Dear Dr Kolammal

Lancaster University reference request

Miss Shweta Khandelwal has recently applied for a place on the MSc Entrepreneurship and Innovation October 2020 programme and has indicated that you would be willing to provide a reference.

We appreciate that providing a reference requires time and effort and would like to thank you, in advance, for your assistance.

You can submit your reference in one of two ways:

- You may type your reference directly into an online form.
- You may attach a reference that you have already prepared. Where possible this should be signed, dated and on letter-headed paper / stamped using an official company or institutional stamp.

If you need further information please read on, otherwise you may [provide your reference](#).

What we need from you

We will need you to include the following information in your reference:

- The length of time you have known the applicant
- How the applicant is known to you (e.g. as your student)
- The applicant's level of performance / standard of work / achievement
- The applicant's potential for postgraduate study or research for this programme
- The applicant's command of the English language (if their first language is not English)
- If the applicant is or has been employed by you then please detail their duties

We welcome any other relevant information that you consider might be helpful to us.

We will treat your comments as confidential. However, the University may be required to provide the applicant with a copy of your reference should they formally request it (under the UK Data Protection Act (1998)).

Please [provide your reference](#)
