6.2.3 Implementation of e-governance in areas of operation

✚ Examination

Invoice, User Interface & Screenshots related to

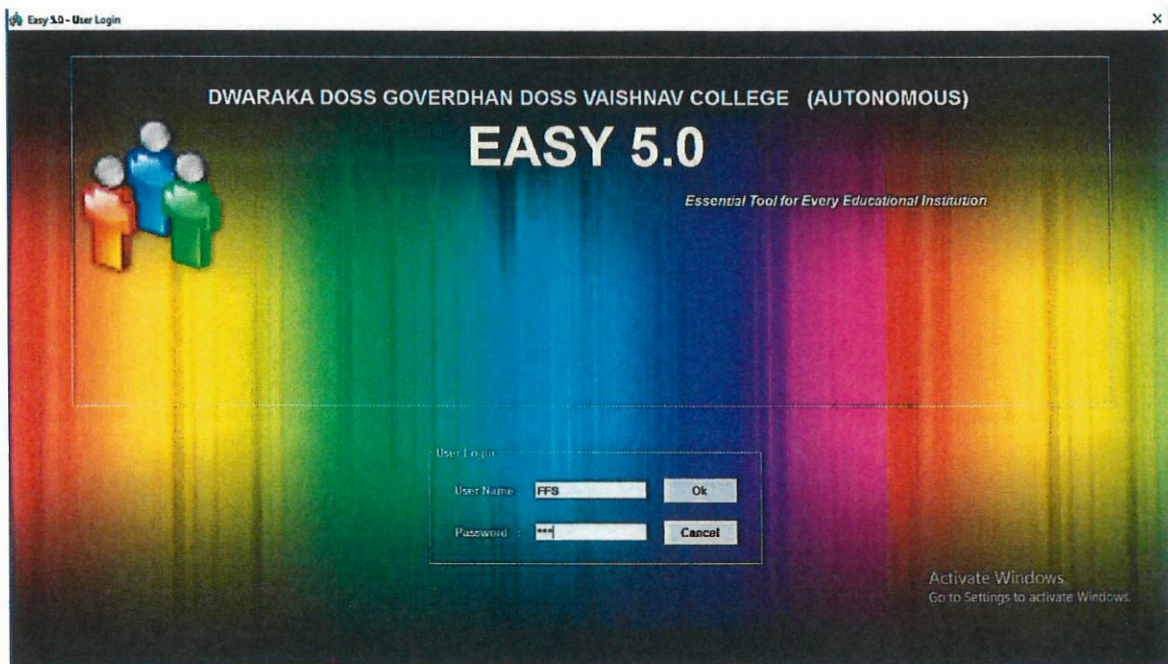

- Examination Automation

S

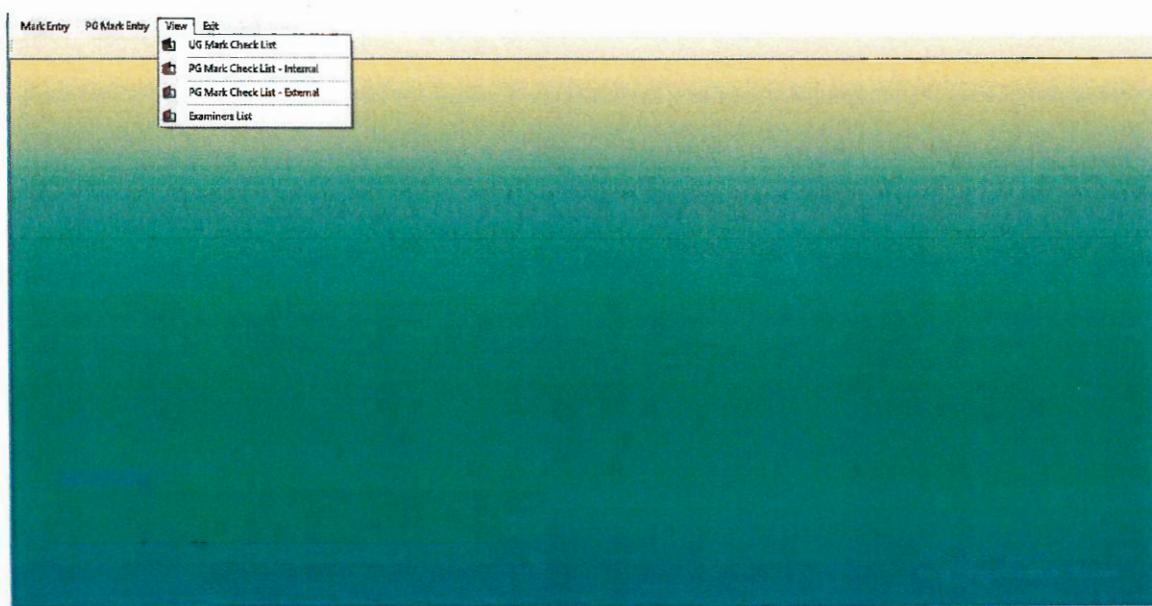

Since the inception of autonomy in 2009, the Examinations Office has integrated technology into its day-to-day governance. From 2012 till date, the office has worked in collaboration with Easy Educational Automation Software Ltd., for supporting the COE office software with various services related to examination and valuation.
