful talk on the role of youth in driving societal change and urged students to channel their energy towards constructive purposes. The event served as a vibrant platform for students from various departments to exchange ideas, share perspectives, and explore solutions to contemporary youth issues. Participants presented their original, unpublished research ideas in PPT format, covering introductions, objectives, case studies, and conclusions linked to the Youth Day theme.

▶ Vishal Secures International Gold in Poland

INTERNATIONAL GOLD MEDAL FOR COLLEGE STUDENT

D.G. Vaishnav College proudly celebrates T.K. Vishal, II M.A. Journalism, for winning the Gold Medal at the International Wieslaw Maniak Memorial 2025 in Poland, part of the World Continental Tour (Bronze Level). His outstanding performance reflects remarkable dedication, discipline, and perseverance. Competing internationally demands intense preparation and mental strength, which Vishal demonstrated admirably. This achievement not only highlights his talent but also showcases the supportive environment of our college. Vishal's success serves as an inspiration to fellow students to pursue their passions with confidence and determination.

▶ Prajan Wins Gold in All India Badminton Doubles

COLLEGE STUDENT WINS MEN'S DOUBLES GOLD

Our college proudly congratulates Prajan, a BBA 2nd-year student, for his outstanding achievement at the All India Senior Ranking Badminton Tournament 2025, held in Rajahmundry. Prajan showcased exceptional skill, agility, and strategic play in the Men's Doubles event, securing the Gold Medal and bringing great honor to the institution. His remarkable performance reflects his dedication, rigorous training, and unwavering commitment to excellence in sports. This accomplishment not only highlights his individual talent but also serves as an inspiration to fellow students to pursue their passions with determination and perseverance. The college community extends its heartfelt congratulations to Prajan on this prestigious achievement.

▶ Best Athlete Vishal Sets New National Record

VISHAL SHINES AT NATIONAL ATHLETICS CHAMPIONSHIP

Our college student T.K. Vishal, pursuing II M.A. Journalism, achieved a remarkable milestone by winning the Best Athlete Award in the Men's Section at the Senior National Athletics Championship held at Nehru Stadium, Chennai. His exceptional performance throughout the championship showcased his dedication, discipline, and passion for athletics. Competing against some of the finest athletes from across the country, Vishal demonstrated outstanding speed, stamina, and technical excellence in every event he participated in.

The most significant highlight of his achievement was creating a new National Meet Record in the 400 metres event. This historic accomplishment reflects his rigorous training, mental strength, and determination to excel at the highest level of competition. Setting a national meet record is a prestigious honor and places Vishal among the elite athletes of the nation.

His success has brought immense pride and recognition to the college and serves as a strong source of inspiration for fellow students. Vishal's achievement proves that with commitment and perseverance, excellence can be achieved both in academics and sports. The institution congratulates T.K. Vishal on this outstanding achievement and wishes him continued success in his future athletic and academic pursuits.

▶ A. Mukesh Wins Silver in High Jump Rajasthan

MUKESH ACHIEVES SILVER KHELO INDIA GAMES

Our college proudly congratulates A. Mukesh, a II B.A. Economics student, for his remarkable achievement at the Khelo India University Games 2025, held in Rajasthan. Mukesh showcased outstanding athletic talent and determination in the High Jump event, achieving a remarkable height of 2.11 metres and securing the Silver Medal. His performance reflects rigorous training, discipline, and commitment to excellence in athletics. This accomplishment brings pride and recognition to the college, highlighting the institution's support for sports and holistic development. A. Mukesh's success serves as an inspiration to fellow students to pursue their goals with dedication and perseverance.

▶ Naveen Kumar Wins State Gold in Boxing

STUDENT ACHIEVES VICTORY IN BOXING CHAMPIONSHIP

Our college proudly congratulates K. Naveen Kumar, a I B.Com A&F student, for his outstanding achievement at the Chief Minister Trophy Games (State Level), held at the Gopalapuram Boxing Academy from 12th to 13th October 2025. Naveen showcased exceptional skill, strength, and determination in the 57-60 kg boxing category, securing the Gold Medal. His remarkable performance reflects his rigorous training, discipline, and commitment to excellence in the sport. This achievement brings immense pride and recognition to the college and serves as an inspiration to fellow students to pursue their passions in sports with dedication and perseverance.

COLLEGE TABLE TENNIS TEAM WINS CHAMPIONSHIP

▶ Our College Claims Madras B Zone Title

Our college Table Tennis team achieved a commendable victory by winning the University of Madras B Zone Table Tennis Championship held at SA Arts and Science College. The team displayed excellent skill, coordination, and sportsmanship throughout the tournament, bringing pride and recognition to the institution.

COLLEGE SECURES B-ZONE CHESS TITLE

▶ College Chess Men Win Madras B Zone Title

Our College Chess Men Team emerged victorious in the University of Madras B Zone Chess Championship, held at SA Arts and Science College. The team demonstrated exceptional strategic skills, concentration, and teamwork, bringing pride and recognition to the institution through their commendable achievement.

▶ Our College Kho Kho Team Wins Madras Zone Title

COLLEGE KHO KHO TEAM WINS

Our college proudly celebrates the outstanding achievement of the Kho Kho Men (New) Team, which emerged victorious in the University of Madras "B" Zone Kho Kho Tournament, held at Nazerath College of Arts and Science. The team displayed exceptional skill, speed, coordination, and strategic play throughout the tournament, competing against strong teams from various affiliated colleges. Their consistent performance, discipline, and teamwork played a crucial role in securing the championship title.

The tournament provided a competitive platform for young athletes to showcase their talent

and sportsmanship. Our team's success reflects their rigorous training, determination, and commitment to excellence. It also highlights the encouragement, guidance, and support extended by the college management, physical education department, and coaching staff.

This achievement has brought pride and recognition to the institution and serves as an inspiration to fellow students to actively participate in sports and extracurricular activities. The entire college community congratulates the Kho Kho Men (New) Team on this commendable victory and wishes them continued success in future competitions.

COLLEGE EMERGES DISTRICT HOCKEY CHAMPIONS

▶ College Hockey Men Wins The Chief Minister Trophy Games 2025

The College Hockey Men Team emerged as winners in the Chief Minister Trophy Games 2025 at the district level, showcasing excellent teamwork, skill, and sportsmanship. Their commendable performance brought pride and recognition to the college.

B.COM STUDENT BREAKS FOOTBALL WORLD RECORD

Our college proudly congratulates R.G. Srinivas, a B.Com CS student, for achieving a remarkable feat by setting a Guinness World Record in Football. This extraordinary accomplishment reflects his exceptional talent, dedication, and passion for the sport. Attaining a world record requires immense perseverance, discipline, and relentless practice, all

of which Srinivas demonstrated admirably. His achievement not only brings immense pride and recognition to himself but also highlights the supportive environment and encouragement provided by the college. R.G. Srinivas's success serves as an inspiration to fellow students to pursue their goals with determination and excellence, both in academics and extracurricular pursuits.

▶ R.G. Srinivas Sets Guinness World Record Football

▶ DGVC Students Win Gold at Chief Minister Trophy

DDGDVC WINS UNIVERSITY INTER-ZONE TENNIS TOURNAMENT

For the first time, DGVC made history by emerging as winners in the University of Madras Inter-Zone Tennis Tournament. The team's exceptional skill, teamwork, and determination brought pride and recognition to the college.

▶ College Volleyball Men Triumph in Zone and Inter-Zone

COLLEGE VOLLEYBALL MEN TEAM WINS TOURNAMENTS

Our college Volleyball Men Team emerged as winners in both the Zone and Inter-Zone Tournaments organized by the University of Madras. The team's skill, teamwork, and determination brought pride and recognition to the college.

SAI SDAT ORGANISE NATIONAL HOCKEY TOURNAMENT

▶ National Sports Day Hockey Tournament Held at Egmore

rating National Sports Day, which celebrates the birth anniversary of hockey legend Major Dhyan Chand.

The tournament witnessed enthusiastic participation from several competitive teams, showcasing a high standard of skill, discipline, and teamwork. Players demonstrated exceptional talent, strategic play, and sportsmanlike conduct throughout the matches, making the event both competitive and inspiring. The well-maintained facilities at the stadium, combined with efficient coordination by the organizing bodies, ensured the smooth conduct of the tournament.

Officials from SAI, SDAT, and the Hockey Unit of Tamil Nadu played a vital role in managing the event, including match scheduling, officiating, and ensuring player safety. The tournament not only highlighted the growing interest in hockey across the state but also served as a platform to identify and nurture emerging talent.

Overall, the National Sports Day Hockey Tournament 2025 was a grand success and reinforced the importance of sports in building physical fitness, discipline, and national pride.

The Sports Authority of India (SAI), the Sports Development Authority of Tamil Nadu (SDAT), and the Hockey Unit of Tamil Nadu jointly organized a prestigious Hockey Tournament in connection with National Sports Day 2025. The tournament was successfully conducted at the historic Mayor Radhakrishnan Hockey Stadium, Egmore, over two days, from 28th to 29th August 2025. The event was organized with the objective of promoting sportsmanship, encouraging youth participation, and commemo-

▶ Praveen Kumar Wins Gold, Silver at State Swimming

PRAVEEN KUMAR ACHIEVES SWIMMING CHAMPIONSHIP SUCCESS

Our college proudly congratulates Praveen Kumar MJ, a II B.A. Economics student, for his remarkable performance at the Chief Minister Trophy Games (State Level), held at the SDAT Aquatic Complex, Velachery, Chennai from 12th to 13th October 2025. Praveen showcased exceptional talent and dedication by securing the Gold Medal in the 400 Mts Individual Medley and the Silver Medal in the 100 Mts Backstroke events. His outstanding achievements reflect his rigorous training, discipline, and commitment to excellence in swimming. This accomplishment brings immense pride and recognition to the college and serves as an inspiration to fellow students to excel in sports alongside academics.

▶ College Achieves State-Level Basketball Championship Success

COLLEGE ACHIEVES STATE - LEVEL BASKETBALL CHAMPIONSHIP SUCCESS

Our college is immensely proud to announce the outstanding achievement of five of its students who represented the Chennai District Basketball Men Team and secured the Gold Medal in the Chief Minister Trophy 2025 at the state level, held in Coimbatore from 7th to 11th October 2025. The students who contributed to this remarkable accomplishment are M. Pugazhenthii (II M.A. Journalism), Lokeshwaran (II M.A. English), Yudha Aroan (II M.A. English), Ramkumar (II B.A. Sociology), and Dayalan (II M.A. English).

The Chief Minister Trophy is one of the most prestigious state-level basketball tournaments in Tamil Nadu, attracting highly competitive teams from across the districts. Competing in such an elite tournament requires not only exceptional physical fitness and skill but also unwavering determination, strategic thinking, and strong teamwork. Our students demonstrated all these qualities and showcased exemplary performance throughout the tournament, contributing to the

team's overall success.

From the opening match to the final, the Chennai District Basketball Team displayed remarkable coordination, agility, and resilience. Each of our college representatives played a crucial role, whether in scoring points, defending, or creating strategic plays, thereby ensuring their team remained undefeated and ultimately emerged as champions. Their dedication to rigorous training, consistent practice, and mental preparation was clearly evident in their flawless execution on the court.

This significant victory is not only

a testament to the individual talents of our students but also highlights the strong support and encouragement provided by the college. The achievement brings immense pride and recognition to the institution, reinforcing its commitment to nurturing excellence in both academics and extracurricular activities. The students' success also serves as an inspiration for their peers to pursue sports alongside academics with determination and perseverance.

The college extends its heartfelt congratulations to M. Pugazhenthii, Lokeshwaran, Yudha Aroan, Ramkumar, and Dayalan for their outstanding accomplishment in the Chief Minister Trophy 2025. Their historic victory at the state level will be remembered as a proud moment in the college's sporting legacy. The entire college community wishes them continued success in all their future sporting and academic endeavors, confident that they will continue to excel and bring further glory to the institution.

ENVIRONMENT

Small Actions, Big Impact: Caring for Our Shared Planet

Our Earth, home to nearly eight billion people, urgently needs collective care. Like a shared house, it demands 100 percent teamwork. Today, we consume far more than we need, generating massive waste and threatening countless species. Instead of waiting for complex solutions, simple everyday actions can make a difference. Reducing waste, recycling responsibly, saving water, choosing to walk short distances, and planting trees are small steps with powerful results. When practiced by millions, these actions create meaningful change. Environmental responsibility is not about perfection, but awareness and consistency. Every mindful choice becomes a building block toward a healthier planet and a sustainable future for all.

MUSIC

The Power of Music in Everyday Life

Music is a language everyone understands. No matter where we come from or what we speak, music connects us. A soft tune in the background can calm our minds, while a strong beat can boost our energy instantly. It has a special way of lifting our mood, reducing stress, and helping us focus which is why we create playlists for studying, workouts, travel, or just relaxing.

Music also brings people together. Whether it's a concert, a festival, or a small get-together, the moment music starts playing, the vibe changes. It helps us bond, celebrate, and express emotions we can't always put into words. For musicians, it's much more than sound—it's a way to tell stories, share culture, and express who they are.

With today's technology, music is easier to access than ever. Streaming apps help us discover new songs instantly, and social media gives artists the chance to share their work with the entire world. Music has become a part of our daily routine something that comforts us, motivates us, and inspires us. Whether for fun or emotional support, music continues to play an important role in our lives.

MOVIES

Winning Beyond the Court

Sitare Zameen Par (2025), directed by R. S. Prasanna and produced by Aamir Khan, is a sensitive sports drama that places empathy at its core. A spiritual successor to *Taare Zameen Par*, the film follows an arrogant basketball coach assigned to train players with intellectual disabilities as community service. What begins as reluctant duty evolves into quiet transformation—for both coach and team. Anchored by sincere performances from Aamir Khan and Genelia D'Souza, and enriched by music from Shankar-Ehsaan-Loy, the film balances emotion with restraint. *Sitare Zameen Par* reminds us that real victories are measured in dignity, inclusion, and self-belief.

STORY

The Miracle of Time

Guru and Meera, close school friends, go on a hill-station trip where Meera mysteriously goes missing. Though authorities assume she wandered off, Guru senses something deeper. Accompanied by his father, he investigates the case, learning that Meera's entire family was found dead—except her. Clues are scarce, and even a suspicious officer is later proven innocent. Defeated and heartbroken, Guru returns home.

On his eighteenth birthday, Guru receives a letter written by his late mother, Revathi. The letter reveals an impossible truth: years ago, she was mysteriously pulled into a cave at 11:11 and transported to the past. Revathi was once Meera. Meera survived, lived in another time, married Guru's father, and became his mother. Shattered by the revelation, Guru realises that interfering could disrupt time itself. He chooses silence, carrying the burden alone. The story ends with Guru accepting that some miracles are not meant to be understood—only endured—because while life gives miracles to cherish, some arrive wrapped in pain and confusion.

POEM

I'M FEELING ALONE

The summer of beautiful sky,
beautiful trees dancing with air.
I'm sitting alone
I miss you so much,
I'm thinking those days
when we were together

I'm feeling alone
I want you to know
that I miss you so much
all day, all the night
mummy can you come to me
I don't want you to leave
I just want you to hear
I'm feeling alone
I'm feeling alone..

BOOK REVIEW

Good to Great – Jim Collins

Good to Great by Jim Collins examines the leap from being merely good to truly great—and why most do not. Based on five years of research, the book highlights that greatness is not built on dramatic breakthroughs but on disciplined people, disciplined thought, and disciplined action. A key idea is Level 5 Leadership, where humility and strong resolve matter more than charisma. Collins' Hedgehog Principle urges readers to find the intersection of passion, capability, and purpose. With the powerful reminder that "good is the enemy of great," the book challenges students to rethink comfort, commitment, and long-term excellence.

TECHNOLOGY Extended Reality & Spatial Computing: When Technology Learns to Feel Real

Technology is no longer just something we use — it's slowly becoming something we step into. Extended Reality (XR) and Spatial Computing are changing the way we interact with the digital world by breaking the limits of screens and buttons. Instead of watching from the outside, we are now becoming part of the experience.

XR is an umbrella term that includes Augmented Reality, Virtual Reality, and Mixed Reality. Together, they blend digital elements with our physical world. Spatial computing takes this a step further by turning our surroundings into interfaces. Your room, your hands, even your

gaze become tools to interact with information.

What makes this shift powerful is how human it feels. Learning no longer means reading pages — it means walking through history. Storytelling is no longer passive — it becomes immersive. In fields like education, healthcare, cinema, and journalism, XR allows people

TRAVEL

"Exploring the Enchanting Beauty of Manali"

Manali, in Himachal Pradesh, is a beautiful hill station known for its cool weather, snowy peaks, and the Beas River. From the adventure-filled Solang Valley to the peaceful Hidimba Temple, Manali has something for every traveller. The recently opened Atal Tunnel has also made exploring nearby high-altitude regions much easier.

With its calm nature, adventure activities, and charming cafés, Manali is a perfect place for a refreshing and relaxing holiday in the mountains.

to experience moments rather than just hear about them. Imagine standing inside a documentary or walking through a film's emotional landscape.

As technology evolves, the goal is not to replace reality but to enhance it. XR and spatial computing remind us that the future of tech isn't just smarter machines — it's deeper, more meaningful human experiences.

INVISIBLE BOUNDARIES AROUND WOMEN - SPACE IN CINEMA

Cinema has always been a study of space from vast landscapes to crowded cities and the intimate rooms that hold a story's emotion. Yet when it comes to women, that space often contracts. The frame may seem open, but within it, women are frequently confined to homes, kitchens, and relationships. This quiet restriction can be called spatial indifference: the way cinema limits women's freedom to move, to act, and to exist fully within their world.

Satyajit Ray's *Devi* (1960) portrayed this with haunting precision. The young Doyamoyee is worshipped as a goddess, but the reverence becomes a form of imprisonment. Her home turns into a shrine, a sacred prison where her individuality disappears. The film exposes how even admiration can strip a woman of agency when her humanity is replaced by ideals of purity and divinity.

Tamil cinema, too, has long explored this subtle confinement. In *Arangetram* (1973), a woman's decision to earn for her family through sex work exposes society's hypocrisy and the moral boundaries forced upon her. *Uthirippookal* (1979) reveals domestic cruelty, show-

ing how violence and control shrink a woman's physical and emotional world. *Aval Appadithan* (1978) broke new ground with its bold critique of urban patriarchy, focusing on a modern woman navigating judgment in professional and personal spaces. *Kalyana Agathigal* (1985) told the story of women abandoned by marriage and circumstance, finding strength in solidarity and shared experience. Together, these films from Tamil Nadu questioned not just how women were portrayed, but where they were allowed to exist within the cinematic and social landscape.

In more recent years, the frame has begun to open. In *Queen*, Rani's solo trip across Europe becomes an act of reclaiming both physical and emotional space. *Thappad*, situates rebellion within the walls of a home, proving that change does not always need a stage it can begin in silence. *The Great Indian Kitchen* uses the most ordinary of settings to show how a woman's world can both confine and empower, depending on her decision to stay or step out.

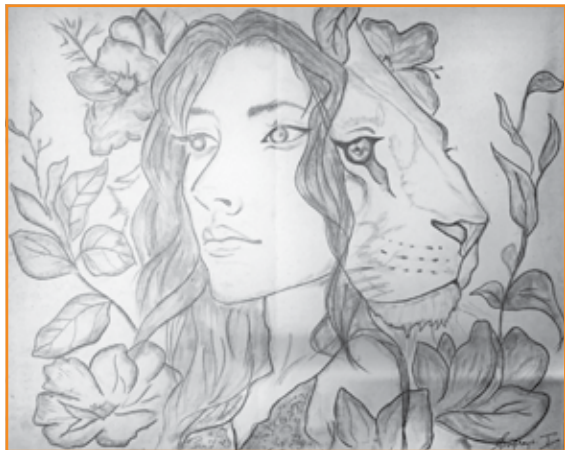

Bad Girl (2025) adds a newer, more daring voice to this conversation. Though it sparked debate, the film

deserves recognition for portraying a woman who occupies social and moral spaces usually denied to her. Its protagonist moves through the city with ownership, confronting judgment and redefining what it means to be "seen." Despite its uneven storytelling, *Bad Girl* succeeded in bringing women's freedom, visibility, and control over their surroundings into focus.

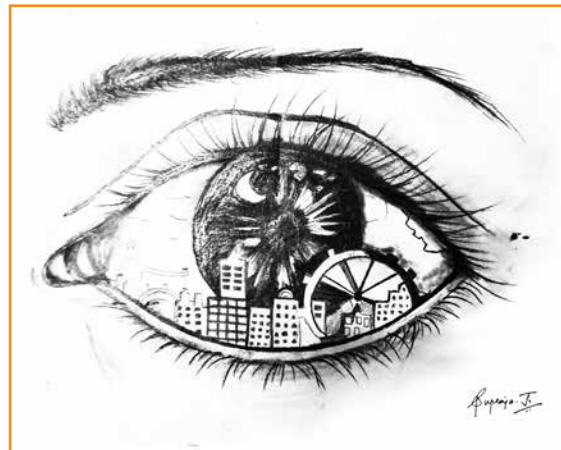

Spatial indifference is not only about the settings women inhabit it is about what they are permitted to do within those settings. When cinema continues to keep them indoors or limits their stories to relationships, audiences learn to accept those boundaries as natural.

True progress in cinema will come not only from films centered on women but from everyday stories comedies, dramas, romances, and thrillers where women are given genuine presence and purpose. Equality in storytelling will be achieved when their space on screen feels natural rather than token, when they are no longer confined to serve a plot or a male lead, but exist as complete, believable individuals within the shared world of cinema.

Returning to the wild where her true self waits.

Her eyes carry the grief of a civilization drifting from nature.

Why We Feel Tired Even After Doing Nothing

In the present age, exhaustion has taken on a new and unfamiliar form. Many individuals, including students and educators, experience a deep sense of tiredness even on days that involve little physical activity. This fatigue is not a result of inactivity, but rather the continuous mental and emotional engagement that modern life demands.

Rest today seldom allows the mind to slow down. Even during moments of apparent pause, attention is drawn to digital notifications, information streams, and unspoken expectations. The mind remains active-processing, reacting, and reflecting - without the opportunity to disengage. Over time, this constant stimulation leads to a quiet but persistent weariness.

Another contributing factor is the mental effort involved in continuous decision-making. Daily life requires countless choices, many of them small and unnoticed. Each decision, however minor, consumes mental energy. When such demands accumulate, the mind feels drained, creating fatigue that is difficult to associate with any visible effort.

Emotional expectations further intensify this condition. There is an increasing pressure to remain productive, responsive, and purposeful at all times. Rest is often accompanied by a sense of guilt, as though pausing equates to falling behind. When rest is overshadowed by self-imposed pressure, it fails to restore balance.

Within academic spaces, this form of tiredness is frequently overlooked. Students may appear disengaged, and faculty may accept exhaustion as an unavoidable part of professional life. However, sustained mental fatigue affects concentration, motivation, and the quality of learning and teaching.

Recognising the importance of genuine rest is essential. Creating healthy boundaries, allowing moments of silence, and valuing mental well-being are necessary for sustained academic growth. Feeling tired after doing nothing is not a sign of inefficiency. It is a reflection of the demands placed on the modern mind—and a reminder that meaningful rest is essential for clarity, creativity, and purposeful engagement.

I BBA

R. PRAGGNANDHAA'S REMARKABLE PERFORMANCE AT THE GLOBAL CHESS LEAGUE 2025

R. Pragganandhaa, I BBA, has continued to demonstrate exceptional determination and excellence in international chess through his participation in the Global Chess League 2025, held in Mumbai from 13th December 2025 to 24th December 2025. His selection for this prestigious league stands as a testament to his outstanding talent, strategic acumen, and consistent performance on the global chess circuit. Throughout 2025, Pragganandhaa delivered a series of commendable performances across major national and international tournaments, earning recognition and accolades. He secured 7th place at the Esports Last Chance Qualifier in Riyadh, Saudi Arabia, competing against some of the finest players in the world. His excellence was further highlighted at the GCT Singuefield Cup 2025 in Saint Louis, USA, where he achieved an impressive 2nd place, showcasing his ability to perform under intense competitive pressure.

Pragganandhaa also participated in the FIDE Grand Swiss 2025 in Samarkand, Uzbekistan, finishing in the 10th position, followed by a strong 4th place finish at the GCT 2025 Final in Brazil. His versatility and adaptability were evident in the Speed Chess Championship 2025, an online knockout tournament, as well as in the FIDE World Cup 2025 held in Goa, India, where he reached the Quarterfinals.

In addition, his noteworthy performances at the London Chess Classic Open 2025 and the FIDE World Rapid & Blitz Chess Championship 2025 further reinforced his reputation as one of India's most promising chess ambassadors on the global stage. Balancing academic commitments with elite-level competition, Pragganandhaa exemplifies dedication, discipline, and perseverance. The college proudly applauds R. Pragganandhaa for his inspiring journey, remarkable achievements, and for setting new milestones on international platforms.

Mr. S. Ram Purandar,

Youth Coordinator, Poovulagin Nanbargal

FROM TAMIL ENVIRONMENTAL LITERATURE TO PEOPLE'S MOVEMENTS: THE JOURNEY AND IMPACT OF POOVULAGIN NANBARGAL

What motivated the founding of Poovulagin Nanbargal, and how has its mission evolved over the years?

In late 1980's our founder Mr.Nedunchezhiyan started Poovulagin Nanbargal out of a deep concern for the fast-disappearing ecological balance and the lack of accessible environmental education in Tamil. The early motivation was simple yet powerful: to bring environmental awareness into people's everyday vocabulary and to create a space where science, nature, and society could be discussed in our own language. Poovulagin Nanbargal initially started as a publication house, pioneered translating environmental literature like one straw revolution, silent spring into Tamil and Poovulagu was the first environmental magazine in Tamil.

Over the years, our mission has evolved from being primarily an environmental literary collective to a scientifically grounded, rights-based environmental political organisation—engaging in research, advocacy, legal interventions, and sustained public education. Today, we work not only to protect ecosystems but also to defend the rights of communities whose lives depend on them.

What are the most impactful environmental campaigns your organization has successfully led or contributed to in Tamil Nadu?

Poovulagin Nanbargal has contributed to many major environmental movements in the state—especially those related to campaign against Genetically modified foods, Nuclear energy in Koodankulam, Nutrino respiratory in Theni, thermal power plants in Ennore, Thoothukudi, lignite mines in Neyveli, hydro carbon exploration in Cauvery delta districts, tungsten mining in Madurai & campaigns protecting our water bodies, wetlands, coasts, forests and western ghats. Our work has included spreading scientific awareness, filing public interest litigations, publishing accessible material in Tamil, and supporting community-led movements. Rather than claiming sole credit, we see ourselves as part of a larger ecosystem of people's movements, helping amplify struggles that protect common resources, public health, human rights & environmental justice.

How do you engage local communities—especially fishermen, farmers, and indigenous groups—in your initiatives?

We begin by listening and learning. Local communities hold deep ecological knowledge, and their experiences often reveal impacts that scientific reports miss. Our engagement includes: Conducting field visits and participatory discussions, translating

technical information into Tamil, supporting community-led public hearings, documenting local knowledge and environmental histories, ensuring affected groups have a strong voice in legal and policy processes.

We believe environmental justice is not merely about protecting nature; it is also about protecting people whose lives are intertwined with nature.

How do you collaborate with government bodies or influence policy at the state level?

We engage with governments through formal and informal channels: Some of our members are working within the government as policy makers, our coordinator Mr.G.Sundar rajan is the Tamil Nadu governing council member for climate change and some of our coordinators are members in the sub committees formed by the state planning commission.

We also engage by, submitting scientific reports and policy suggestions, reviewing government reports, participating in public consultations, filing representations on environmental clearances, approaching courts when legal violations occur, conducting awareness campaigns that build public pressure for policy reform. Our approach is constructive—we criticise where necessary but also collaborate when the state takes positive steps for ecological protection.

JOURNALISM PROFESSOR OR MEDIA RESEARCHER , INSIGHTS ON HOW JOURNALISM EDUCATION NEEDS TO EVOLVE.

How do you think the current journalism curriculum aligns with the changing media landscape?

The question here is whether it is keeping up. The reason is that every college and university has its own curriculum. Are the subjects taught in it relevant to today? We need to take a closer look. The effectiveness of current journalism curricula is highly inconsistent, largely because it varies by institution. While some elite universities are quick to adopt "Mobile Journalism" (MoJo) and digital ethics, many others remain tethered to legacy print and broadcast models. To truly keep up, curricula must move away from static syllabi and adopt an agile framework that treats media evolution as a core subject rather than an elective.

In your opinion, what skills should journalism students prioritize today—storytelling, data literacy, or digital tools?

Rather than choosing one, students must master the convergence of all three. Storytelling is the soul; it provides emotional resonance. Data Literacy provides the evidence and allows for "investigative precision." Digital Tools act as the vehicle for delivery. A modern journalist is essentially a "multimedia architect" who uses data to find the truth and digital tools to tell that story in the most impactful way possible.

Do you believe journalism education in India still leans too heavily on theory rather than practice?

Historically, Indian journalism education has been heavily skewed toward theory. While understanding the fourth estate's democratic role is vital, there is a desperate need for "Live Newsroom" simulations. Students shouldn't just read about the law of defamation; they should practice filing stories under real-time deadlines where those legal and ethical pressures exist.

How can institutions better integrate multimedia and digital journalism training without losing focus on core reporting ethics?

Multimedia training and core ethics are not mutually exclusive; they are two sides of the same coin. Institutions should teach "Ethics in Motion." This means discussing the ethics of deepfakes while teaching video editing, or discussing clickbait vs. public interest while teaching SEO. The field remains the best teacher—students must apply these digital skills to real-world reporting to understand the weight of their impact.

What role should AI and data analytics play in the future of journalism education?

AI should be viewed as a power tool, not

Dr T. Jaisakthivel,
Assistant Professor,
Department of Journalism & Communication,
University of Madras, Chennai.

a replacement. Journalism education must teach students how to use AI for transcription, large-scale data scraping, and trend analysis, while simultaneously doubling down on "human-only" skills like interviewing for nuance, verifying sources, and ethical judgment. We must teach students to audit the algorithms, not just rely on them.

How can journalism courses prepare students to handle misinformation and online polarization responsibly?

The first line of defense is a "Field-First" approach, emphasizing primary sourcing to bypass the echo chambers of social media. However, students also need Digital Forensic skills. Education must include modules on reverse image searching, metadata analysis, and understanding the psychology of "outrage culture" to help them de-escalate polarization rather than feed into it.

Many students now want to become content creators rather than traditional reporters. How should journalism education adapt to that shift?

Students today expect everything to be easy, but that's not the right decision. They need to read a lot. This is the problem with not reading books at all. The rise of the "Creator Economy" shouldn't be dismissed as a pursuit of the "easy path." Instead, journalism schools should bridge the gap by teaching "Journalistic Content Creation."

Counsellor and Psychotherapist

AMBITION AND ANXIETY: NAVIGATING COLLEGE LIFE BALANCE

- 1 Why do many college students feel anxious even when they perform well?**
Students often feel anxious because high expectations keep their stress response active. Family pressure, peer competition, and fear of disappointing others make success feel fragile. The uncertainty of adulthood adds to this anxiety, making students worry about sustaining their achievements.
- 2 Can ambition and peace of mind coexist?**
Yes. Ambition and peace coexist when goals are guided by personal values rather than fear or comparison. Intrinsic motivation keeps the mind calmer and effort meaningful. Problems arise only when ambition becomes perfectionistic instead of progressive.
- 3 When does hard work become unhealthy pressure?**
Hard work turns unhealthy when it feels threatening rather than fulfilling. Signs include burnout, sleep problems, irritability, and studying out of fear. Psychologically, this reflects a shift from growth to survival mode.
- 4 Do grades define students' self-worth today?**
Many students equate grades with value, which increases anxiety and emotional distress. Research shows that resilience, emotional intelligence, and adaptability matter more for long-term success than marks alone.
- 5 How does social media increase student stress?**
Social media promotes curated success stories that encourage constant comparison. This leads to fear of missing out and the feeling of always being behind, even when progress is steady.
- 6 What habits help prevent burnout?**
Focused study sessions with breaks, proper sleep, hydration, movement, and realistic goals help maintain balance. Mindfulness and celebrating small achievements sustain motivation.
- 7 How can teachers and friends help struggling students?**
They can offer empathy, create safe spaces, and encourage open conversations. Listening without judgment often provides the greatest relief.
- 8 What should be said to students who feel behind in life?**
Life follows individual timelines. Feeling behind comes from comparison, not reality. Growing at one's own pace builds a stronger and more meaningful future.

Mr. Udaya Kumar Sivagurunathan
Founder, Dravintel UX Design Academy

AI, AMBITION, AND CAREERS: NAVIGATING THE NEW WORKPLACE

- 1 How is AI changing entry-level jobs today?**
AI is removing repetitive busywork like data entry and basic documentation. Entry-level roles now demand faster thinking, analysis, and decision-making. The shift is from doing tasks to understanding problems.
- 2 Which jobs will AI transform rather than replace?**
AI will upgrade roles that depend on judgment, empathy, creativity, and strategy. Designers, marketers, teachers, doctors, consultants, managers, and journalists will use AI for speed and support, while humans retain responsibility for insight, ethics, and truth.
- 3 What skills matter most in an AI-driven future?**
Key skills include problem framing, critical thinking, communication, creativity, and adaptability. AI replaces routine execution, not human thinking. Those who keep learning stay relevant.
- 4 Which industries will gain the most AI-based jobs?**
Healthcare, finance, education, e-commerce, logistics, customer support, marketing, product design, and media will see strong growth. New roles will emerge in AI strategy, ethics, operations, and AI-driven content.
- 5 What is the biggest myth students believe about AI?**
That AI will take all jobs. In reality, AI takes tasks, not careers. Students who collaborate with AI will advance faster.
- 6 Does AI increase or reduce job inequality?**
AI reduces inequality for those who upskill early and widens it for those who resist change. The real divide is between AI-aware and AI-blind professionals.
- 7 How can non-tech students prepare for an AI future?**
They should learn prompting, understand AI in their field, build small AI-assisted projects, and experiment regularly. AI is a literacy skill, not just a technical one.
- 8 How can journalism students use AI ethically?**
Use AI for speed; data analysis, summaries, and transcription but keep humans responsible for verification, context, ethics, and storytelling. AI should assist journalism, not replace accountability.
- 9 Is AI boosting or diluting creativity?**
AI boosts creativity when used for brainstorming and exploration, but dilutes it when copied blindly. Creativity now lies in choice, judgment, and execution.
- 10 What advice suits young people entering an AI-powered workplace?**
Treat AI as a tool, not a trend. Ask better questions, think clearly, understand people, and lead with responsibility.

CAREER DEVELOPMENT WORKSHOP FOR ECONOMICS POSTGRADUATE STUDENTS DEPARTMENT

The Postgraduate Department of Economics, Dwarka Doss Goverdhan Doss Vaishnav College, conducted an interdepartmental Career Development Workshop on 15 September 2025 at Shri Vallabacharya Auditorium. Held offline, the session engaged 184 students and 10 faculty members. The programme offered practical guidance on career planning, leadership, communication, digital marketing, resume building, interviews, and networking, boosting confidence and readiness for competitive career paths among economics students and aspiring professionals from the department.

► Participants of the workshop

AESTHETIC LENS WORKSHOP ON PHOTOGRAPHY AND CAREER PATHWAYS

The Department of Visual Communication, Dwarka Doss Goverdhan Doss Vaishnav College, organized a one-day interdepartmental workshop titled Aesthetic Lens: Crafting Photos and Careers Workshop on 26 September 2025 at the Computer Lab, Ganga Block. The offline session was led by Mr. Pramod Mani, Sigma Ambassador. Twenty-four students and two faculty members participated. Students gained hands-on skills in photography, photo editing, portfolio building, branding, and realistic insights into career opportunities, industry challenges, and professional growth. The event strengthened confidence and career readiness among participating communication students.

► All the participants of the seminar

THE VOICE PROFESSION SEMINAR ON RADIO JOURNALISM CAREERS

The PG Department of Journalism and Communication, Dwarka Doss Goverdhan Doss Vaishnav College, organized an interdepartmental seminar on 8 September 2025 in the AV Room. Led by Dr. T. Jaisakthivel, the offline session engaged 26 students and eight faculty members. The seminar explored traditional and modern radio journalism, international networks, digital radio formats, and podcasting. Students gained global perspectives, technological awareness, confidence, and motivation to pursue voice professions as sustainable, future-ready careers through interactive discussions and practical career guidance from an experienced expert.

► Resource person interacting with students

BRIDGING KNOWLEDGE AND TECHNOLOGY FOR CAREER GROWTH

The Department of Computer Applications, Dwarka Doss Goverdhan Doss Vaishnav College, organized an interdepartmental guest lecture titled Bridging Knowledge and Technology for Career Growth on 25 August 2025. The offline session was led by Mr. Kishorekumar Sethuraman, an expert in DevOps and cloud engineering. Fifty-six students and six faculty members participated. The lecture covered CI/CD pipelines, DevOps tools, automation, and hybrid cloud practices, highlighting how integrating theoretical knowledge with practical technology enhances global career opportunities and motivates students to upskill.

► Interactive session on global career prospects

EMBARK YOUR GLOBAL CAREER CONNECT GUIDANCE PROGRAMME

The PG and Research Department of Commerce organized a regional career guidance programme on 3 July 2025 for B.Com students. Held offline in a classroom, the session featured Mrs. Aishwarya from Azent Overseas Education. The programme provided detailed insights into overseas education, admission procedures, course selection, and financial planning. Students learned about global study destinations and international job prospects, gaining confidence, motivation, and clarity to plan higher studies and careers on a global platform.

► Resource person addressing students

LEARNING TO LANDING BUILDING CAREER CONFIDENCE PROGRAMME

The PG Department of Biotechnology organized a regional Career Guidance Programme on 16 July 2025 at Seminar Hall 1. The offline session, led by Ms. Yogalakshmi, Founder of V Talk Academy, engaged 50 students and four faculty members. The programme focused on career planning, interview skills, communicative English, and placement readiness. Interactive activities, mock interviews, and real-time feedback enhanced confidence, communication abilities, and job preparedness among participating biotechnology students.
