**Organisation with which MoU is signed: KALVI World Solutions Pvt Ltd**

**Objective of the MOU:**

- To provide management training to the students
- To create an exposure to the students to works on six sigma projects
- Training to the students on the process development and time reduction.

**Summary:**

KALVI World conduct workshops where practical implementation resulting in business benefit is the key focus. Training usually ends with knowledge without getting converted as a skill for use. Their world class trainers are from the industry domain with rich experience in their field of specialization. They are not the usual “Power point slide trainers” and connect well with the audience by delivering the content in a seamless and smooth mode.

Toolbox creation by KALVI World is to apply on real-life situations

1. Product Management - Questionnaires, Surveys, Prototype, Benchmarking, Portfolio analysis, Budgeting and CBA
2. Process Management - BPMS, Documentation, SLA, Metrics and measurement dashboards.
3. Risk Management - SWOT analysis, Assumption’s analysis, Probability Impact assessment, FMEA, Risk Register, strategies for negative and positive risks, Make or buy analysis, Reserve Analysis and Contingent Response strategies
4. Quality Management - Planning, Control and Assurance, Lean Six Sigma and TQM techniques
5. Technology Management - Roadmap planning, Execution, Assessment, BCP/DRP
6. People Management - Stakeholder analysis including Power Influence Grid, Salience Model, Stakeholder Register, Change Management, Tools for motivation, negotiation, and conflict resolution
7. Communication - Planning, Performance reporting and Methods
8. Emotional Intelligence - Assessment and Tools for improvement for effective leadership
9. Problem-solving - Structured problem-solving tools like Six Sigma DMAIC, Issue logs and CAPA.
