## 2. Background

Dwaraka Doss Goverdhan Doss Vaishnav College was founded in the year 1964. His Holiness 108 Goswami Shri Maharajshri Mathureshwarji laid the foundation stone for the building on 13th November 1963 at "Gokul Bagh". The history of the college is marked by the presence of illustrious principles ably assisted by dedicated teachers. Today, it has grown to be one of the premier institutions of higher learning in the state. The College offers several under graduate, post graduate and Research Programmes in various subjects. The College has been conferred the status of "AUTONOMY" by the UGC and endorsed by the University of Madras from the academic year 2009 - 2010. The college has been awarded with "College with Potential for Excellence (CPE)" programme by UGC. The Department of Biotechnology was established in the year 2002 with an objective to acquaint and enable students to excel in the field of biotechnology. It offers both undergraduate (B.Sc.) and postgraduate (M.Sc.) academic programmes. The department continuously strives to provide the quality education, providing an excellent academic cum research environment through its ongoing programmes. It imparts academic training for the students to make them competitive, confident, self motivated and to enthrall in higher studies. The department is equipped with good infrastructures with several instruments to support the current academic and research initiatives. It is also equipped with a separate library consisting of more than 500 books provided with internet facilities.

GOLDEN JUBILEE BIOTECH PARK FOR WOMEN SOCIETY is a unique venture set up with a mission to provide opportunities to qualified women to take up to a career of remunerative self-employment through biotechnological enterprises. The Park began its commercial operations in 2001 and over the years has proved to be a successful and unique venture in women entrepreneur development in the Biotech Sector. The Park has been designed based on the principle of decentralized production supported by centralized services to promote a series of biotechnology based enterprises in the areas of Agro, Food & Nutrition, Medical & Healthcare with a huge focus on mentoring, training and capacity building.

## **II) Objective**

Both the parties accept and agree mutually to collaborate and facilitate a structured plan in benefits of staff and students for the Department of Biotechnology, D.G. Vaishnav College, through guest lectures, workshops, training program, projects, internships and placement. The sharing of information and knowledge will function under the principles of mutual understanding, common interest and complementary activities in areas of research with mutual interest. Both Parties to obtain all internal permissions, consents, approvals and licenses of whatsoever nature required for offering the program on the terms specified herein.

## **III) Co-Operation**

The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another. Both Parties shall establish channels of communication and co-operation that will endorse and development their respective operations within the institution and its related wings.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable training systems, considering the needs of the industry.

The general terms of co-operation shall be governed by this MOU. The term of documents shall be mutually decided between the Parties. This MOU shall represent the entire understanding as to the subject matter hereof and shall supplant any prior understanding between the parties on the subject matter hereof.

## **IV) SCOPE OF THE MoU**

The graduates from the institution will be enhanced in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge and also exchange of resource materials pertaining to academics, research and workshops.

- **Curriculum Design:** Second Party can give valuable inputs to the First Party in training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
