of Microbiology, DDGD Vaishnav College, Chennai on 7th April 2022. The program's primary goal was to increase awareness about the necessity of leading a healthy lifestyle and to develop such values in our students. The session was hosted by Ms. Surabi Sathish, I M.Sc., Microbiology. Dr. P. Vidya, the Head of the Department, welcomed the students on the occasion and addressed to them about the essential of sustaining good health. She also encouraged students for the betterment of physical and mental health. In the honor of the World Health Day various events were conducted on the same day such as slogan competition, debate and poster presentation. A total of 25 students participated in various events. Besides, students were also educated about healthy behaviors and how to stay fit and healthy by eating a well-balanced diet. All the activities were meticulously organized and proven to be an effective opportunity for students to learn how to lead a healthy life.

“To keep the body in good health is a duty...otherwise we shall not be able to keep the mind strong and clear.” – Buddha

Outcome of the program: The aim of the program was to impart deep knowledge about the significance of balanced diet in day to day life. The program was concluded with a formal vote of thanks

REPORT:

Neuberg crew of PG & Research Department of Biochemistry, Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam organized a talk on World Health Day 2022. The event started with prayer song by Ms. Jayalakshmi B of II B.Sc. and Rithika R of I B.Sc.

Dr.P.T. Srinivasan, the Head of the Department, welcomed the gathering and stressed the importance of creating awareness on brain health. The guest was introduced by Prof. M. Maria Caroline Rebellow and the Emcee done by Jeamy Sera Johnson of II M.Sc. and Sai Krishna of III B.Sc. Biochemistry. Dr. A V Srinivasan was our honourable resource person for the event. Sir painted a vivid picture about our health. He gave acronyms for the alphabets based on life principles to be followed which was enlightening to the students. He also briefed on the dos and don'ts of sleep.

The participants came up with amazing questions which were dutifully clarified by the speaker. Later, the feedback-form link was sent to the participants, enabling them to receive an e- certificate for their active participation in the talk. The vote of thanks for the event was delivered by Duke Sholto Jeba Thomas.S of I M.Sc. Biochemistry. The YouTube live streaming was done by Saran Kumar.K and Ankit Kumar.P of I B.Sc. Biochemistry. The event concluded by 12:30p.m.

OUTCOME OF THE EVENT:

- Mental Health and wellness.
- Knowledge about brain health
- Importance of sleep

10. **No. Of. Students’ participants:** 204
11. **Detailed report of the event:** A brainstorming session about how one could lead a healthy life was conducted by the students’ forum of the Department of Accounting & Finance, LucAFama on 30th March, 2022. The session threw light upon a detailed discussion about how smoking, alcohol consumption and drug addiction could ruin one’s life. The doctor educated them on the side effects of these life-ruining acts of human beings on the physical (i.e. the various parts of the body) and mental (i.e. the change in behaviour) health. He also enlightened the students about the most delicate yet important aspect of life i.e. intimate hygiene.
12. **Outcome of the program:**

The students enjoyed the session thoroughly. They had a very frank discussion with the doctor which made them realize the importance of staying healthy. Overall, the program was a grand success.

11. Detailed Report of the Programme

Sasha 2022 is an event organized by School of Management Dwaraka Doss Goverdhen Doss Vaishnav College in association with Avtar The power of Diversity. The session was based on the topic Women across Generational work styles, wellbeing and work life balance and was conducted virtually in the presence of Director Dr. U. Amaleshwari and other faculties. The event was led and executed successfully under the guidance of Asst. Prof. Dr. K.R.Kolammal. The session started with a warm welcome address by the Emcee of the session, Ramyashree. The discussion started off with Mr. Sandeep Kumar enumerating the policies of Sodexo in terms of diversity and inclusion. Students got insights on how diversity and inclusion policies are incorporated in the corporate world. He even related the initiatives taken by Sodexo which included diversity. Ms. Anuradha then started the conversation with how important it is for women to be empowered in the society and also chronically narrated how women strived through generations for being employed and empowered. Her speech gave the confidence and inspired the women folks.

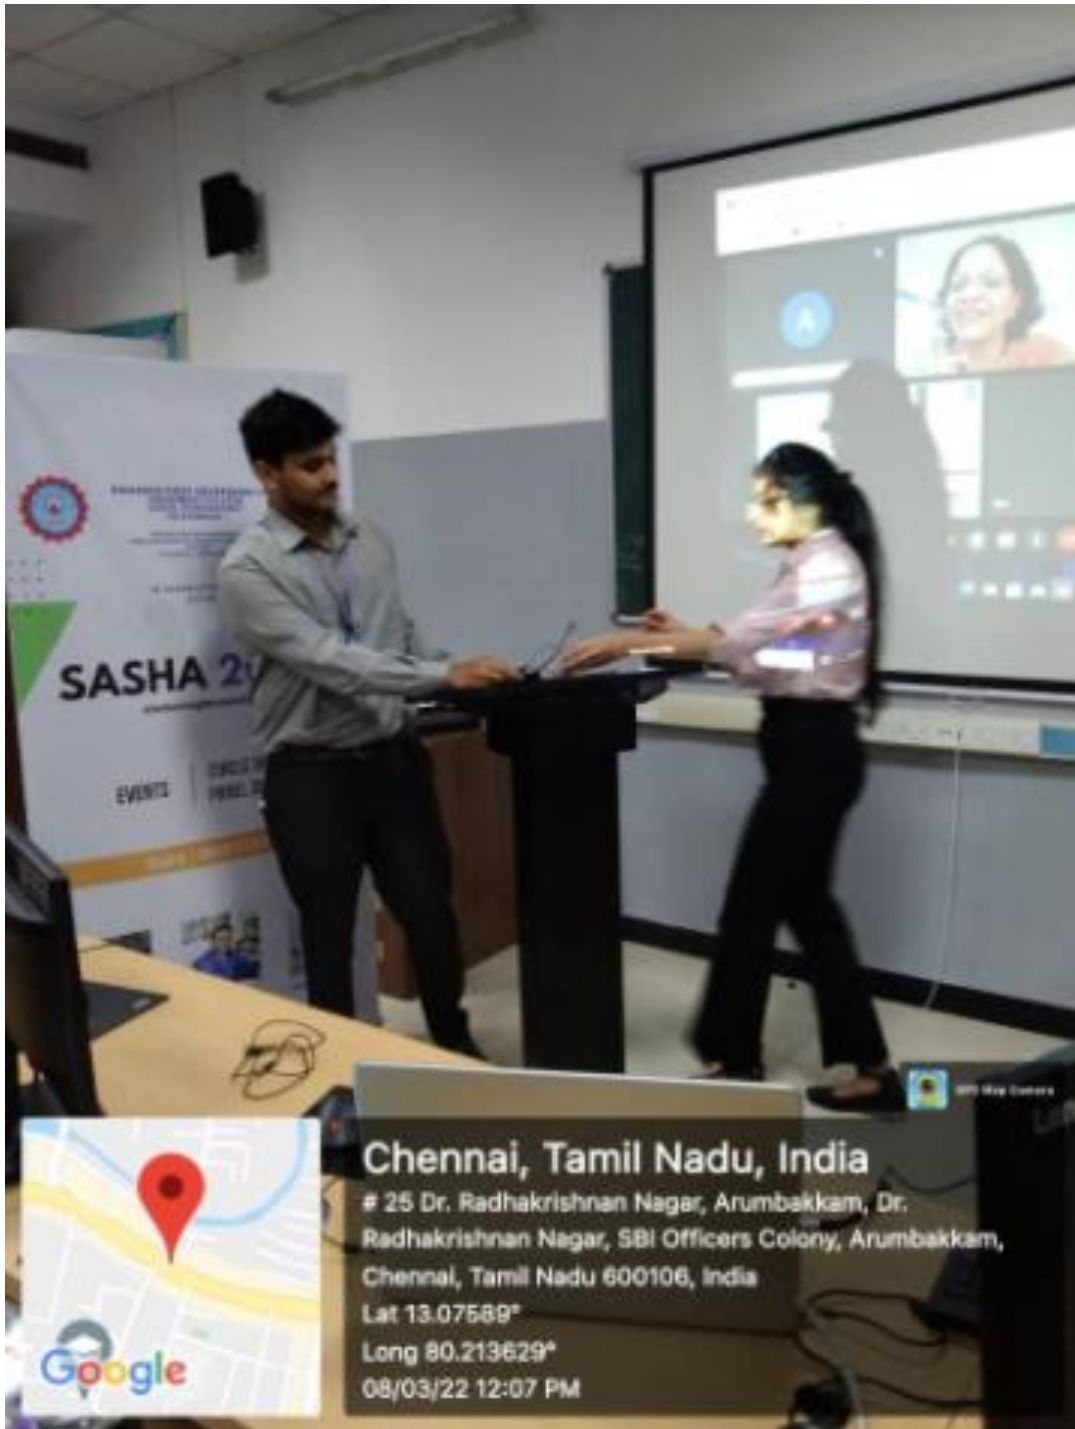

12. Outcome of the programme/event

The panel discussion was focused on the significant contributions of rural women at work across the globe, including indigenous women, and highlight actions needed to achieve greater gender equality and empowerment. The interactive panel discussion served as a platform for collective

reflection addressing challenges and opportunities in supporting the role of women as warrior towards agents of change.

12. Detailed Report of the Programme :

World Sparrow Day is celebrated on March 20 every year to raise awareness for the conservation of common house sparrows, which are increasingly disappearing due to urbanization, high pollution levels, global warming and loss of ecological resources among other reasons.

Around 32 Student Ambassadors from the Department of Botany and Enviro club came up with an idea of commemorating the World Sparrow Day which is celebrated on 20th March every year with the theme of 'I love Sparrows'.

The Campus of Dwaraka Doss Goverdhan Doss Vaishnav College is not only a domicile for a learning scholar but also it is a sanctuary of Flora and Fauna with a green fabulous ambience.

The Department of Botany has wooden Box where Dissection microscope where kept and the same is supposed to be discarded. The students came up with an idea of converting the Wooden Box to a House Sparrow Nest where they can Rest. Around 50 Boxes were made ready and the nests were hanged on the Trees behind the Botany department.

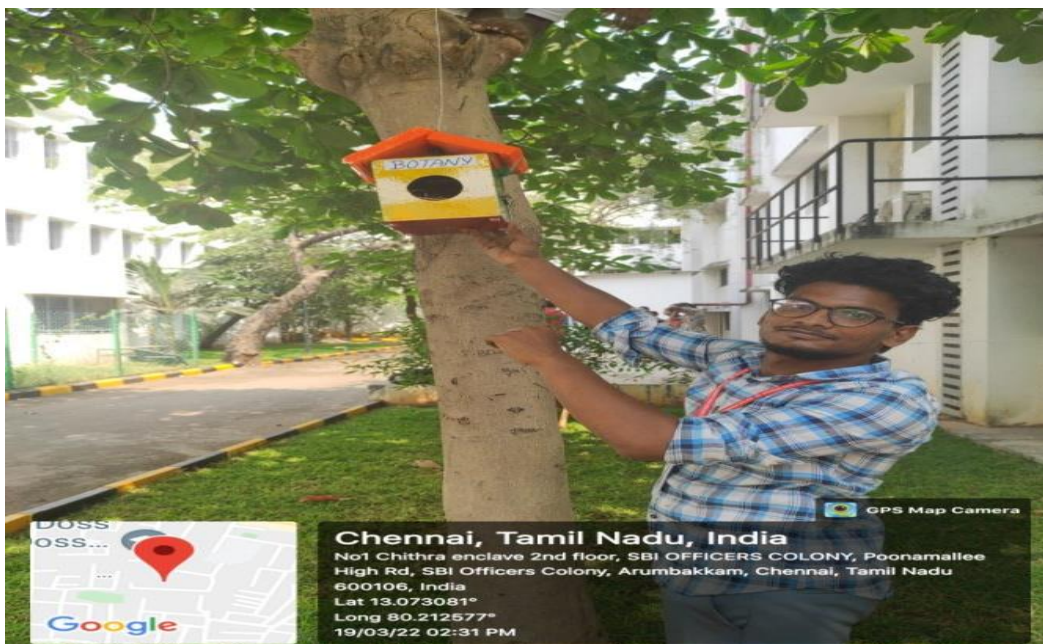

13. Outcome of the Programme/event :

The students were happy in organizing the event

They participated in the programme by giving their wholehearted contribution by making the Nest for the Birds.

The students after completing the event shared by saying that a sense of satisfaction felt by them

Detailed Report of the Programme

The Department of Biotechnology, Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai – 106 celebrated the International Women's Day on 08.03.2022 by organizing various competitions including doodle-art, essay writing, glass bottle painting and caricature for the students of the department based on the theme "Gender equality for a sustainable tomorrow".

In the competition, the students presented different art-works by means of doodles, painting and caricature. They expressed their thoughts related to the theme during essay writing. Various faculty members of the Department of Biotechnology, DDGDVC served as the judges for the events. The judges for the events helped define winners and simultaneously ensured that all the participants were encouraged and motivated for future programs.

50 student participants from the Department of Biotechnology, DDGDVC participated in the competitions. The program ended with prize distribution to the winners and a vote of thanks. Feedback from the participants was collected via Google form. Trophies were awarded to the winners of the competitions. All participants were provided with a certificate.

The department of B.C.A has organized **Guest Lecturer series** on behalf of IIC, D.D.G.D.Vaishnav College, and the session was inaugurated by Dr. T.Velmurugan, Advisor & Head, Department of B.C.A. In this series we organized three sessions with three different genres like IOT, Cyber Crime Awareness and Cloud computing with three different Resource Persons. Around 108 participants both BCA students and other department students were actively participated. Through this series, they have learned latest trends and technologies.

Overview of the program (100 words):

This series of event has been covered three different genres which was benefited by the participants. They have learned IOT and Its Applications, Cyber Crime Awareness, and Be a Clouder- Let's get introduced to cloud Computing. The Internet of Things (IoT) describes the network of physical objects that are embedded with sensors, software, and other technologies for the purpose of connecting and exchanging data with other devices and systems over the internet. Smart agriculture, denotes the application of IoT solutions in agriculture. It uses IoT sensors to collect environmental and machine metrics. The data can help farmers make informed decisions and improve just about every area of their work – from livestock to crop farming. They taught some use cases of IOT, Agricultural drones are equipped with sensors and cameras. They are used for imaging, mapping, and surveying the farms. IoT technology in healthcare is represented by tracking systems and real-time health systems and is responsible for improving patient treatment, diagnosis, medical and diagnostic equipment maintenance, and remote surgeries. Speed and timing are two priority challenges for Transportation and logistics. Internet-of-things devices are set to make transportation companies smarter and more efficient by automation and business processes optimization.

Benefits in time of learning (150 words):

The first session which we had was about IoT. It was quite interesting and IOT is physical objects are embedded with sensors which makes us like smarter and easier that what I learned for example the most popular Amazon Alexa it can be connected to several home appliances we can

just operate those things mainly with the help of internet IOT is not only getting used in home automations it also several sectors including agriculture, healthcare and so on.

And the next session was about cyber Crime Awareness which was really integrated with our daily day to day life. It was very useful session where the speaker explained many useful information about how to secure our data on our mobile, laptops. What to do and don'ts, how our data are getting theft.

The final session was the one which participants liked the most among the three sessions which was about cloud services and cloud computing because as a cloudier, even though participants do not know more about cloud services, the speaker shared some interesting facts about cloud which develops participants' hunger to gain more knowledge about cloud services.

DETAILED REPORT:

PENNALAM- DON'T WHISPER,STAY FREE!

On March 8, 2022, on International Women's Day, the Department of Business Administration started an initiative called Pennalam. It's a campaign to get a sanitary dispenser machine installed in the college premises. The machine is now located in the library in the college campus. We, the BBA students, handed approximately 2000 sanitary napkins to the girls and female faculty members of the campus, which were packed by the department's girls. The session began at 3:00 p.m., with our chief guest Mrs. Sriranjani Rajasekar unveiling the machine along with Dr Amrita, faculty coordinator

of women cell DGVC, principal, secretary and the HOD of the department .Mrs Sriranjani Rajasekar gave chocolates and roses to each of the girls as a mark of her affection towards the students. She emphasised the need of women's empowerment and independence. We had an involved discussion on how girls should act in any situation. She also told a few short stories that had inspired her. She encouraged the girls to make their own choices. The session ended with all of the females, as well as the dignitaries, dancing to a pleasant tune. The session ended with the playing of the national anthem.

12. Detailed Report of the Programme :

World Wild Life Day was celebrated by Enviro club on 3rd March 2022 under the Theme 2022 by UN Environmental Programme“ Recovering Key species for Ecosystem Restoration”.

In the morning session the Students from Department of Botany participated in the live streaming of awareness initiative organized by The CITES (Convention on International Trade in Endangered Species of Wild Fauna and Flora) Secretariat administered by UN Environmental Programme (UNEP) which is located at Geneva, Switzerland.

Later a group of students from the Department of Botany along with the faculties of the Department went for a educational awareness visit to see the Palm tree which is located in front of the Lions Edifice Auditorium of our College Campus which is a threatened Plant species and also the State Tree of Tamil Nadu. Dr. R. Muralidharan was the Resource person and he explained the importance and key role played by the Palm tree in restoring the ecosystem of our Mother Earth.

13. Outcome of the Programme/event :

The students were inculcated not only an environment-friendly attitude but also created awareness regarding the Ecosystem.

Knowledge on the importance of Palm tree which is a threatened species was understood by the students and it will be disseminated to the fellow students.

The students were extremely satisfied with such an event being organized.

Detailed report of the program:

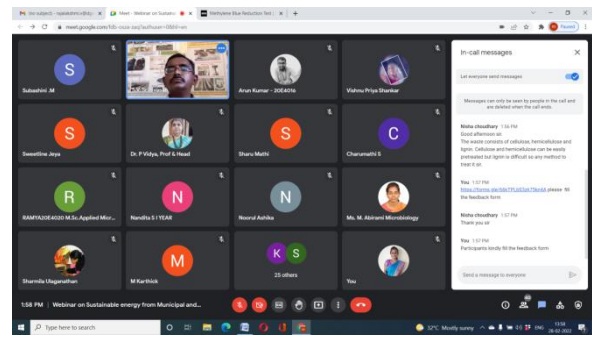

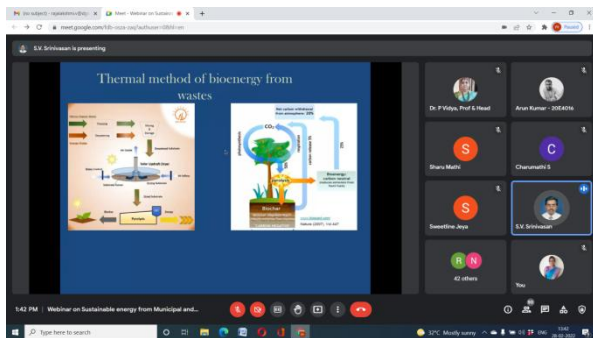

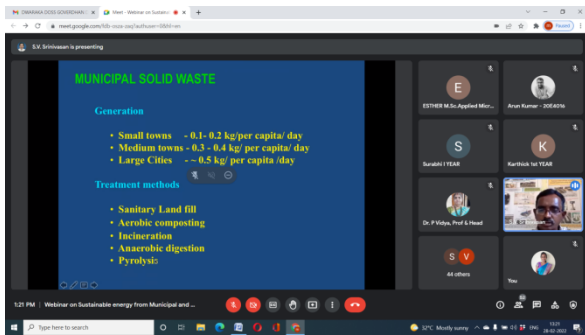

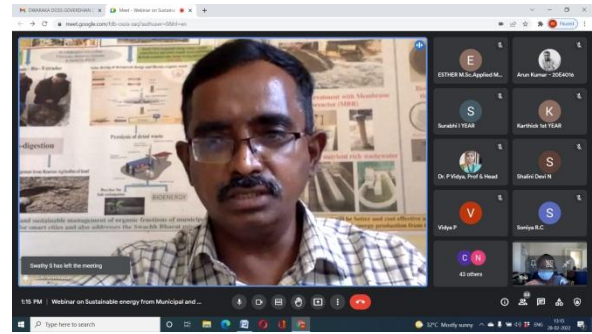

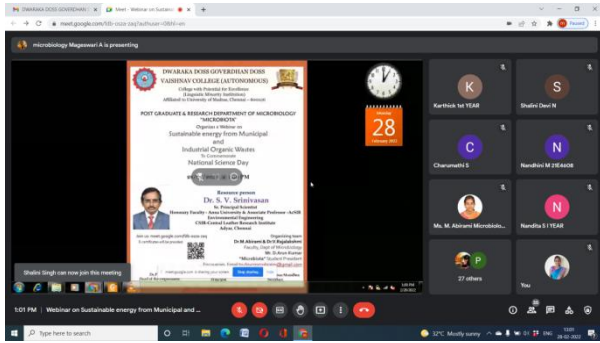

The PG & Research Department of Microbiology organized a webinar on “Sustainable energy from municipal and industrial organic wastes to commemorate National Science Day”. In the beginning of the webinar, welcome address and prayer song was given by our student representative. The Chief Guest introduction was specified by “Microbiota” Student Co-ordinator. Following the introductory session, Dr.S.V.Srinivasan, Sr. Principal Scientist, Environmental Engineering, CSIR-CLRI, Adayar, Chennai gave his presentation on various organic wastes produced and its value added products. He mentioned especially about the potential of vegetable wastes to Biofuels. Owing to the characteristics like high abundance, renewability, and ease of accessibility, valorization of organic wastes serves as a potential solution for waste management issues. The feasibility and sustainability of the production of various value-added products from biowastes and byproduct streams also discussed during webinar. Finally, he stated an idea towards power generation through the Waste generated by coal combustion.

Outcome of the program:

The program's objective was to reduce and eliminate the adverse impacts of waste materials on human health and the environment to support economic development and superior quality of life.

This presentation will undoubtedly assist students in developing a new perspective on this topic. The students' and speaker's enthusiastic participation suggested that the session was great and useful. The meeting came to a close with a formal vote of thanks.

11. Detailed Report of the Programme

Government of India is celebrating a year-long programme *Azadi ka Amrut Mahotsav* to pay homage and showcase India's achievements in 75 years of Independence. The Government of India's science and technology organisations in close partnership with state agencies are leveraging this 'Mahotsav' as an opportunity, to celebrate S&T achievements over the 75 years through programmes that inspire our youth and help them navigate into building a progressive nation.

Vigyan Sravatra Pujyate (FEB 22-28,2022) is a week dedicated to Science and Technology. This is jointly organised by DST, DBT, CSIR, MoES, DAE, DOS, ICMR, AICTE, and DRDO under the leadership of the office of the Principal Scientific Officer to the Government of India and the Ministry of Culture. Vigyan Prasar has been given the responsibility for coordinating the event. Website: <https://vigyanpujyate.in/>

Ariviyal Palagai (An initiative of Vigyan Prasar) work towards bringing out all relevant contents in Tamil Language for this program. In Tamil Nadu, TNSSTC (Tamil Nadu Science and Technology Centre) plays a pivotal role in conducting this event during this period. Department of Physics, Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai hosted popular Science lectures in association with *Ariviyal Palagai* and TNSSTC.

Dr. Narendran Gopalan, Scientist - E, Senior Deputy Director, ICMR, National Institute for Research in Tuberculosis – NIRT gave a talk 'Science and spirituality to lead research for a better world in 15 years' on 28 February 2022. Through his interesting and interactive session, he highlighted the research initiatives by the government, especially in the medical field.

Dr. Santhosh Baboo, Principal inaugurated this programme. Shri. Ashok Kumar Mundra, Secretary of the college presided and felicitated the speakers. Dr.Uthra Dorairajan, Head, Department of Physics coordinated

Detailed Report of the Programme

The Technosaviour Club, Department of Biotechnology, Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai – 106 in association with the Institution Innovation Council (IIC), DDGDVC, celebrated the National Science Day on 28.02.2022 by organizing enactment, ideation and model-making events for the students of the department on the theme “Science for a sustainable future”.

The event started with enactment competition where the students enacted their script related to the theme. In the ideation competition, students presented their scientific ideas and solutions for a sustainable future. Model making competition was held simultaneously where students presented and explained their models. Various faculty members of the Department of Biotechnology, DDGDVC served as the judges for the events. Dr. S. Santhosh Baboo, Principal, DDGDVC interacted with the students and appreciated their enthusiasm. The judges for the events helped define winners and simultaneously ensured that all the participants were encouraged and motivated for future programs.

90 student participants from the Department of Biotechnology, DDGDVC participated in the competitions. The program ended with prize distribution to the winners and a vote of thanks. Feedback from the participants was collected via Google form. Trophies were awarded to the winners of the competitions. All participants were provided with a certificate.

ABOUT THE COLLEGE

Dwaraka Doss Goverdhan Doss Vaishnav College, a linguistic minority institution established in the year 1964 for the cause of higher education. The sole purpose of the college is to provide knowledge and value based education. Dwaraka Doss Goverdhan Doss Vaishnav College founded on the principles of Vaishnavism, is a haven for generations of enthusiastic learners through five decades and more.

ABOUT THE DEPARTMENT

The Post Graduate Department of Physics is dedicated to excellence in teaching and is committed to serve the students' community. The Department offers Degree in Bachelor of Science in Physics with Computer Applications and Master of Science in Physics. We aim to provide students with a strong foothold in the fundamental concepts of Physics as well as to enhance their experimental, theoretical, programming and professional skills.

10. No. of student participants: 110
11. Detailed Report of the Programme: The programme was hosted by the Principal. The resource persons were introduced by Dr C.Ramathilagam. As a MAVEN team member Dr. Dolon Bhattacharyya explained in detail about hydrogen escape from the upper atmosphere of Mars, and how this is crucial for helping us to figure out the total amount of water lost over billions of years. Er. V. Rajasekar, Scientist G, gave an account of the various launch vehicles developed like Polar Satellite Launch Vehicle (PSLV), Geosynchronous Satellite Launch Vehicle (GSLV), Geosynchronous Satellite Launch Vehicle Mk III (GSLV Mk III), Sounding Rockets, Space-capsule Recovery Experiment, Reusable Launch Vehicles and Air Breathing Propulsion. The vote of thanks was proposed by the students coordinator Pradhyumna of 3rd B.Sc (PCA).
12. Outcome of the programme/event: Both the sessions were informative and the students enthusiastically asked lots of questions and seeking information as how to join ISRO. The speakers inspired the students to realize their dreams which are the essence of the National Science Day.

11. Detailed Report of the Programme

Government of India is celebrating a year-long programme *Azadi ka Amrut Mahotsav* to pay homage and showcase India's achievements in 75 years of Independence. The Government of India's science and technology organisations in close partnership with state agencies are leveraging this 'Mahotsav' as an opportunity, to celebrate S&T achievements over the 75 years through programmes that inspire our youth and help them navigate into building a progressive nation.

Vigyan Sravatra Pujyate (FEB 22-28,2022) is a week dedicated to Science and Technology. This is jointly organised by DST, DBT, CSIR, MoES, DAE, DOS, ICMR, AICTE, and DRDO under the leadership of the office of the Principal Scientific Officer to the Government of India and the Ministry of Culture. Vigyan Prasar has been given the responsibility for coordinating the event. Website: <https://vigyanpujyate.in/>

Ariviyal Palagai (An initiative of Vigyan Prasar) work towards bringing out all relevant contents in Tamil Language for this program. In Tamil Nadu, TNSTC (Tamil Nadu Science and Technology Centre) plays a pivotal role in conducting this event during this period. Department of Physics, Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai hosted popular Science lectures in association with *Ariviyal Palagai* and TNSTC.

டி.ஜி.வைணவக் கல்லூரியில் முப்பெரும் விழா

சென்னை, ஜன. 22: சென்னை அரும்பாக்கத்தில் உள்ள டி.ஜி. வைணவக் கல்லூரித் தமிழ் இலக்கியத் துறை சார்பில் வசூல் 150-ஆம் ஆண்டு விழா, நேதாஜி 125-ஆம் ஆண்டு விழா, 75-ஆம் ஆண்டு சுதந்திர தின விழா என முப்பெரும் விழா கல்லூரி வளாகத்தில் சனிக்கிழமை நடைபெற்றது.

விழாவில் வரவேற்புரையாற்றிய தமிழ்த் துறைத் தலைவர் ப.முருகன், சுதந்திரப் போராட்ட வீரர்களின் தியாகம் செறிந்த போராட்டங்களை நினைவுபடுத்தி இன்றைய மாணவர்கள் அத்தகைய தியாகத்துக்குப் பெருமை சேர்க்கும் பணியில் ஈடுபட வேண்டும்

என வலியுறுத்தினார்.

இதைத் தொடர்ந்து கல்லூரி முதல்வர் சேது. சந்தோஷ் பாபு பேசுகையில், தேசப்பற்று மிக்க வீரர்களின் வரலாற்றை இளம் தலைமுறையினர் அறிந்து கொள்வதோடு நாட்டின் நலனுக்கு தங்களால் இயன்ற பங்களிப்பை ஆற்ற வேண்டும் என்றார்.

சிறப்புச் சொற்பொழிவாளர் ரெங்கையா முருகன் பேசுகையில், தாம் கொண்டிருந்த கொள்கையில் எந்த நிலையிலும் சமரசம் செய்து கொள்ளாமல் நாட்டுக்காகப் போராடியவர் வசூல். அவர் தேசத்துக்காக மட்டுமல்லாமல் தமிழ் மொழிக்கும் அரும்பணியாற்றினார் என்றார்.

REPORT:

The NSS Cell of Dwaraka Doss Goverdhan Doss Vaishnav College organized an online webinar on the topic “Vivekananda-An Influencer” to celebrate National Youth Day. The event started with the Presidential Address delivered by our beloved Principal Captain Dr. S. Santhosh Baboo Sir. Dr. Selvakothai Nachiyar, the resource person gave an eloquent presentation about the preaching of Swamy Vivekananda and Dr. Uthra Dorairajan started the speech with many relevant stories about Swamy Vivekananda's life and his influence on today's youth. The session was very interesting and thought-provoking. The valuable inputs given by the speakers will create a positive change and upliftment among the students.

OUTCOME OF THE PROGRAMME/EVENT:

- To provide the students with Swamy Vivekananda's preaching about brotherhood and self-awakening.
- To enable the students to create a positive change in the society.
- To empower the students towards positive contributions to their community and nation building.
- To enhance the knowledge of the students and to promote rational thinking.

11. Detailed Report of the Programme

The National Energy Conservation Day is being celebrated every year on 14th December since 1991 in our country. The Bureau of Energy Efficiency (BEE), under Ministry of Power spearheads the celebrations every year. The objective to celebrate the National Energy Conservation Day is to drive mass awareness about the importance of energy efficiency and conservation. Our government has been taking multiple steps to create awareness about energy conservation and renewable energy promotion. This year, Ministry of Power initiated Energy Conservation Week (8th-14th Dec), 2021 under Azadi Ka Amrit Mahotsav.

Department of Physics (Aided) in association with Innovation Cell, Institution's Innovation Council organized an e-Slogan contest on the theme "Energy Conservation for Sustainable World" to commemorate National Energy Conservation Day 2021. This contest helped the students of our college to come with creative slogans making people aware of global warming, climate change and saving energy resources. This initiative is an effort to nurture and promote innovative thinking among students. As a part of NITI Aayog's initiative to encourage Vernacular Innovation, this e-Slogan contest was held in three different languages- Tamil, Hindi and English. We received excellent response from students of various disciplines and about 105 responses were recorded. Out of which 92 were in English, eight in Tamil and five in Hindi languages.

All the entries were scrutinised by a jury consisting of Dr.V.Renganayaki, Assistant Prof., Department of Physics and Dr.V.Sangeetha, Member, Innovation Cell, IIC & Assistant Prof., Department of Physics. Five of the impactful entries were selected as prize winning slogans, as each of them conveyed the importance of energy conservation in their own creative way. As the theme is to spread awareness on Energy Conservation for Sustainable world, the jury felt there is no need to differentiate them and all five best entries will be given awards.

Following, five entries were selected for awarding prizes, listed here in alphabetical order:

- E.Deepak, II B.Sc. Physics (Hindi slogan)
- S.Monisha.S, III B.Sc. Biotechnology (English slogan)
- R.Sandhiya, III B.Sc. Physics (Tamil slogan)
- S.Sathya Bama, II BBA (English slogan)
- B.Shanmaathi.B, III B.Sc. Maths (English slogan)

12. Outcome of the programme/event

This contest helped them to spread the message of energy conservation and to be creative, ideate, express while spreading knowledge. As well this reinforced the SDG

12	Detailed Report of the programme	Chennai, Arumbakkam, Dwarka Doss Govardhan Doss Vaishnav College on behalf of the Tamil Department celebrated the 139th birthday anniversary of Mahakavi Bharathiar in a grand manner. Welcoming the audience, Dr.P.Murugan, Head of the Tamil Department, gave a welcome address and said, We have to enrich them in life by studying student wealth, "he said. College Principal Dr.S.Santhosh Baboo presided over the function and said, "Every year the Mahakavi Bharathiar Birthday Festival is being celebrated on behalf of the Tamil Department in a very special way. Mahakavi is the greatest personality that everyone should think about every day. His ideas should be applied in daily life." It is a well known fact that Bharathi fought for women's emancipation when she addressed the function as a special guest. She said in her article that women get married before puberty and that women get divorced if they do not want to live in harmony with their husbands and talk about being friendly with other men. Another special guest was Dr. So. Yelumalai, while addressing them, spoke eloquently highlighting the various real events that took place in Bharati's life. At the function, students participated in solos, essays, paintings, songs and dances on various topics about Bharatiyar and received prizes. The function was coordinated by Dr. C. Sadanandan and Dr. K. Girivasan, Assistant Professors of Tamil. The ceremony to thank Dr. C. Sellappillai ended today.
13	Outcome of the programme / event	Students learned about Bharatiyar's biography. The students learned the poems sung by Bharatiyar for the liberation of the country and the liberation of women. Students enthusiastically participated in speech and painting.

Detailed Report of the Programme:

Technosaviour Club, the Biotechnology Association of Dwaraka Doss Goverdhan Doss Vaishnav College celebrated the “International Anti-Corruption Day” by organizing a T-shirt painting competition on 09/12/2021 in an offline mode. This day is observed to raise awareness and find newer ways to combat corruption. Our society is largely affected by corruption and preventing it will help progress towards sustainable development goals and promote equity. The students of biotechnology were provided a platform on this occasion to keep forward their thoughts on corruption and different ways to combat it.

‘International anti-corruption day’ T-shirt painting competition was held for the students to creatively showcase their thoughts on Anti-corruption. Corruption affects all areas of society. Preventing corruption unlocks progress towards the Sustainable Development Goals, helps protect our planet, creates jobs, achieves gender equality, and secures wider access to essential services such as healthcare and education. By participating in this intradepartmental club activity, the students recognized the effects of corruption on our socioeconomic system and the growing need to eradicate this issue. Faculty members of the Department of Biotechnology, Dr. M. Pavithra, Dr. P. Indumathi, Dr. MRM Sivasankaran and Ms. S. Uma served as the judges for the competition. The work of the 18 student participants was judged based on the creativity in drawing, relevancy to the theme and the intensity of the content. The first three winners of the competition were presented with certificates.

Report:

Technosaviour Club, the Biotechnology Association of Dwaraka Doss Goverdhan Doss Vaishnav College celebrated the “**World Antimicrobial Awareness Week**” by organizing Poster competition event “**Anti Microbial Resistance**” on **25/11/2021** in an offline mode. This week is aimed to create awareness among people on Anti Microbial Resistance (AMR) as it is considered as one of the biggest global health threats. The students of biotechnology were provided with awareness on threat of AMR worldwide, including overuse and misuse of antibiotics by mankind during the AMR week (18.11.2021-24.11.2021). A poster contest on “**Current and future risk of increasing AMR due to COVID-19 pandemic**” and “**Global effects and impacts of Antimicrobial Resistance – A threat to children’s health**” was conducted in the department on 25.11.2021.

“Anti Microbial Resistance” poster competition was held to create awareness among students on AMR and its consequences on the health of living beings. The day aims to evoke people from unlawful consumption and usage of medicines in human, livestock and agriculture, as well as poor access to clean water, sanitation and hygiene. By participating in this intradepartmental club activity, the students recognized the effect of resistance and the need of awareness in the community. Faculty members of the Department of Biotechnology, Dr. P. Amali and Ms. G. Shoba served as judge for the competition. The work of the 25 student participants was judged based on the creativity in drawing, relevancy to the theme and the intensity of the content. The first three winners of the competition were presented with certificates.

Outcome of the event:

- The club activity provided a good opportunity to the students to acquire knowledge about AMR and to create awareness.
- To learn about the wise usage of medicines and disinfectant products.
- The club activity also helped the students to convey their perception of AMR through their drawing skills.

Global Efforts and Impacts of Antimicrobial Resistance-A threat to children's health

Antimicrobial resistance (AMR) is a global problem that impacts all countries and all people, regardless of their wealth or status.

WHO has declared that AMR is one of the top 10 global public health threats facing humanity

Patients with infections caused by multi-resistant bacteria have an increased risk of worse clinical outcomes and death.

GLOBAL ACTION PLAN ON ANTIMICROBIAL RESISTANCE

1. Improve awareness and understanding.
2. Strengthen the knowledge through surveillance and research.
3. Reduce the incidence of infection.
4. Optimize the use of antimicrobial medicines.
5. Ensure sustainable investment.

Impact of antibacterial resistance includes a number of growing infections such as pneumonia, tuberculosis, gonorrhoea, and salmonellosis are becoming harder to treat as the antibiotics used to treat them become less effective. Antibiotic resistance leads to longer hospital stays, higher medical costs and increased mortality.

AMR IS A GLOBAL HEALTH PRIORITY

Every **45 seconds** someone dies from AMR. **700,000** people die from AMR every year. An estimated **10 million** people will die from AMR by 2050.

Antibiotics aren't always the answer. Always seek the advice of a healthcare professional before taking antibiotics.

By **BJAYASURIYA 20E2522**

ANTIMICROBIAL RESISTANCE

What is antimicrobial resistance?

Antimicrobial Resistance (AMR) occurs when bacteria, viruses, fungi and parasites change over time and no longer respond to medicines making it for them harder to treat and increasing the risk of disease spread, severe illness and death.

Strategies to combat antimicrobial resistance

- Antimicrobial stewardship
- Infection control
- Hand hygiene
- Infection control of prevention
- Risk factor mitigation
- Economic incentives
- Regulatory oversight
- Research and development
- New AMR diagnostics
- National policy
- International collaboration

What is 'Power'? Generally the term power is misinterpreted by everyone saying that power is only about physical strength or a person who is wealthy in a society. But the most effective term for power is a person's mind. The most Creative and Versatile mind holds the power in our society, or even a person who is poor but smart enough to know a way to feed himself holds the

12	Detailed Report of the programme	Mahakavi Bharathiar Memorial Centenary Celebration (1921-2021) was celebrated on 13.09.2021 at Dwaraka Doss Govardhan Doss Vaishnav College, Tamil Department, Arumbakkam, Chennai. Inaugurating the function, Dr.S.Santhosh Baboo, Principal of the College, identified the multidimensional dimensions of Bharathiyar and spoke about the methods of implementing Bharathiyar's dream in the contemporary educational environment. In his introductory address, Dr. P. Murugan, Head of the Tamil Department, said, "We recognize the personality of Bharathiyar who has conquered time and we must carry the voices of patriotism, devotion to God, women's liberation and social emancipation in his poems to the next generations." During the function, students showcased their talents in the singing forum, speech forum, poetry forum and dance forum in memory of Mahakavi Bharathiar. And is it unintelligible to stand out in Bharathiyar songs? Patriotic? Dr. C. Chellapillai, a student, spoke on the topic of 'Bar'. Dr. Suja welcomed the gathering. Dr. D. Sivalingam thanked them.
13	Outcome of the programme / event	The students learned about Bharathiyar and his poems. Through Bharathiyar's poems, students learned about patriotism, devotion to God, women's liberation and social liberation.

9. Detailed Report of the Programme

International asteroid day is observed on June 30th every year and is a United Nations recognized campaign to raise awareness of asteroids, their potential threat to our planet and the scientific secrets that can be discovered by studying them. This day is observed to inspire, engage and educate the people about asteroid opportunities and risks. This year's International Asteroid Day marks the 113th anniversary of the largest recorded asteroid impact that took place near the Tunguska River in Russia's Siberia.

As a part of this awareness program, TRIPLE HELIX SCIENCE CLUB of Department of Physics (Aided), Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai has organized an online picture quiz in collaboration with Asteroid Foundation, Luxembourg to spread awareness about the asteroids and their impact on earth.

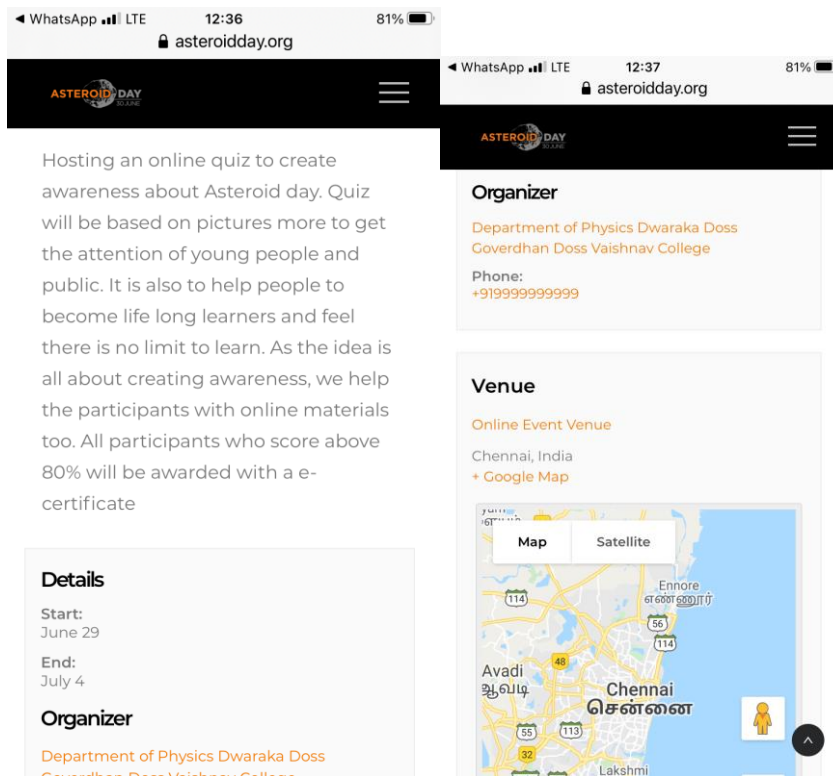

As many as 480 participants from various schools,

colleges and also the general public actively participated in this online quiz program.

10. Outcome of the programme/event

This is an initiative of our Department to help school and college students and the general public to have basic knowledge about asteroids and their impact. Through this initiative we believe we can promote lifelong learning opportunities for all under SDG goals.

MONTHLY REPORT

2021-2022

OCTOBER MONTH:

CLUB SERVICE AVENUE

HALLOWEEN DAY CELEBRATION:

NAME OF THE EVENT: Ghoul's Day Out...!

DATE: 30/10/2021

EVENT COORDINATOR: Rtr. Jayanthi

EVENT DESCRIPTION: The Rotaractors of **Rotaract Club Dwarka Doss Goverdhan Doss Vaishnav College**, on the occasion of Halloween day got dressed-up like ghouls and visited the members of three different clubs (Rotaract Club of Dextrous, Rotaract club of AM Jain Shift - II and Rotaract Club of Madras Central) to play Trick or Treat. They also gave a greeting card to them as a token of love and new friendship. This initiative was to give Rotaractors a time to know fellow Rotaractors from other clubs and also give a spooky break to their mundane Rotaract routine.
