MY EXPERIENCE

From August 3rd, 2019 to February 28, 2020, I had the privilege and pleasure of working with a team of dedicated and creative designers at Ting an established advertising agency. I had a wonderful experience working for them and gained valuable knowledge and learnt more about work ethics. The seven months I spent at Ting were immensely eye-opening in terms of exposure to real crises and challenges I face daily. I have completed my projects for well-known tv channels and brands like Zee tamizh, Devi jewelers, Red FM, Sun tv, Gold trunk and various kitchen appliances and even football and cricket clubs like Hyderabad and Sunrisers Hyderabad.

Cc: Gaethri Ramesh <gaethri14g@gmail.com>

Good morning Amrutha,

The International Society for Security Professionals (ISSP) have decided to provide internship opportunities for the students at DGV during this lockdown period and we have decided to hire Bharadwaaj and Vikram from the 1st yr batch as Interns. These students were identified due to their active participation in the IGNITE program that's been on for the last 1 yr and this was consulted with Gaethri as well.

They will be performing various tasks like validating ISSP members details, building content for our website, internal communication with the members etc. These students will be offered a Certificate in recognition for their work and will be preferred for internship (Physical visits) in our Organisations next year. Kindly note that all the tasks assigned to them can be done being at home & it should be done only during their free time apart from their academic activities.

I'm looking for opportunities to some more students - will keep you updated.

Note: ISSP was previously called as Security Professionals Group.

Thank you!

List of Candidates selected for Data Assistants

The Women & Crime Network (WCN) of the Center for Criminology & Public Policy, India, in collaboration with Counter Trafficking Group, US, is conducting a crime victimization survey in four metro cities of India namely, Mumbai, Delhi, Chennai and Kolkata. The survey, which will begin from November 30, 2020, will be administered to persons, aged 12 or more from a regionally representative sample of households in each of the four cities. As part of the survey, the investigators will also gather data from publically accessible data sources and use it for doing ethnographic field work.

The broad objectives of the survey are: to identify the biggest hotspots of crimes against women and children, to understand the significance of those hotspots in terms of criminal opportunities, and to determine the impact of those hotspots on the safety perceptions of the citizens, including the behavioral changes they made to avoid crime.

Considering the need to collect secondary data and import survey data into Excel, the Center has selected the following candidates from Chennai to serve as Volunteer Data Assistant (DA):

- Aperena P K
- Mathangi K
- Surya Abinash S
- Balamanikandan R
- Ariolinayagam M

The select candidates will commence their respective assignments from November 11, 2020. While this, they will be supervised by Dr. S.A. Deepak, an Assistant Professor of Criminology at DG Vaishnav College, Chennai, who will monitor data collection activities and ensure that assigned tasks are completed by data assistants on or before 26 November, 2020, with a grace period of one day. The data entry work, however, must be taken up along with the survey and is required to be completed within one week from the date of field investigation.

As part of this exercise, data assistants are expected to update and report the status of the work to their supervisor, who, in turn, will communicate the progress (and the action taken) to the Principal Researcher of the Project. Due to the time-limited nature of the project, data assistants will be given challenging targets, and shall be equipped with necessary skills and knowledge to get them moving towards their goals on a daily basis. In keeping with the tight deadlines, and the short-period of engagement, data assistants must be willing to work on holidays.

On successful completion of data collection, the data assistants will be given a certificate of appreciation, and their names and contribution would be mentioned in the ensuing report.

Moreover, the Center might also consider paying a small stipend to data assistants for delivering critical services, if the overall data collection and data entry goals are satisfactorily achieved. The recommendations for stipend must be made by the concerned supervisor, after fairly assessing the performance of individual DA's and their related contribution to the gathering and importing of data.

For further information about the modality of data collection and the scope of involvement of data assistants in the survey, please contact, Director, Center for Criminology & Public Policy, Dr. S.A. Deepak, Vaishnav College, Arumbakkam, Chennai-600106.

This is an electronically generated document and does not require signature.

Induction Offer Letter

Dear **Yeshwanth MJ**,

On behalf of **Tutoraj** (the "Company"), I am pleased to extend you this offer of induction into our **Marketing Internship program**. This is a voluntary online program, with no financial commitment from you or the company. You will begin your 2 day program starting on **10-April-2021** and will be expected to work for a minimum of **8 hours per day**.

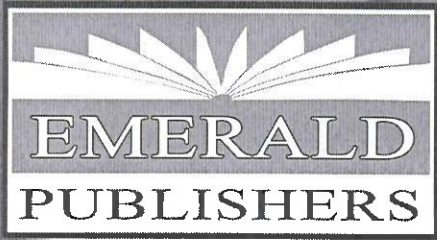

You will receive a certificate of participation on successful completion of the tasks and target in the program. You may also receive a letter of recommendation based on your performance. Your stint is expected to end in 2 days, however, your engagement with the Company is at-will, which means we may extend or terminate your service, at any time without notice.

During your employment, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer of employment, you acknowledge that you must keep all of this information strictly confidential, and refrain from using them. You agree that you will observe all policies and practices governing our conduct and ensure that you do not cause any damage to the brand. I hope that your association with the Company will be successful and rewarding. Looking forward to seeing you in the program.
