CONSTITUTION OF INDIA

Dwaraka Doss Goverdhan Doss Vaishnav College believes in imparting constitutional principles and ethics to the student fraternity. The institution organizes programmes on a consistent basis to inculcate the importance of fundamental duties. In this manner, the privileges and rights given to individuals do not get desecrated. Constitution day of India aims to bring awareness on the importance of the Indian constitution and its architect **Dr.B.R.Ambedkar**. Students are made conscious of the fundamental rights and they are educated and informed that the constitution has been an inherent attribute in each one of them since their childhood days, long before they truly learnt about the constitution of India.

The College has continually commemorated national festivals like **Republic Day** and **Independence Day** with great fervour. We believe in promoting a sense of nationalism, integrity and harmony among its staff and students alike. These festivals unite the entire college, as they celebrate them under one roof by representing nationwide harmony and nationalism. The college honours the senior retiring staff on such days, Chief Guest is invited and flag is hoisted by him/her in the presence of staff, students and NCC cadets.

The college also celebrates **Martyr's Day** in the honour of all Indians who had lost their lives in the struggle of India's independence. Celebrating these festivals commemorates the sacrifices of the great leaders and freedom fighters, who laid down their lives in the foundation of this country. According to Dr.B.R.Ambedkar, the architect of the Constitution of India, "The Constitution is workable, it is flexible and it is strong enough to hold the country together both in peacetime and wartime."

The birth anniversary of **Netaji Subhash Chandra Bose** was celebrated as **Parakram Diwas** on 23rd January 2021. **Dr.C.Shailendra Babu, I.P.S.** was the chief guest for the event. He addressed the students and staff members alike. He spoke about the significance of discipline, integrity and righteousness. Each individual has moral responsibility towards himself and his nation. Practicing these virtues makes a man/woman to succeed in all his endeavours.

The college also celebrated **11th National Voters day**. It is celebrated all across the country to mark the foundation day of Election Commission of India i.e. 25th January, 1950. The Principal Dr.T.Santhosh Baboo addressed the staff members and there was an oath taking ceremony too. The college also distributed pamphlets to the general public by making them aware of their **Right to Vote**.

It is important for the students to have a better understanding of the constitution. Today's students are tomorrow's leaders. The faculty members take up the accountability to teach the students about the constitution and make them into responsible and knowledgeable citizens. Educating about the constitution is a process leading to right thinking and noble behavior. Their attitude, proper understanding, ability to interpret and willingness to keep the spirit alive, will surely make our students responsible citizens of tomorrow.

The college is known for the **punctuality** of its students. Strict adherence to college timings for faculty members and students. Professors are stationed from the main gate to the college buildings inside, ensuring that students go to class on time. Members from Discipline committee are present in the canteen in order to ensure that they reach class on time. The college maintains **discipline** in all aspects. The college prayer is played on public address system for Day and Evening College during which time students and faculty members acknowledge its sanctity by staying still for a few minutes. This creates an atmosphere of mindfulness and calmness so that an institution can function efficiently without any hindrance.
