Arumbakkam, Chennai 600106

(Autonomous) - Affiliated to University of Madras

Linguistic Minority Institution

COLLEGE WITH POTENTIAL FOR EXCELLENCE

Examination Automation Manual

Office of the Controller of the Examinations

Academic year 2020-2021

Geetha. G

The Office of the Controller of Examinations was set up in accordance with the UGC Regulations for Autonomous Institutions, on 1st June 2009, after the institution was declared 'Autonomous.' The institution is also affiliated to the University of Madras and adheres to the norms prescribed by its affiliating University especially in matters relating to minimum course requirements leading to undergraduate, postgraduate, M.Phil and Ph.D programmes, Choice based Credit System, (CBCS), the computation of Grade Point Average, (GPA), Cumulative Grade Point Average, (CGPA), and the ten-point Grading scale. The CBCS was adopted in 2009, since autonomy. The degree leading towards the completion of a program is however awarded by the University of Madras.

The '**autonomous**' status permits the institution a considerable degree of flexibility in enriching and modernizing the curriculum and syllabus, pedagogical tools and techniques, breaking the tight boundaries between disciplines, introduction of add- on courses, increasing the number of Generic and Discipline Specific Electives, and most importantly, evaluation reforms. Decisions taken by the department in terms of new courses, revising or reframing existing courses, credits and credit transfers and the methodology of evaluation have to be approved by the Board of Studies (BOS), and the Academic Council (AC), which have been constituted as per UGC stipulations and are conducted annually. Autonomy has allowed the institution and in turn the Examinations Office to rethink and reframe the pattern and testing methodology, set rubrics, introduce qualitative measures and to raise the overall standards to empower the student community to face the 21st century challenges.
