Report: TheOrientation programme for the I UG & I PG students of the department together with the investiture ceremony for the office bearers of the

department association MONETRIX was held on 29th October 2021 in offline mode.

The first part of the programme was an ice breaking and talent show event where all the 3 undergraduate students and the two years of post-graduate students were given time to showcase their skills. A rap show was performed by the final year M.A. Economics students, *Yuvraj and Prince Jaswa*. The second act of the event was a quiz and connections game, conducted and by the final years of M.A.Economics. The quiz conducted included various questions relating to scope of economics, world economic activities, various economic theories, problems and solutions in the subject. The connection game was a real puzzle making it an excellent entertainer. A panel discussion was conducted by the M.A students of first year in the department of Economics. The first years of the B.A.Economics presented a skit on the span of career in the field of economics disregarding the general notion on how it is socially looked down at. The second year students presented a dance which caused a jubilant and festive mood among the crowd. A special presentation was exhibited by *Monika.J* of II M.A.Economics as an art palette on the contributions of Nobel laureates.

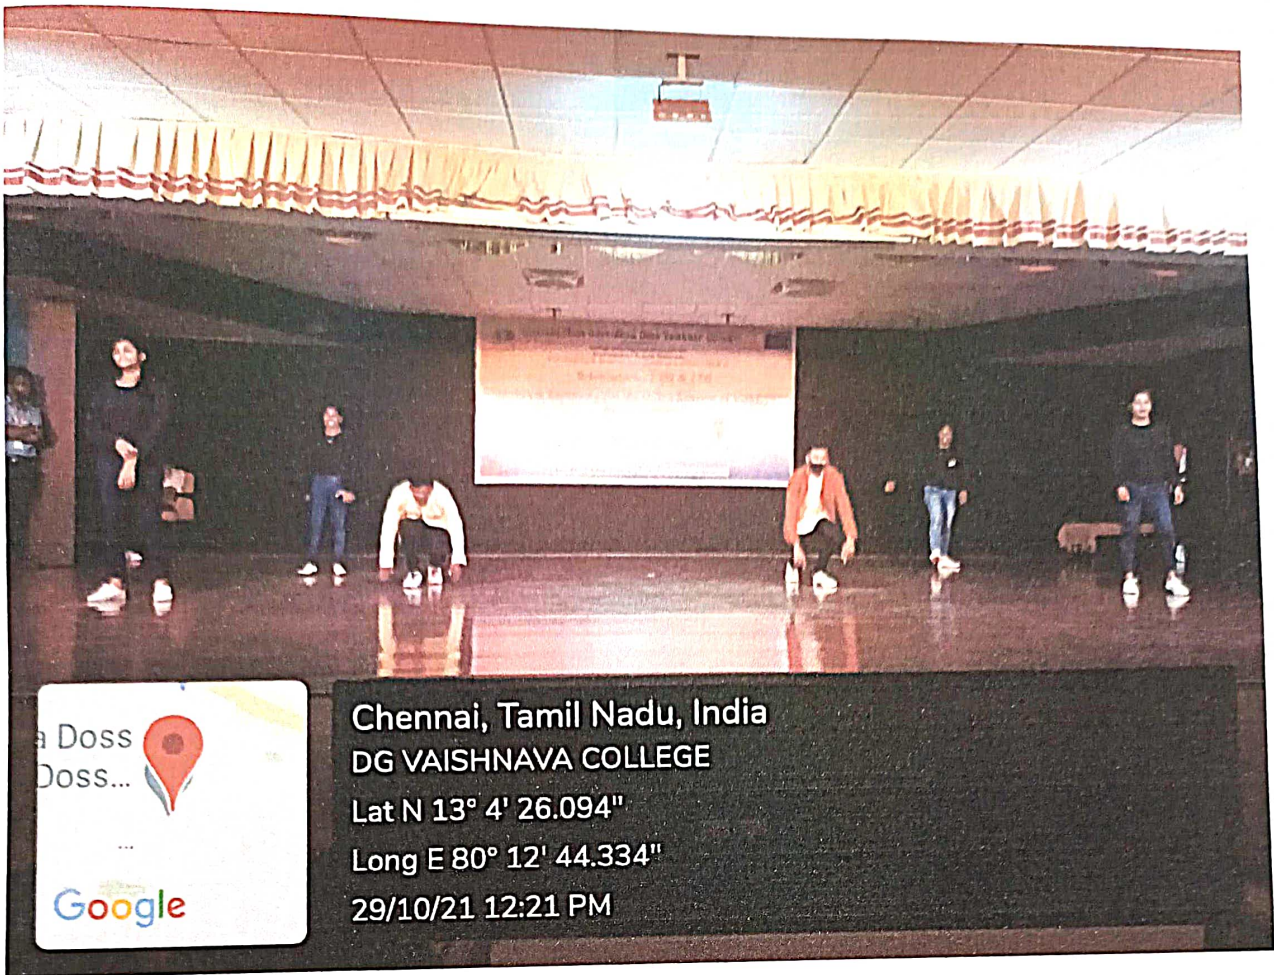

The second part was the formal orientation programme. DrT..S.Prema, Head of the department welcomed the gathering. Dr.S.Santhosh Baboo, Principal of the college offered the Presidential Address. The chief guest, addressing the audience, introduced them to the world of David Card, Joshua Angrist and Guido Imbens and their work." He elaborated in detail how the team won the Nobel prize in the subject for their work in the field. Prof.J.P.Jaideep proposed the vote of thanks.

Outcomes of the Programme

- 1.The students got an opportunity to showcase their talents.

2. It was an icebreaking session for the students as the juniors and seniors got familiarized with each other as classes were all along held in online mode.
3. The students were oriented into the subject of Economics in a methodical manner.
4. The students understood the process of awarding Nobel Prize and the work of the current Nobel Laureates for which they were honoured.
